| <b>Product</b>               | SARS CoV-2 Spike Glycoprotein UK variant                                                                                                                                                                                                                                                                                                                                    |
| <b>Description</b>           | Affinity Purified Coronavirus Spike Antibody COVID Spike antibody COVID19 Spike antibody COVID19 Spike UK Variant antibody COVID19 Spike Glycoprotein antibody Spike antibody Spike UK variant antibody Sars COV2 Spike Glycoprotein antibody SARS-CoV-2 Spike Glycoprotein antibody SARS Cov-2 Spike Glycoprotein UK variant antibody SARS Cov-2 Spike UK variant Antibody |
| <b>Verified Applications</b> | WB                                                                                                                                                                                                                                                                                                                                                                          |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 100 µg                                         |
| <b>Volume</b>              | 200 µl                                         |
| <b>Form</b>                | Western Blot Positive Control                  |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                     |               |
|---------------------|---------------|
| <b>Western Blot</b> | 1:500–1:2,000 |
|---------------------|---------------|
