## Rabbit SARS CoV-2 Spike Glycoprotein Brazil variant Antibody BIOTIN

Catalog Number: SARSCOV2SBRZ-BIOTIN

### General Product Information

|                                 |                                                                                                                                                                                                                                                                                                                                                                                             |
|---------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product</b>                  | SARS CoV-2 Spike Glycoprotein Brazil variant                                                                                                                                                                                                                                                                                                                                                |
| <b>Description</b>              | Affinity Purified Coronavirus Spike Antibody COVID Spike antibody COVID19 Spike antibody COVID19 Spike Brazil Variant antibody COVID19 Spike Glycoprotein antibody Spike antibody Spike Brazil Variant antibody Sars COV2 Spike Glycoprotein antibody SARS-CoV-2 Spike Glycoprotein antibody SARS Cov-2 Spike Glycoprotein Brazil Variant antibody SARS Cov-2 Spike Brazil Variant Antibody |
| <b>Verified Applications</b>    | ELISA, IP, WB                                                                                                                                                                                                                                                                                                                                                                               |
| <b>Species Cross Reactivity</b> | Virus                                                                                                                                                                                                                                                                                                                                                                                       |
| <b>Immunogen</b>                | Synthetic peptide corresponding to amino acids within region 400-450 SARS CoV-2 Spike Glycoprotein Brazil varian.                                                                                                                                                                                                                                                                           |

### Physical Properties

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Quantity</b>            | 100 µg                                         |
| <b>Volume</b>              | 200 µl                                         |
| <b>Form</b>                | BIOTIN-Conjugated                              |
| <b>Immunoglobulin</b>      | IgG                                            |
| <b>Concentration</b>       | 0.5-1.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                              |
| <b>Clonality</b>           | Polyclonal                                     |
| <b>Storage</b>             | -20°C for long term storage.                   |

### Application Protocol

|                            |                |
|----------------------------|----------------|
| <b>ELISA</b>               | 1:5,000–20,000 |
| <b>Immunoprecipitation</b> | 1:100–1:500    |
| <b>Western Blot</b>        | 1:500–1:2,000  |
