| <b>Product</b>                  | Nogo                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Description</b>              | Affinity Purified "1110020G17Rik, AA407876, AA409940, AA960376, ASY, C130026I10Rik, Foocen antibody, Glut4 vesicle 20 kDa protein antibody, Human NogoA, Kiaa0886, KIAA4153 antibody, MGC116054 antibody, MGC139261 antibody, mKIAA0886 antibody, mKIAA4153 antibody, My043 protein antibody, Nbla00271 antibody, Nbla10545 antibody, Neurite growth inhibitor 220 antibody, Neurite Growth Inhibitor 220, included antibody, Neurite Outgrowth Inhibitor antibody, Neuroendocrine-specific protein antibody, Neuroendocrine-specific protein C homolog antibody, NI-250 antibody, NI220/250 antibody, Nogo A antibody, NOGO antibody, Nogo B antibody, Nogo C antibody, Nogo protein antibody, NOGOC antibody, NSP antibody, NSP CL antibody, NSP-CL antibody, rat N antibody, Reticulon 4 antibody, Reticulon 5 antibody, Reticulon-4 antibody, Reticulon-5 antibody, RTN X antibody, RTN-x antibody, RTN4 A antibody, RTN4 antibody, Rtn4 reticulon 4 antibody, RTN4-A antibody, RTN4-B1 antibody, RTN4-B2 antibody, RTN4-C antibody, RTN4_HUMAN antibody, Vp20 antibody," Antibody |
| <b>Verified Applications</b>    | ELISA, IHC, IP, WB                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Species Cross Reactivity</b> | Human, Mouse, Rat                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>Immunogen</b>                | Synthetic peptide taken within amino acid region 1100-1192 on Nogo AS protein.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

### Physical Properties

|                            |                                            |
|----------------------------|--------------------------------------------|
| <b>Quantity</b>            | 100 µg                                     |
| <b>Volume</b>              | 200 µl                                     |
| <b>Form</b>                | Affinity Purified                          |
| <b>Immunoglobulin</b>      | IgG                                        |
| <b>Concentration</b>       | 0.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                          |
| <b>Clonality</b>           | Polyclonal                                 |
| <b>Storage</b>             | -20°C for long term storage.               |

### Application Protocol

|                             |             |
|-----------------------------|-------------|
| <b>ELISA</b>                | 1:10,000    |
| <b>Immunohistochemistry</b> | 1:50–1:200  |
| <b>Immunoprecipitation</b>  | 1:100–1:500 |
| <b>Western Blot</b>         | 1:500       |
