## PDE4 Antibody

Catalog Number: P-PD4

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>               | PDE4                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| <b>Description</b>           | Affinity Purified 5"-cyclic phosphodiesterase 4A antibody, cAMP specific 3 5 cyclic phosphodiesterase 4A antibody, cAMP specific phosphodiesterase antibody, cAMP-specific 3" antibody, cAMP-specific 3',5'-cyclic phosphodiesterase 4A antibody, Cyclic AMP phosphodiesterase PDE4A11 antibody, Cyclic AMP specific phosphodiesterase HSPDE4A10 antibody, DPDE 2 antibody, DPDE2 antibody, Duncle like phosphodiesterase E2 antibody, PDE 4 antibody, PDE 46 antibody, PDE 4A antibody, PDE4 antibody, PDE46 antibody, PDE4A antibody, PDE4A_HUMAN antibody, PDE4A11 antibody, Phosphodiesterase 4A antibody, Phosphodiesterase 4A cAMP specific antibody, Phosphodiesterase 4A, cAMP-specific (duncle antibody, Phosphodiesterase E2 duncle homolog antibody, Phosphodiesterase E2 duncle homolog Drosophila antibody, Phosphodiesterase E2 duncle homolog, Drosophila antibody, Phosphodiesterase isozyme 4 antibody, Phosphodiesterase type 4A11 antibody, Phosphodiesterase4A antibody, Antibody |
| <b>Verified Applications</b> | Immunodepletion, Immunocompetition                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>Immunogen</b>             | Synthetic peptide common to most PDE4 subtypes: PDE4A, PDE4D, PDE4B                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 250 µg                                         |
| <b>Volume</b>              | 100 µl                                         |
| <b>Form</b>                | Antigenic Blocking Peptide                     |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                          |                 |
|--------------------------|-----------------|
| <b>Immunodepletion</b>   | Assay dependent |
| <b>Immunocompetition</b> | Assay dependent |
