## Rabbit TLR12 Antibody

Catalog Number: TLR12-1201AP

### General Product Information

|                                 |                                                                                    |
|---------------------------------|------------------------------------------------------------------------------------|
| <b>Product</b>                  | TLR12                                                                              |
| <b>Description</b>              | Affinity Purified TLR12 Antibody                                                   |
| <b>Verified Applications</b>    | ELISA, WB                                                                          |
| <b>Species Cross Reactivity</b> | Chimpanzee, Human, Monkey                                                          |
| <b>Immunogen</b>                | Synthetic peptide taken within amino acid region 430-479 from mouse TLR12 protein. |

### Physical Properties

|                            |                                            |
|----------------------------|--------------------------------------------|
| <b>Quantity</b>            | 100 µg                                     |
| <b>Volume</b>              | 200 µl                                     |
| <b>Form</b>                | Affinity Purified                          |
| <b>Immunoglobulin</b>      | IgG                                        |
| <b>Concentration</b>       | 0.5 µg/µl in antibody stabilization buffer |
| <b>Purification Method</b> | Affinity Purified                          |
| <b>Clonality</b>           | Polyclonal                                 |
| <b>Storage</b>             | -20°C for long term storage.               |

### Application Protocol

|                     |          |
|---------------------|----------|
| <b>ELISA</b>        | 1:20,000 |
| <b>Western Blot</b> | 1:500    |
