From: Recreation and Human Services Department

Subject: Conditional Use Permit for PW Golf Management

The Recreation and Human Services Department has no objections to PW Golf Management obtaining a Conditional Use Permit to allow the on-site sale and consumption of beer, wine, and distilled spirits.

Since the opening of the Crowther Teen and Family Center in 2003, the adjacent golf course has been serving beer and wine without any issues or negative impacts on the center. Based on this history, we do not anticipate any problems with the inclusion of distilled spirits under the proposed permit.
