## Cleavage stimulation factor subunit 1 Antibody

Catalog Number: P-CSTF1

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>               | Cleavage stimulation factor subunit 1                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| <b>Description</b>           | Affinity Purified CF 1 50 kDa subunit antibody CF-1 50 kDa subunit antibody Cleavage stimulation factor 50 kDa subunit antibody Cleavage stimulation factor 50kDa subunit antibody Cleavage stimulation factor antibody Cleavage stimulation factor subunit 1 antibody Cleavage stimulation factor, 3 prime pre RNA, subunit 1, 50 kD antibody cleavage stimulation factor, 3' pre RNA, subunit 1, 50kD antibody cleavage stimulation factor, 3' pre RNA, subunit 1, 50kDa antibody CstF 50 antibody CSTF 50 kDa subunit antibody CstF-50 antibody CSTF1 antibody CSTF1_HUMAN antibody CstFp50 antibody OTTHUMP00000031332 Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| <b>Immunogen</b>             | Synthetic peptide taken within amino acid region 200-250 on human Cleavage stimulation factor subunit 1 protein.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 250 µg                                         |
| <b>Volume</b>              | 100 µl                                         |
| <b>Form</b>                | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
