## Rabbit E2F1 Antibody

Catalog Number: E2F1-112AP

### General Product Information

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|---------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>                  | E2F1                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| <b>Description</b>              | Affinity Purified Dmel\CG6376 antibody,Dmel _CG6376 antibody,drosE2F1 antibody,E(Sev-CycE)3A antibody,E(var)3-93E antibody,E2-promoter binding facto antibody,E2F 1 antibody,E2F transcription factor 1 antibody,E2F-1 antibody,E2f-PA antibody,E2f-PB antibody,E2f-PC antibody,E2F1 antibody,E2f1 E2F transcription factor 1 antibody,E2F1_HUMAN antibody,Evar(3)164 antibody,KIAA4009 antibody,l(3)07172 antibody,l(3)j3B1 antibody,l(3)j3C2 antibody,l(3)rM729 antibody,mKIAA4009 antibody,OTTHUMP00000030661 antibody,PBR 3 antibody,PBR3 antibody,PRB binding protein E2F 1 antibody,PRB-binding protein E2F-1 antibody,RBAP 1 antibody,RBAP-1 antibody,RBAP1 antibody,RBBP 3 antibody,RBBP-3 antibody,RBBP3 antibody,RBP 3 antibody,RBP3 antibody,Retinoblastoma associated protein 1 antibody,Retinoblastoma binding protein 3 antibody,Retinoblastoma-associated protein 1 antibody,Retinoblastoma-binding protein 3 antibody,Transcription factor E2F1 antibody, Antibody |
| <b>Verified Applications</b>    | ELISA, WB                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>Species Cross Reactivity</b> | Human, Mouse, Rat                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| <b>Immunogen</b>                | Synthetic peptide taken within amino acid region 122-171 on E2F1 protein.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

### Physical Properties

|                            |                                            |
|----------------------------|--------------------------------------------|
| <b>Quantity</b>            | 100 µg                                     |
| <b>Volume</b>              | 200 µl                                     |
| <b>Form</b>                | Affinity Purified                          |
| <b>Immunoglobulin</b>      | IgG                                        |
| <b>Concentration</b>       | 0.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                          |
| <b>Clonality</b>           | Polyclonal                                 |
| <b>Storage</b>             | -20°C for long term storage.               |

### Application Protocol

|                     |          |
|---------------------|----------|
| <b>ELISA</b>        | 1:10,000 |
| <b>Western Blot</b> | 1:1,000  |
