**60218574**

---

## Primary Benefits

- + Durable, non-abrasive microfiber
- + Thick, soft, and absorbent
- + Machine washable and meant to be used again and again
- + Cloth colors are brown, taupe, and cream
- + Each cloth measures approximately 12" x 12"

## Description

dōTERRA abode Microfiber Cloths can be used anywhere you use a paper or cloth towel. These non-abrasive cloths are thick, soft, absorbent, and durable. They can be used wet or dry, alone, or with abode® Multi-purpose Surface Cleaner or abode Dish Soap. Great for cleaning without scratching surfaces, appliances, and countertops, dōTERRA abode Microfiber Cloths can be used in the kitchen, car, office, or just about anywhere. They come in three lint-free, neutral colors that go with any décor —brown, taupe, and cream.

## Directions

Use dōTERRA abode Microfiber Cloths for cleaning, scrubbing, dusting, polishing, and drying any surface.
