## CD10 Antibody

Catalog Number: P-NEPR.161

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| <b>Product</b>               | CD10                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Description</b>           | Affinity Purified "Atriopeptidase antibody, CALLA antibody, CD 10 antibody, CD10 antibody, CD10 antigen antibody, Common acute lymphocytic leukemia antigen antibody, DKFZp686O16152 antibody, EC 3.4.24.11 antibody, Enkephalinase antibody, EPN antibody, gp100 antibody, gp100 antibody, Membrane metallo endopeptidase (neutral endopeptidase, enkephalinase) antibody, Membrane metallo endopeptidase (neutral endopeptidase, enkephalinase, CALLA, CD10) antibody, Membrane metallo endopeptidase antibody, Membrane metallo endopeptidase variant 1 antibody, Membrane metallo endopeptidase variant 2 antibody, Membrane metalloendopeptidase antibody, Membrane metalloendopeptidase neutral endopeptidase antibody, Membrane metalloendopeptidase neutral endopeptidase enkephalinase CALLA CD10 antibody, Membrane metalloendopeptidase variant 1 antibody, Membrane metalloendopeptidase variant 2 antibody, MGC126681 antibody, MGC126707 antibody, MME antibody, NEP antibody, NEP_HUMAN antibody, Neprilysin antibody, Neutral endopeptidase 24.11 antibody, Neutral endopeptidase antibody, SFE antibody, Skin fibroblast elastase antibody," Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Immunogen</b>             | Recombinant CD10 protein.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 250 µg                                         |
| <b>Volume</b>              | 100 µl                                         |
| <b>Form</b>                | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
