## PMS2 Antibody

Catalog Number: PC-PMS2

### General Product Information

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>               | PMS2                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Description</b>           | Affinity Purified DNA mismatch repair gene homologue antibody,DNA mismatch repair protein PMS2 antibody,H_DJ0042M02.9 antibody,HNPCC4 antibody,Mismatch repair endonuclease PMS2 antibody,Mismatch repair gene PMSL2 antibody,PMS 2 antibody,PMS1 protein homolog 2 antibody,PMS2 antibody,PMS2 postmeiotic segregation increased 2 antibody,PMS2 postmeiotic segregation increased 2 (S. cerevisiae) antibody,PMS2_HUMAN antibody,PMS2CL antibody,PMSL2 antibody,Postmeiotic segregation increased, S. cerevisiae, 2 antibody, Antibody |
| <b>Verified Applications</b> | WB                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

### Physical Properties

|                            |                                                                                                                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Quantity</b>            | 100 µg                                                                                                                                                                                     |
| <b>Volume</b>              | Inquire                                                                                                                                                                                    |
| <b>Form</b>                | Western Blot Positive Control                                                                                                                                                              |
| <b>Immunoglobulin</b>      | IgG                                                                                                                                                                                        |
| <b>Concentration</b>       | The concentration is set so that 20 µl per lane in Western and blotted with corresponding affinity purified antibody will give a clean band with a high signal to noise ration on the gel. |
| <b>Purification Method</b> | Affinity Purified                                                                                                                                                                          |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                 |
| <b>Storage</b>             | -20°C for long term storage.                                                                                                                                                               |

### Application Protocol

|                     |               |
|---------------------|---------------|
| <b>Western Blot</b> | 1:500–1:2,000 |
|---------------------|---------------|
