## DFos Antibody

Catalog Number: P-DFOS110

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| <b>Product</b>               | DFos                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Description</b>           | Affinity Purified Activator protein 1 antibody,AP 1 antibody,C FOS antibody,Cellular oncogene c fos antibody,Cellular oncogene fos antibody,FBJ murine osteosarcoma viral (v fos) oncogene homolog (oncogene FOS) antibody,FBJ murine osteosarcoma viral oncogene homolog antibody,FBJ murine osteosarcoma viral v fos oncogene homolog antibody,FBJ Osteosarcoma Virus antibody,FOS antibody,FOS protein antibody,FOS_HUMAN antibody,G0 G1 switch regulatory protein 7 antibody,G0/G1 switch regulatory protein 7 antibody,G0S7 antibody,Oncogene FOS antibody,p55 antibody,proto oncogene c Fos antibody,Proto oncogene protein c fos antibody,Proto-oncogene c-Fos antibody,v fos FBJ murine osteosarcoma viral oncogene homolog antibody, Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Immunogen</b>             | Synthetic peptide taken within amino acid region 450-550 on DFos protein.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 250 µg                                         |
| <b>Volume</b>              | 100 µl                                         |
| <b>Form</b>                | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
