## Chicken LIM kinase 2 Antibody FITC

Catalog Number: LIMK2-Y-FITC

### General Product Information

|                                 |                                                                                                                              |
|---------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>                  | LIM kinase 2                                                                                                                 |
| <b>Description</b>              | Affinity Purified LIM domain kinase 2 antibody,LIMK 2 antibody,LIMK-2 antibody,LIMK2 antibody,LIMK2_HUMAN antibody, Antibody |
| <b>Verified Applications</b>    | ELISA, IHC, IP, WB                                                                                                           |
| <b>Species Cross Reactivity</b> | Human, Mouse, Rat                                                                                                            |
| <b>Immunogen</b>                | Synthetic peptide taken within amino acid region 570-638 on LIMK2 protein.                                                   |

### Physical Properties

|                            |                                            |
|----------------------------|--------------------------------------------|
| <b>Quantity</b>            | 100 µg                                     |
| <b>Volume</b>              | 200 µl                                     |
| <b>Form</b>                | FITC-Conjugated                            |
| <b>Immunoglobulin</b>      | IgY                                        |
| <b>Concentration</b>       | 0.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                          |
| <b>Clonality</b>           | Polyclonal                                 |
| <b>Storage</b>             | -20°C for long term storage.               |

### Application Protocol

|                             |                |
|-----------------------------|----------------|
| <b>ELISA</b>                | 1:5,000–20,000 |
| <b>Immunohistochemistry</b> | 1:50–1:200     |
| <b>Immunoprecipitation</b>  | 1:100–1:500    |
| <b>Western Blot</b>         | 1:500–1:2,000  |
