

Terms of Service – Fashio AI

Last Updated: March 6, 2026

Welcome to Fashio AI! These Terms of Service ("Terms") govern your access to and use of the Fashio AI mobile application and the website fashiolabs.com (collectively, the "Platform"). By using our Services, you agree to be bound by these Terms.

1. The Service

Fashio AI is an artificial intelligence-based photo generation platform that allows users to create fashion product visuals using synthetic models. The Platform is provided on a subscription or credit-based model.

2. Eligibility and Access

Age Requirement: You must be at least 17 years old to use this Platform.

Account: To access certain features, you must create an account. You are responsible for maintaining the security of your account and for all activities that occur under it.

No Free Trial: Fashio AI does not offer a free trial period. Access to premium features and AI generation requires the purchase of credits or a subscription as specified in the app.

3. User Content and Data

Ownership: You retain all rights to the photos you upload to the Platform ("User Content").

License to Us: By uploading content, you grant Fashio AI a worldwide, royalty-free license to process, host, and use your images solely to provide and improve our AI services.

Prohibited Content: You may not upload content that is illegal, offensive, pornographic, or infringes on the intellectual property rights of others.

4. Fashio AI Intellectual Property

Platform Ownership: All rights, titles, and interests in the AI models, software, "look and feel," and the technology behind Fashio AI belong to us.

Licensed Photos: We grant you a non-exclusive, limited license to use the photos generated by our AI for your own fashion business needs.

5. Credits and Payments

Pay-as-you-go Credits: Credits purchased individually as one-time in-app purchases are yours permanently and do not expire.

Subscription Credits: Credits included as part of a subscription plan are available during the active subscription period. They renew each billing cycle along with your subscription and do not carry over if the subscription is cancelled or lapses.

No Refunds: All purchases are final and non-refundable unless required by local mandatory law.

Price Changes: We reserve the right to change our fees or credit pricing at any time with notice to you.

6. Third-Party Services and Advertising

Our app uses the Meta (Facebook) SDK to send anonymized usage events to Meta Platforms, Inc. for the purpose of measuring and optimizing our advertising campaigns on Instagram and Facebook. No third-party ads are displayed within the app. On iOS, you will be asked for permission via Apple's App Tracking Transparency (ATT) prompt before any device identifiers are shared.

7. Acceptable Use

You agree not to:

- Reverse engineer or attempt to extract the source code of the AI models.

- Use the Platform to create harmful, deceptive, or malicious content.

- Use automated systems (crawlers, scrapers) to access the Platform.

8. Termination

By You: You may stop using the Service at any time.

By Us: We may suspend or terminate your access immediately if you violate these Terms or if your use poses a security risk.

Effect of Termination: Upon termination, your right to use the Platform ceases, and we may delete your stored data.

9. Disclaimers and Limitation of Liability

"As-Is" Basis: The Platform and generated photos are provided "as-is." AI generation can occasionally produce inaccurate or unexpected results.

Liability Cap: To the maximum extent permitted by law, Fashion AI's total liability for any claim shall not exceed the amount you paid us in the six months prior to the claim.

10. Changes to Terms

We may update these Terms from time to time by posting the new version on fashiolabs.com. If the changes are material, we will notify you through the app.

11. Governing Law

These Terms are governed by the laws of the jurisdiction where our company is incorporated, without regard to conflict of law principles.
