## CTLA4 Antibody

Catalog Number: P-CTLA4

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>               | CTLA4                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Description</b>           | Affinity Purified "CD 152 antibody, CD antibody, CD152 antibody, CD152 antigen antibody, CD152 isoform antibody, Celiac disease 3 antibody, CELIAC3 antibody, CTLA 4 antibody, CTLA-4 antibody, CTLA4 antibody, CTLA4_HUMAN antibody, Cytotoxic T cell associated 4 antibody, Cytotoxic T lymphocyte antigen 4 antibody, Cytotoxic T lymphocyte associated 4 antibody, Cytotoxic T lymphocyte associated 4, soluble isoform, included antibody, Cytotoxic T lymphocyte associated antigen 4 antibody, Cytotoxic T lymphocyte associated antigen 4 short spliced form antibody, Cytotoxic T lymphocyte associated protein 4 antibody, Cytotoxic T lymphocyte associated serine esterase 4 antibody, Cytotoxic T lymphocyte protein 4 antibody, Cytotoxic T-lymphocyte protein 4 antibody, Cytotoxic T-lymphocyte-associated antigen 4 antibody, GRD4 antibody, GSE antibody, ICOS antibody, IDDM12 antibody, Ligand and transmembrane spliced cytotoxic T lymphocyte associated antigen 4 antibody, OTTHUMP00000216623 antibody," Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Immunogen</b>             | Synthetic peptide taken within amino acid region 150-200 on human CTLA4 protein                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 250 µg                                         |
| <b>Volume</b>              | 100 µl                                         |
| <b>Form</b>                | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
