## IL17RB Antibody

Catalog Number: P-IL17RB

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>               | IL17RB                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Description</b>           | Affinity Purified "CRL 4 antibody, CRL4 antibody, Cytokine receptor CRL4 antibody, EVI 27 antibody, EVI27 antibody, IL 17 receptor B antibody, IL 17 receptor homolog 1 antibody, IL 17B receptor antibody, IL 17RB antibody, IL 17Rh1 antibody, IL17BR antibody, IL17RB antibody, IL17RH1 antibody, Interleukin 17 receptor B antibody, Interleukin 17 receptor homolog 1 antibody, Interleukin 17 receptor homolog antibody, Interleukin 17B receptor antibody, MGC5245 antibody," Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| <b>Immunogen</b>             | Synthetic peptide taken within amino acid region 300-400 on IL17RB protein.                                                                                                                                                                                                                                                                                                                                                                                                                   |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 250 µg                                         |
| <b>Volume</b>              | 100 µl                                         |
| <b>Form</b>                | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
