## PDE4B1 Antibody

Catalog Number: PC-PD4B1

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>               | PDE4B1                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>Description</b>           | Affinity Purified 5"-cyclic phosphodiesterase 4B antibody, cAMP-specific 3" antibody, cAMP-specific 3',5'-cyclic phosphodiesterase 4B antibody, cAMP-specific 3'5'-cyclic Phosphodiesterase 4B antibody, cAMP-specific phosphodiesterase-4 B isoform antibody, DKFZp686F2182 antibody, DPDE4 antibody, dunce-like phosphodiesterase E4 antibody, MGC126529 antibody, OTTHUMP00000010652 antibody, OTTHUMP00000010653 antibody, OTTHUMP00000010654 antibody, OTTHUMP00000010656 antibody, OTTHUMP00000232365 antibody, PDE 4B antibody, PDE IVB antibody, PDE32 antibody, Pde4b antibody, PDE4B_HUMAN antibody, PDE4B5 antibody, PDEIVB antibody, Phosphodiesterase 4B antibody, Phosphodiesterase 4B cAMP specific antibody, Phosphodiesterase 4B, cAMP specific (phosphodiesterase E4 dunce homolog, Drosophila) antibody, Phosphodiesterase-4B cAMP-specific (dunce (Drosophila)-homolog) antibody, Phosphodiesterase-4B cAMP-specific antibody, Antibody |
| <b>Verified Applications</b> | WB                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

### Physical Properties

|                            |                                                                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Quantity</b>            | 100 µg                                                                                                                                                                                     |
| <b>Volume</b>              | Inquire                                                                                                                                                                                    |
| <b>Form</b>                | Western Blot Positive Control                                                                                                                                                              |
| <b>Immunoglobulin</b>      | IgG                                                                                                                                                                                        |
| <b>Concentration</b>       | The concentration is set so that 20 µl per lane in Western and blotted with corresponding affinity purified antibody will give a clean band with a high signal to noise ration on the gel. |
| <b>Purification Method</b> | Affinity Purified                                                                                                                                                                          |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                 |
| <b>Storage</b>             | -20°C for long term storage.                                                                                                                                                               |

### Application Protocol

|                     |               |
|---------------------|---------------|
| <b>Western Blot</b> | 1:500–1:2,000 |
|---------------------|---------------|
