| <b>Product</b>               | Histone H3                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Description</b>           | Affinity Purified H3 histone family, member J antibody,FLJ92264 antibody,H3 histone antibody,H3 histone antibody,H3 histone family, member A antibody,H3 histone family, member B antibody,H3 histone family, member C antibody,H3 histone family, member D antibody,H3 histone family, member F antibody,H3 histone family, member H antibody,H3 histone family, member I antibody,H3 histone family, member K antibody,H3 histone family, member L antibody,H3 histone, family 3A antibody,H3.3A antibody,H3/a antibody,H3/b antibody,H3/c antibody,H3/d antibody,h3/f antibody,H3/h antibody,H3/i antibody,H3/j antibody,H3/k antibody,H3/l antibody,H31_HUMAN antibody,H3F1K antibody,H3F3 antibody,H3F3 antibody,H3FA antibody,H3FB antibody,H3FC antibody,H3FD antibody,H3FF antibody,H3FH antibody,H3FI antibody,H3FJ antibody,H3FK antibody,H3FL antibody,HIST1H3A antibody,HIST1H3B antibody,HIST1H3C antibody,HIST1H3D antibody,HIST1H3E antibody,HIST1H3F antibody,HIST1H3G antibody,HIST1H3H antibody,HIST1H3I antibody,HIST1H3J antibody,HIST3H3 antibody,HIST3H3 antibody,Histone 1, H3a antibody,Histone 1, H3b antibody,Histone 1, H3c antibody,Histone 1, H3d antibody,Histone 1, H3e antibody,Histone 1, H3f antibody,Histone 1, H3g antibody,Histone 1, H3h antibody,Histone 1, H3i antibody,Histone 1, H3j antibody,Histone cluster 1, H3a antibody,Histone cluster 1, H3b antibody,Histone cluster 1, H3c antibody,Histone cluster 1, H3d antibody,Histone cluster 1, H3e antibody,Histone cluster 1, H3f antibody,Histone cluster 1, H3g antibody,Histone cluster 1, H3i antibody,Histone cluster 1, H3j antibody,Histone H 3 antibody,Histone H3.1 antibody,Histone H3.1 antibody,Histone H3/a antibody,Histone H3/b antibody,Histone H3/c antibody,Histone H3/d antibody,Histone H3/f antibody,Histone H3/h antibody,Histone H3/i antibody,Histone H3/j antibody,Histone H3/k antibody,Histone H3/l antibody, Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| <b>Immunogen</b>             | Synthetic peptide taken within amino acid 1-50 on Sacchoromyces cerevisiae protein HH3 protein.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

### Physical Properties

|                       |                                                |
|-----------------------|------------------------------------------------|
| <b>Quantity</b>       | 250 µg                                         |
| <b>Volume</b>         | 100 µl                                         |
| <b>Form</b>           | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b> | IgG                                            |
| <b>Concentration</b>  | 0.5-1.5 µg/µl in antibody stabilization buffer |

|                            |                              |
|----------------------------|------------------------------|
| <b>Purification Method</b> | Affinity Purified            |
| <b>Clonality</b>           | Polyclonal                   |
| <b>Storage</b>             | -20°C for long term storage. |

## Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
