**Yarrow | Pom Active Botanical Nutritive Duo** is an expertly crafted proprietary blend of Yarrow essential oil and cold-pressed Pomegranate seed oil. Yarrow essential oil holds the secret to smoother and younger looking skin with a balanced amount of moisture in it. It keeps skin free from dryness, cracks, and visible imperfections.

**Yarrow | Pom Cellular Beauty Complex Capsules** help maintain skin's youthful appearance by combating oxidative stress.\* In addition to Yarrow essential oil and cold-pressed Pomegranate oil, the formula is enhanced by CPTG Certified Pure Therapeutic Grade® essential oils including Celery Seed, Frankincense, Palmarosa, Turmeric, and Melissa for the skin benefits they provide. Important active ingredients include Grape Seed and Melon Extracts, as well as Zinc Citrate, and Vitamin C. Grape Seed and Vitamin C are vital in collagen synthesis.\*

Luxuriously silky, **Yarrow | Pom Body Renewal Serum** is packed with powerful bioactive compounds and skin-protecting proteins. Yarrow essential oil promotes balanced, younger-looking skin while cold-pressed Pomegranate Seed Oil supports the skin's natural barrier by helping prevent the normal breakdown of skin proteins that occur with aging. Other CPTG® essential oils of Roman Chamomile, Yuzu, Peppermint, and Cananga soothe skin. Avocado Oil increases skin moisture by reducing water loss through the skin for smoother, more youthful-looking skin. Jojoba, Sunflower, Grape, and Argan Kernel oils provide deep moisturizing benefits and help prevent premature signs of aging. Coffee Seed Extract and Pomegranate esters help enhance skin luminosity and improve the appearance of firm skin for that smooth, vibrant radiance we all desire.
