## Rabbit Fbx32 Antibody BIOTIN

Catalog Number: ATR-BIOTIN

### General Product Information

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|---------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>                  | Fbx32                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| <b>Description</b>              | Affinity Purified ATR1-101AP, 4833442G10Rik antibody, AI430017 antibody, Atrogin 1 antibody, Atrogin-1 antibody, ATROGIN1 antibody, Atrophy gene 1 antibody, F box only protein 32 antibody, F-box only protein 32 antibody, F-box protein 32 antibody, FBX32_HUMAN antibody, fbxo25 antibody, FBXO32 antibody, FLJ32424 antibody, MAFbx antibody, MGC108443 antibody, MGC137646 antibody, MGC33610 antibody, Muscle atrophy F box antibody, Muscle atrophy F box protein antibody, Muscle atrophy F-box protein antibody," Antibody |
| <b>Verified Applications</b>    | ELISA, IHC, IP, WB                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Species Cross Reactivity</b> | Mouse, Rat                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>Immunogen</b>                | Synthetic peptide taken within amino acid region 235-284 on Atr1 protein.                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

### Physical Properties

|                            |                                            |
|----------------------------|--------------------------------------------|
| <b>Quantity</b>            | 100 µg                                     |
| <b>Volume</b>              | 200 µl                                     |
| <b>Form</b>                | BIOTIN-Conjugated                          |
| <b>Immunoglobulin</b>      | IgG                                        |
| <b>Concentration</b>       | 0.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                          |
| <b>Clonality</b>           | Polyclonal                                 |
| <b>Storage</b>             | -20°C for long term storage.               |

### Application Protocol

|                             |                |
|-----------------------------|----------------|
| <b>ELISA</b>                | 1:5,000–20,000 |
| <b>Immunohistochemistry</b> | 1:50–1:200     |
| <b>Immunoprecipitation</b>  | 1:100–1:500    |
| <b>Western Blot</b>         | 1:500–1:2,000  |
