

CLIC SAUVIGNON BLANC

VENEZIA GIULIA IGT

ABOUT THIS WINE

Enrico Coser, the young winemaker behind Clic, aims to introduce a new generation to the delights of Friuli wines. Clic, meaning 'a small glass of wine shared with friends' in Friulan dialect, offers great value and drinkability. The Sauvignon Blanc is sourced from vineyards in Collio and Isonzo, picked early for freshness and low alcohol content.

TASTING NOTES

Intense aromas of grapefruit with sweet jalapeno and citrus herbs. Medium-bodied with bright acidity, a floral and delicate expression of Sauvignon Blanc.

VINIFICATION

Stainless steel vinification and aging until bottling, showcasing the varietal freshness and fruit expression.
