## BMP8 Antibody

Catalog Number: P-BMP8

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>               | BMP8                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Description</b>           | Affinity Purified "BMP-8A antibody, BMP8 antibody, Bmp8a antibody, BMP8A_HUMAN antibody, Bone morphogenetic protein 8A antibody, FLJ14351 antibody, FLJ45264 antibody, OP 2 antibody, Osteogenic protein 2 antibody, BMP-8 antibody, BMP-8B antibody, BMP8 antibody, Bmp8b antibody, BMP8B_HUMAN antibody, bone morphogenetic protein 8 (osteogenic protein 2) antibody, Bone morphogenetic protein 8 antibody, Bone morphogenetic protein 8B antibody, dJ118J21.1 (bone morphogenetic protein 8 (osteogenic protein 2)) antibody, OP-2 antibody, OP2 antibody, Osteogenic protein 2 antibody;" Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| <b>Immunogen</b>             | Synthetic peptide taken within amino acid region 157-206 on human BMP8 protein                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

### Physical Properties

|                            |                                            |
|----------------------------|--------------------------------------------|
| <b>Quantity</b>            | 250 µg                                     |
| <b>Volume</b>              | 200 µl                                     |
| <b>Form</b>                | Antigenic Blocking Peptide                 |
| <b>Immunoglobulin</b>      | IgG                                        |
| <b>Concentration</b>       | 0.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                          |
| <b>Clonality</b>           | Polyclonal                                 |
| <b>Storage</b>             | -20°C for long term storage.               |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
