## CD4 Antibody

Catalog Number: PC-CD4

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

| <b>Product</b>               | CD4                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| <b>Description</b>           | Affinity Purified CD 4 antibody,CD4 (L3T4) antibody,CD4 antibody,CD4 antigen (p55) antibody,CD4 antigen antibody,CD4 molecule antibody,CD4 receptor antibody,CD4+ Lymphocyte deficiency, included antibody,CD4_HUMAN antibody,CD4mut antibody,L3T4 antibody,Leu3 antibody,Ly-4 antibody,Lymphocyte antigen CD4 antibody,MGC165891 antibody,OTTHUMP00000238897 antibody,p55 antibody,T cell antigen T4 antibody,T cell antigen T4/LEU3 antibody,T cell differentiation antigen L3T4 antibody,T cell OKT4 deficiency, included antibody,T cell surface antigen T4/Leu 3 antibody,T cell surface antigen T4/Leu3 antibody,T cell surface glycoprotein CD4 antibody,T-cell surface antigen T4/Leu-3 antibody,T-cell surface glycoprotein CD4 antibody,W3/25 antibody,W3/25 antigen antibody, Antibody |
| <b>Verified Applications</b> | WB                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

### Physical Properties

|                            |                                                                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Quantity</b>            | 100 µg                                                                                                                                                                                     |
| <b>Volume</b>              | Inquire                                                                                                                                                                                    |
| <b>Form</b>                | Western Blot Positive Control                                                                                                                                                              |
| <b>Immunoglobulin</b>      | IgG                                                                                                                                                                                        |
| <b>Concentration</b>       | The concentration is set so that 20 µl per lane in Western and blotted with corresponding affinity purified antibody will give a clean band with a high signal to noise ration on the gel. |
| <b>Purification Method</b> | Affinity Purified                                                                                                                                                                          |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                 |
| <b>Storage</b>             | -20°C for long term storage.                                                                                                                                                               |

### Application Protocol

|                     |               |
|---------------------|---------------|
| <b>Western Blot</b> | 1:500–1:2,000 |
|---------------------|---------------|
