# Everyone dies.

Their stories die with them.

# Voice in. Connected book out.

Four AI phases. Each model picked for its job.

## Listen

Audio in, speakers separated.

`gpt-4o-transcribe-diarize`

## Read

Clean transcript. Themes & people per story.

`claude-haiku-4-5 · gpt-4.1-mini`

## Connect

Themes across stories collapse into one map.

`text-embedding-3-small · pgvector`

## Write

A real book in their tone, not ours.

`persona-aware generation`

Around half a cent of model cost per story end-to-end.
