

End of Year Tea Towels

We can't believe we're already into the second half of the year and heading into our peak printing period. We highly recommend you sending your artwork into us ASAP, even if you are not running your fundraiser until Term 4 as this gives us time to get your design ready and make any changes. We can also do your mock up in this time so you can use it to promote your fundraiser and help increase your sales.

If you haven't already organised your FREE coordinator's kit, now is the time to get it sent out. Click the button below to fill in the form to get yours sent out now.

Staff Pics of the Month

Thank you for all of the beautiful designs that have been sent in this last month. It was another hard month to pick as there were so many amazing designs to choose from, but these are our staff picks for July.

Think HQ Lipton Chai Tea - promotional tea towel. A tea towel is a great way to promote a product or new range, they're great for give aways and it's a promotional product that keeps promoting.

Bentons Square - we love their 4 corner class design, printed in our new turquoise colour way for their kindergarten fundraiser.

St Columba's Elwood - beautiful screen printed design on natural cotton fabric, proving a 1 colour screen print is so effective.

Kochi Business Builders

Did you catch Emma's episode with Kochie's Business Builders on 7 Plus a few weeks ago?

Emma talked with Kochie about building strong customer relationships to fuel growth and shares a little about Expressions business success.... all by transforming children's artwork into beautiful keepsakes like tea towels, aprons and bags used for fundraising for over 25 years.
