## MeCP2 isoform 1 Antibody

Catalog Number: P-MECP2E1-112

### General Product Information

|                                 |                                                                                                                |
|---------------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Product</b>                  | MeCP2 isoform 1                                                                                                |
| <b>Description</b>              | Affinity Purified MeCP2 isoform 1 Antibody                                                                     |
| <b>Verified Applications</b>    | Immunodepletion, Immunocompetition                                                                             |
| <b>Species Cross Reactivity</b> | Human, Mouse                                                                                                   |
| <b>Immunogen</b>                | Synthetic peptide taken within amino acid region 1-50 on mouse Methyl-CpG-binding Protein 2 isoform 1 protein. |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 100 µg                                         |
| <b>Volume</b>              | 100 µl                                         |
| <b>Form</b>                | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
