dōTERRA Touch® Magnolia | *Michelia alba* 10 mL

60205420

## Primary Benefits

- + Provides a calming and relaxing aroma
- + May help keep skin clean and healthy-looking
- + Soothes and comforts skin

## Description

The magnolia flower is said to be a well-traveled flower with species scattered throughout South Asia, the Pacific, and North America. Also called white champaca, magnolia flowers have been used in balancing routines within Chinese traditional wellness practices. Steam distilled from the sturdy petals of the magnolia flower, Magnolia essential oil has a fruity and floral aroma that helps promote a relaxed atmosphere. Like Lavender and Bergamot, CPTG® Magnolia's primary chemical constituent is Linalool. Expertly blended with Fractionated Coconut Oil, Magnolia Touch is moisturizing and soothing to the skin. Add to your daily routine to help keep the skin clean and hydrated. Use as a personal aroma for a refreshing lift.

## Uses

- + Apply to pulse points for a signature personal aroma.
- + Add to your daily skin routine.
- + Roll onto the bottoms of feet to create an atmosphere of calm and relaxation.

## Directions

**Topical use:** For topical use only. Apply to desired area as needed. No dilution required.

See additional precautions below.

## Cautions

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
