## Granzyme B Antibody

Catalog Number: P-GRNZB

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| <b>Product</b>               | Granzyme B                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| <b>Description</b>           | Affinity Purified C11 antibody,Cathepsin G like 1 antibody,Cathepsin G-like 1 antibody,Cathespin G Like 1 antibody,CCPI antibody,CGL 1 antibody,CGL1 antibody,CSP B antibody,CSPB antibody,CTLA 1 antibody,CTLA-1 antibody,CTLA1 antibody,CTSGL 1 antibody,CTSGL1 antibody,Cytotoxic serine protease B antibody,Cytotoxic T Lymphocyte Associated Serine Esterase 1 antibody,Cytotoxic T lymphocyte proteinase 2 antibody,Cytotoxic T-lymphocyte proteinase 2 antibody,Fragmentin 2 antibody,Fragmentin-2 antibody,Fragmentin2 antibody,GRAB_HUMAN antibody,Granzyme 2 antibody,Granzyme B (granzyme 2, cytotoxic T lymphocyte associated serine esterase 1) antibody,Granzyme B antibody,Granzyme-2 antibody,Granzyme2 antibody,GranzymeB antibody,GRB antibody,GZMB antibody,HLP antibody,HLP antibody,Human lymphocyte protein antibody,Lymphocyte protease antibody,Protease Serine B antibody,Protease, serine, B antibody,SECT antibody,T cell serine protease 1 3E antibody,T cell serine protease 1-3E antibody,T-cell serine protease 1-3E antibody, Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Immunogen</b>             | Synthetic peptide taken within amino acid region 1-50 on human endogenous Granzyme B protein.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 250 µg                                         |
| <b>Volume</b>              | 100 µl                                         |
| <b>Form</b>                | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
