

Privacy Policy

This chatbot is purely meant for internal use and information related to improve your workforce productivity at Synechron. Your privacy is very important to us. Accordingly, we have developed this Policy in order for you to understand how we collect, use, communicate and disclose and make use of personal information through ARIEL- Synechron HR Chatbot. The following outlines our privacy policy.

Before or at the time of collecting personal information, we will identify the purposes for which information is being collected. We will collect and use of personal information solely with the objective of fulfilling those purposes specified by us and for other compatible purposes, unless we obtain the consent of the individual concerned or as required by law. We will only retain personal information as long as necessary for the fulfillment of those purposes. We will collect personal information by lawful and fair means and, where appropriate, with the knowledge or consent of the individual concerned.

Personal data should be relevant to the purposes for which it is to be used, and, to the extent necessary for those purposes, should be accurate, complete, and up-to-date. We will protect personal information by reasonable security safeguards against loss or theft, as well as unauthorized access, disclosure, copying, use or modification. However, we do not guarantee your data security against any possible data breach or data hack. Synechron is committed to conducting our business in accordance with these principles in order to ensure that the confidentiality of personal information is protected and maintained. You are responsible for maintaining the security of any and all log-in information used by you in connection with our services (e.g. user name and password) and ensuring that they are not passed on to or used by others. You are responsible for all actions that take place under your account(s) to the extent possible under applicable law (without derogating from our obligations under any applicable law and contractual obligations with our employees. We will make readily available to customers information about our policies and practices relating to the management of personal information through ARIEL - Synechron HR Chatbot.
