Main Chemical Composition: Davanone

dōTERRA Touch® Davana | Artemisia pallens 10 mL

60214383

Primary Benefits

- + Provides a powerful, sweet, fruity aroma
- + Creates a unique-to-you personal fragrance
- + Helps maintain the look of healthy skin

Description

The davana plant is a member of the Asteraceae family, and is a relative to the sunflower and daisy. It is a small, fragrant, flowering herb with soft, silver, fern-like leaves and small yellow flowers. Often grown in the home gardens of India, the plant attracts many species of butterflies. Davana Touch features a pleasant, herbaceous aroma with plum and raisin notes. When applied to skin, this rich and adaptive oil creates an aroma unique to each individual. Fractionated Coconut Oil helps hydrate skin and maintains the skin's natural barrier.

Uses

- + Rub in palms and inhale deeply.
- + Apply to wrists and neck.
- + Add to a skin care routine.

Directions

Topical use: For topical use only. Apply to desired area as needed. No dilution required.

See additional precautions below.

Cautions

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
