## Dnmt2 Antibody

Catalog Number: PC-DNMT2

### General Product Information

|                              |                                  |
|------------------------------|----------------------------------|
| <b>Product</b>               | Dnmt2                            |
| <b>Description</b>           | Affinity Purified Dnmt2 Antibody |
| <b>Verified Applications</b> | WB                               |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 100 µg                                         |
| <b>Volume</b>              | 200 µl                                         |
| <b>Form</b>                | Western Blot Positive Control                  |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                     |               |
|---------------------|---------------|
| <b>Western Blot</b> | 1:500–1:2,000 |
|---------------------|---------------|
