## Estrogen Related Receptor gamma Antibody

Catalog Number: P-ESRRG

### General Product Information

|                              |                                                            |
|------------------------------|------------------------------------------------------------|
| <b>Product</b>               | Estrogen Related Receptor gamma                            |
| <b>Description</b>           | Affinity Purified Estrogen Related Receptor gamma Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                         |
| <b>Immunogen</b>             | Estrogen-related receptor gamma / ERR3                     |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 250 µg                                         |
| <b>Volume</b>              | 100 µl                                         |
| <b>Form</b>                | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
