## Rabbit NKG2D Antibody FITC

Catalog Number: NKG2D-FITC

### General Product Information

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|---------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>                  | NKG2D                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| <b>Description</b>              | Affinity Purified "CD314 antibody, CD314 antigen antibody, D12S2489E antibody, Killer cell lectin like receptor subfamily K member 1 antibody, Killer cell lectin-like receptor subfamily K member 1 antibody, KLR antibody, Klrk1 antibody, NK cell receptor D antibody, NK lectin-like receptor antibody, NKG2 D activating NK receptor antibody, NKG2 D type II integral membrane protein antibody, NKG2-D antibody, NKG2-D type II integral membrane protein antibody, NKG2-D-activating NK receptor antibody, Nkg2d antibody, NKG2D_HUMAN antibody, NKLLR antibody, NKR P2 antibody, Nkrp2 antibody," Antibody |
| <b>Verified Applications</b>    | ELISA, WB                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>Species Cross Reactivity</b> | Bovine, Human, Monkey, Panda                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Immunogen</b>                | Synthetic peptide taken within amino acid region 166-215 on rat NKG2D protein.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

### Physical Properties

|                            |                                            |
|----------------------------|--------------------------------------------|
| <b>Quantity</b>            | 100 µg                                     |
| <b>Volume</b>              | 200 µl                                     |
| <b>Form</b>                | FITC-Conjugated                            |
| <b>Immunoglobulin</b>      | IgG                                        |
| <b>Concentration</b>       | 0.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                          |
| <b>Clonality</b>           | Polyclonal                                 |
| <b>Storage</b>             | -20°C for long term storage.               |

### Application Protocol

|                     |                |
|---------------------|----------------|
| <b>ELISA</b>        | 1:5,000–20,000 |
| <b>Western Blot</b> | 1:500–1:2,000  |
