CITY OF LOMA LINDA
CITY COUNCIL AGENDA
REGULAR MEETING

Tuesday, May 14, 2024, 7:00 PM
Council Chambers
25541 Barton Road
Loma Linda, CA 92354

A regular meeting of the City Council of the City of Loma Linda is scheduled in the Council Chambers, 25541 Barton Road, Loma Linda, California at at 7:00 p.m. ***Under Municipal Code Section 2.08.010, study sessions or closed session items may begin at 5:30 p.m. or as soon thereafter as possible.*** **A recess may be called at the discretion of the City Council.**

The Agenda and Reports relating to each agenda item are on file in the City Clerk's Office and are available for public inspection during normal business hours. They are also on the City's Website at www.lomalinda-ca.gov.

Materials related to an item on this Agenda submitted to the City Council after distribution of the agenda packet are available for public inspection in the City Clerk's Office, 25541 Barton Road, Loma Linda, CA during normal business hours. Such documents are also available on the City's website at www.lomalinda-ca.gov subject to staff's ability to post the documents before the meeting.

Persons wishing to speak on an agenda item, including any closed session items, are asked to submit their names in the Kiosk or information card and present to the City Clerk before consideration of the item. When the item is to be considered, the Mayor will recognize you. Please step to the podium, give your name, and offer your comments. The City Council meetings are recorded to assist in preparing the Minutes.

The Oral Reports/Public Participation portion of the agenda pertains to items NOT on the agenda and is limited to 30 minutes; 3 minutes are allotted for each speaker. Under the Brown Act, no action may be taken by the City Council at this time; however, the City Council may refer comments/concerns to staff or request that the item be placed on a future agenda.

Pursuant to the Americans with Disabilities Act (ADA), if you need special assistance to provide public comment, or for other special assistance; please contact the City at least 48 hours before the meeting to enable the City to make reasonable arrangements to ensure accessibility to this meeting. The Office of the City Clerk may be reached at (909) 799-2819 or at larreola@lomalinda-ca.gov.

1: Call to Order

1A. Call to Order

1B. Roll Call

1C. Closed Session/Workshop

1D. Invocation and Pledge of Allegiance - Councilman Rigsby

1E. Items to be Added or Deleted

1F. Oral Reports/Public Participation - Non-Agenda Items (Each Speaker limited to 3 minutes. Pursuant to the Brown Act, no action or discussion can be taken by City Council)

1G. Conflict of Interest Disclosure

2: Scheduled and Related Items

2A. Student Presentation Regarding Results from a Community Survey Conducted in District 4 [Councilwoman Spencer-Hwang]

2B. Public Hearing - Tentative Tract Map No. P22-264 (TTM 20467) and Precise Plan of Design No. P22-266 - a request to demolish a single-family home and develop a single-family residential subdivision, comprised of nine (9) residential lots, one (1) lettered lot, and a new public street. The site is located on Park Avenue, west of Curtis Street, and east of Coloma Street, within the Low Density Residential (R-1) General Land Use designation and Zoning District. (APN:0283-162-20) [Community Development] [Continued from April 9, 2024]
Staff recommends that the City Council:

— 1. DETERMINE that the project is Categorically Exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant Section No. 15332, (Class No. 32, In-Fill) and direct staff to file a Notice of Exemption; and,

— 2. APPROVE Tentative Tract Map No. P22-264 (Map 20467) to subdivide a 2.8-acre parcel and create nine (9) single-family residential lots, one (1) letter lot for a storm-water drainage basin, and a new public street with associated street and landscaping improvements; and,

— 3. APPROVE Precise Plan of Design No. P22-266 for the demolition of an existing single-family residence and the construction of nine (9) single-family residences each featuring its own Accessory Dwelling Unit. The project approval is based on the Findings contained in the staff report and subject to the Conditions of Approval.

3: Consent Calendar

3A. Approve Demands Registers - May 14, 2024 [Finance]

3B. Treasurer's Report - April 2024 [Finance]

— Accept for Filing

3C. Fire Department's Activity Report - April 2024 [Fire]

— Accept for Filing

3D. Adopt Resolutions for the Landscape Maintenance District No. 1 Annual Report - Fiscal Year 2024-2025 [Public Works]

— Council Bill #R-2024-04 - Adopt Resolution to order preparation of Annual Report

— Council Bill #R-2024-05 - Adopt Resolution for preliminary approval of Annual Report

— Council Bill #R-2024-06 - Adopt Resolution to set the public hearing for June 11, 2024

3E. Adopt Resolutions for the Street Light Benefit Assessment District Annual Report - Fiscal Year 2024-2025 [Public Works]

— Council Bill #R-2024-07 - Adopt Resolution to order preparation of Annual Report

— Council Bill #R-2024-08 - Adopt Resolution for preliminary approval of Annual Report

— Council Bill #R-2024-09 - Adopt Resolution to set the public hearing for June 11, 2024

3F. Approve a Change Order for the Beaumont Avenue Waterline Repair Project (CIP 20-657) [Public Works]

— Approve a Change Order in an amount not to exceed of $125,000 for the contract for waterline improvements on Beaumont Avenue from UPRR right-of-way to Nevada Street.

3G. Grant a Utility Easement on Van Leuven St. to the So. California Gas Company [Public Works]

— Approve the Grant of Easement to the Southern California Gas Company for the placement of a service line to 25388 Van Leuven Street

3H. Approve Agreement with TKE Engineering for City Services [Finance/Administration]

— Approve Agreement on a time and materials compensation with a cap of $11,000 through June 30, 2024

3I. Approve Schedule "A" of the Law Enforcement Service Contract with the County of San Bernardino for Fiscal Year 2024-25 [City Manager]

— Amendment No. 35 of the San Bernardino County Law Enforcement Service Contract No. 92-523

3J. Declare Items Surplus and Authorize Appropriate Disposal [Information Systems]

4: Old Business

5: New Business

5A. Report Update and Request for Direction Regarding the Fire Department Therapy Dog Program [Fire]

— Direction whether to proceed with the purchase and implementation of the Fire Department therapy dog

5B. Council Bill #R-2024-16- A Resolution to Approve the Measure I 5-year CIP Project for Fiscal Year 2024/25 through Fiscal Year 2028/29 [Public Works]

— Adopt Resolution to approve the Measure I Five-Year Capital Improvement Plan

6: Reports

6A. Reports of Council Members

6B. Reports Of Officers

7: Adjournment

Meeting Adjourn to the May 15, 2024, Joint Meeting with the Budget Committee regarding the City's Budget

POSTING

I, Lynette Arreola, City Clerk, do hereby certify and declare that, I caused this agenda to be posted at the following three (3) locations, to-wit: 1) Loma Lind a Branch Library, 25581 Barton Road, Loma Linda, California; 2) City Council Chambers, 25541 Barton Road, Loma Linda, California; 3) U. S. Post Office Annex, Newport Avenue, Loma Linda, California

Loma Linda Community Engagement Survey Presentation.pdf

Loma Linda Community Engagement Survey

Presented by : Janvi Shah (Loma Linda University)

Mentored by : Dr. Rhonda Spencer-Hwang, Professor and Program Director

Background: Methods

In March, a survey was distributed to residents of District 4 as part of our community engagement efforts.

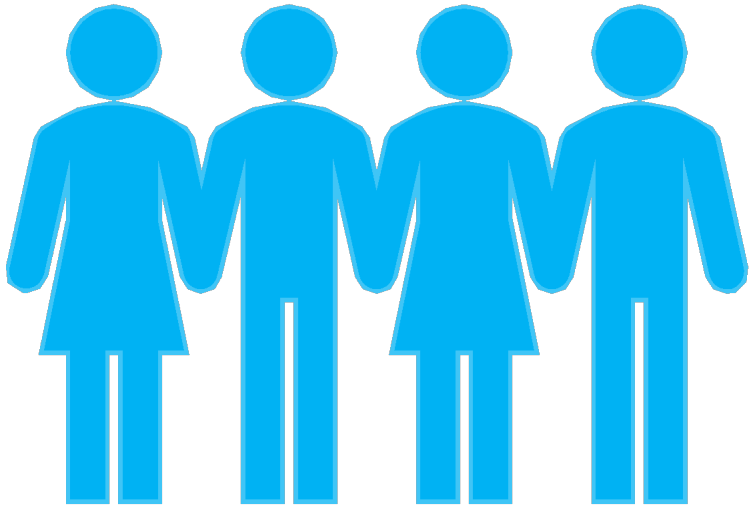

Purpose

The purpose of this survey was to actively involve the community in shaping our action items and initiatives, if elected.

Engaging the Community

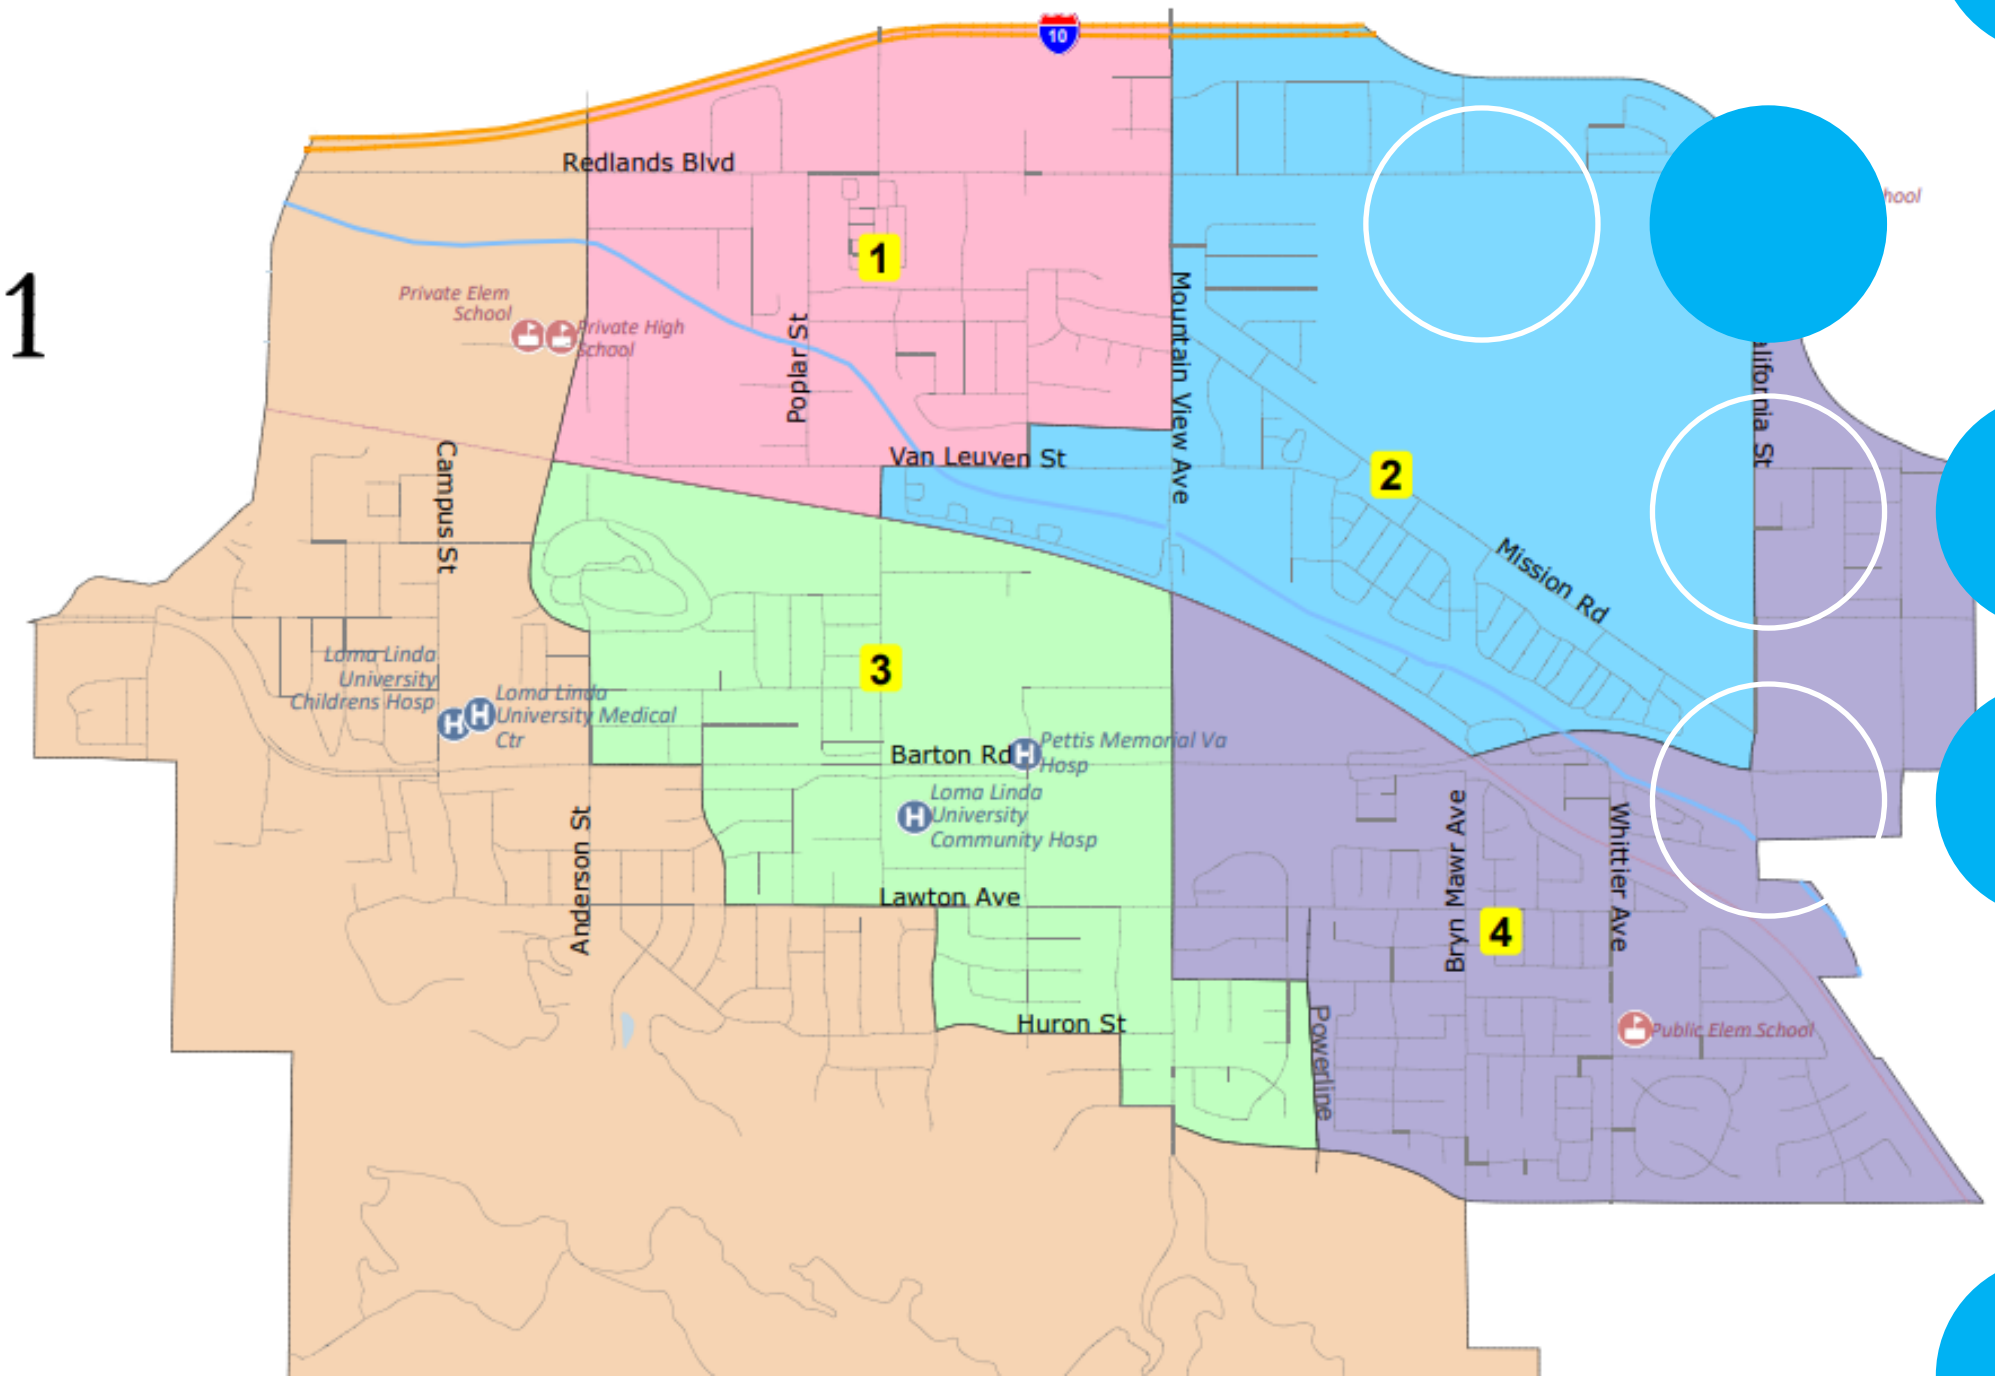

Through this survey, we aimed to foster meaningful participation from residents, ensuring their voices are heard in the decision-making process.

By engaging directly with the community, we can better understand their needs, preferences, and priorities.

LOMA LINDA CITY COMMUNITY ENGAGEMENT SURVEY

Dear Community Members,
We are excited about gaining your input in building a thriving and prosperous community for all, please take a moment and complete our survey. We look forward to hearing from you!

Please rate how important, if at all, you think it is for the Loma Linda community to focus on each of the following in the coming two years:

Overall economic health of the city
◯Essential ◯Very important ◯Somewhat important ◯Not at all important

Overall quality of the transportation system
◯Essential ◯Very important ◯Somewhat important ◯Not at all important

Overall maintenance of the infrastructure (like sidewalks, street lights, roads...etc.)
◯Essential ◯Very important ◯Somewhat important ◯Not at all important

Overall feeling of safety
◯Essential ◯Very important ◯Somewhat important ◯Not at all important

Overall quality of parks and recreation opportunities
◯Essential ◯Very important ◯Somewhat important ◯Not at all important

Residents' connection and engagement with their community
◯Essential ◯Very important ◯Somewhat important ◯Not at all important

Overall approach to crime in the community
◯Essential ◯Very important ◯Somewhat important ◯Not at all important

Overall approach to homelessness
◯Essential ◯Very important ◯Somewhat important ◯Not at all important

Overall empty or vacant businesses
◯Essential ◯Very important ◯Somewhat important ◯Not at all important

Please rate each of the following characteristics as they relate to Loma Linda as a whole.

Overall quality of parks and recreation opportunities.
◯Excellent ◯Good ◯Fair ◯Poor

Overall playground equipment available and its maintenance at parks.
◯Excellent ◯Good ◯Fair ◯Poor

Overall businesses available for shopping, eating, or services.
◯Excellent ◯Good ◯Fair ◯Poor

Traffic flow on major streets
◯Excellent ◯Good ◯Fair ◯Poor

Ease of travel by bicycle
◯Excellent ◯Good ◯Fair ◯Poor

Ease of walking
◯Excellent ◯Good ◯Fair ◯Poor

Opportunities for children and their families
◯Excellent ◯Good ◯Fair ◯Poor

Overall sense of civic or community pride.
◯Excellent ◯Good ◯Fair ◯Poor

Please rate how safe or unsafe you feel:

In commercial areas during the day
◯Very Safe ◯Somewhat safe ◯Somewhat unsafe ◯Very unsafe

In your homes either day or night
◯Very Safe ◯Somewhat safe ◯Somewhat unsafe ◯Very unsafe

From property crime/burglary
◯Very Safe ◯Somewhat safe ◯Somewhat unsafe ◯Very unsafe

Please identify any potential solutions for any of the following challenges in Loma Linda as a whole:

What strategies could the city implement to address crime?

What strategies could the city implement to address homelessness?

What strategies could the city implement to attract businesses?

What specific businesses would you like to see in Loma Linda that aren't currently in the city?

What strategies could the city implement to improve economic health within the city?

What other ideas could the city implement to address any other challenges the city is experiencing?

Thank you for completing this survey!

Date: March 2024
Location- District 4

Survey Results

Topic areas

- Economic health of the city
- Transportation System
- Infrastructure(Side walks/ Street lights)
- Overall feeling of Safety
- Quality of Parks and recreational opportunities.
- Resident engagement with community
- Community crime
- Homelessness
- Vacant Business

- Essential
- Very important
- Somewhat important
- Not at all important

Top areas of focus identified for Loma Linda over the next two years

OVERALL FELLING OF SAFETY

OVERALL ECONOMIC HEALTH OF THE CITY

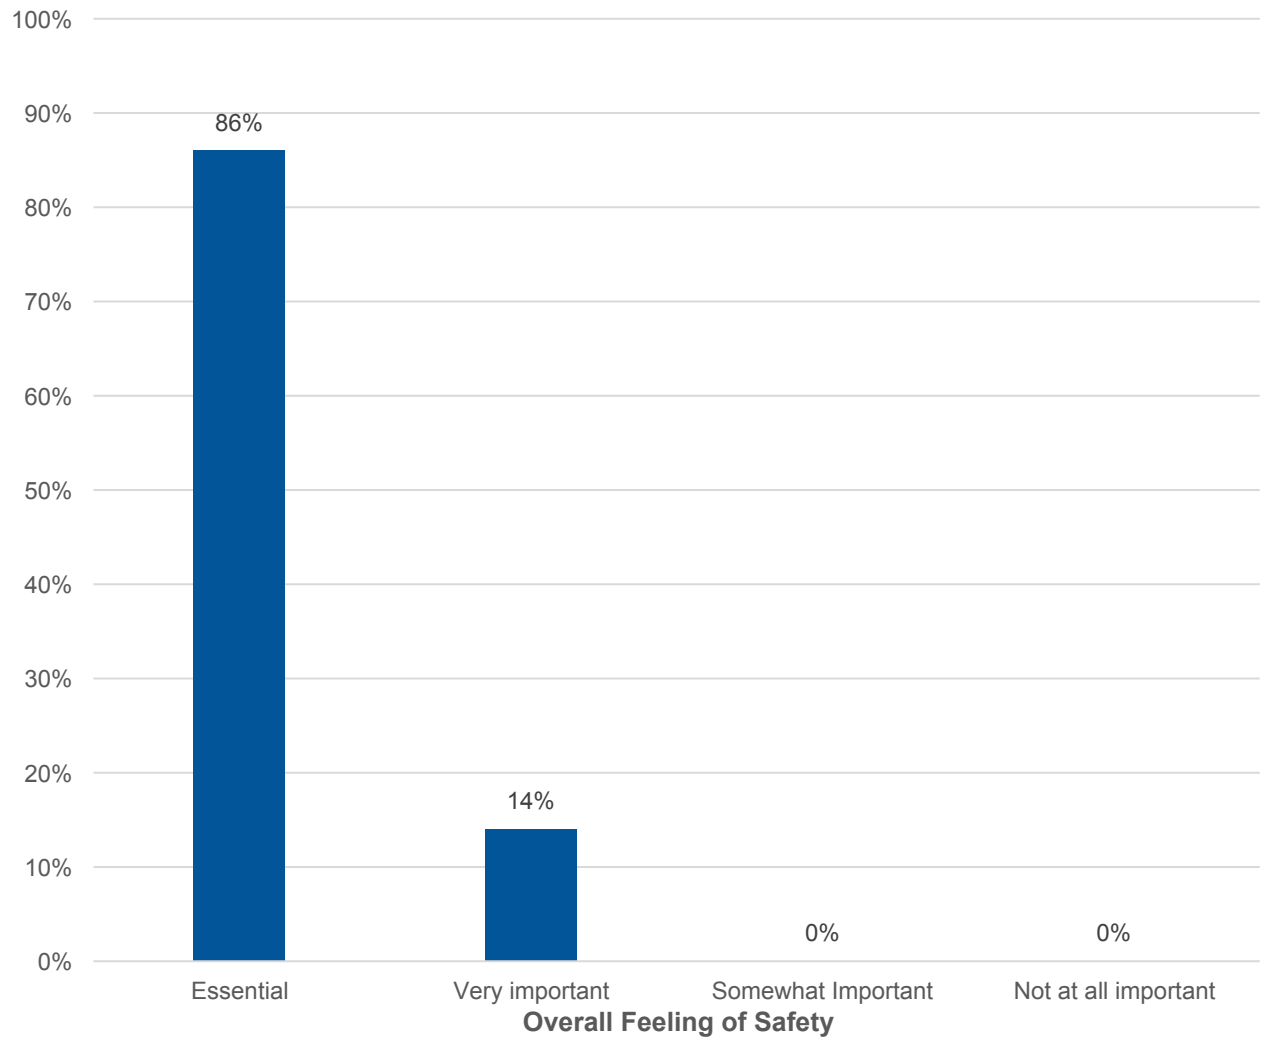

OVERALL APPROACH TO HOMELESSNESS

OVERALL QUALITY OF TRANSPORTATION

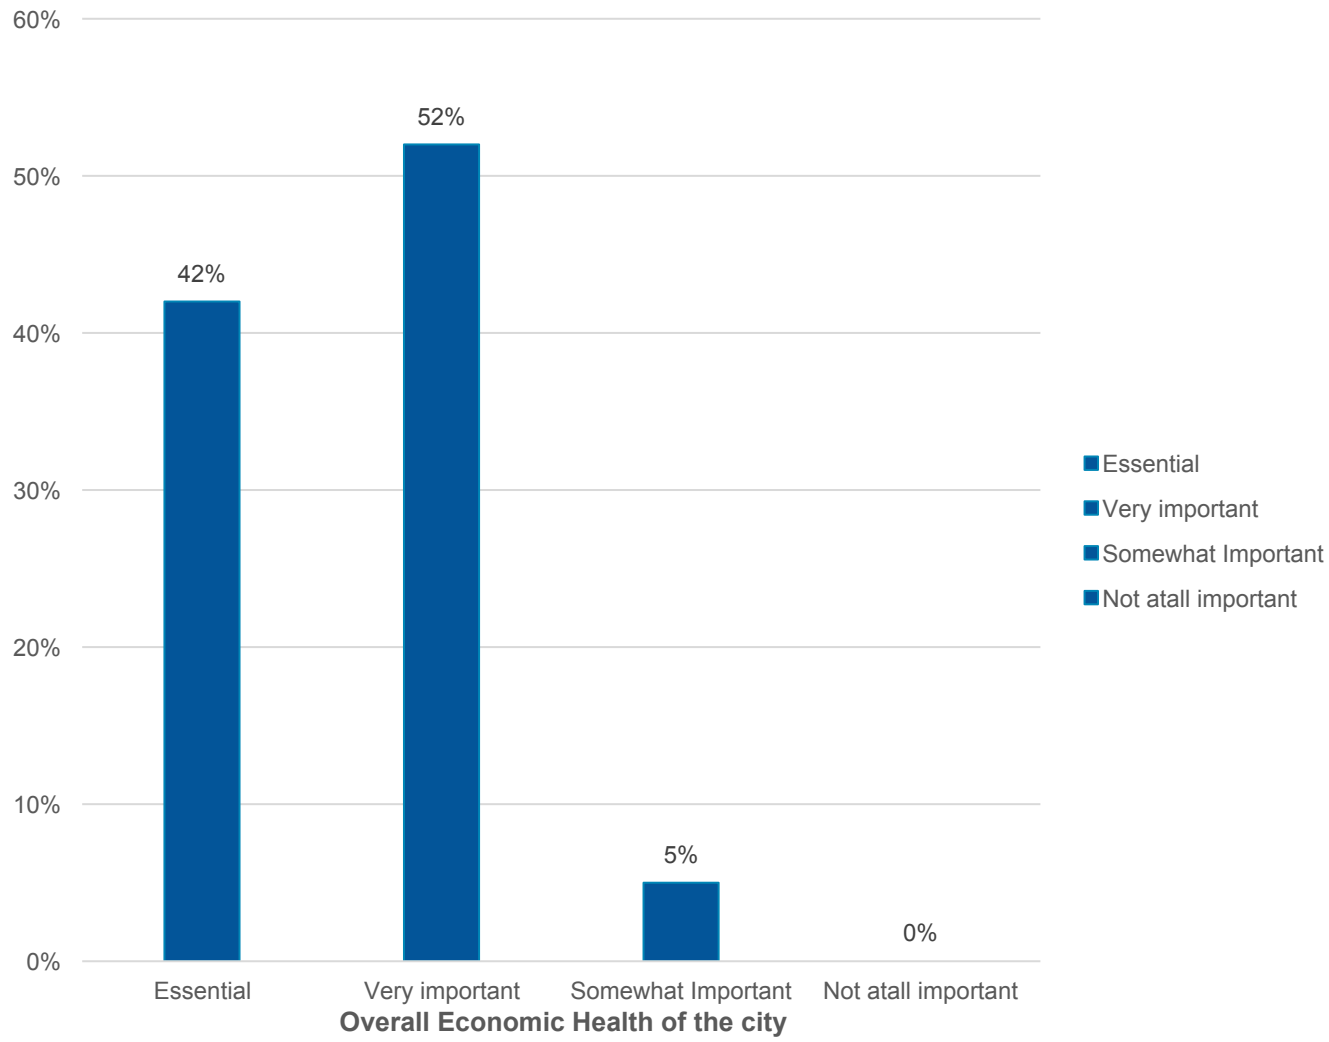

1)Overall Feeling of Safety

- Overall, 100% of people said its either essential or very important.

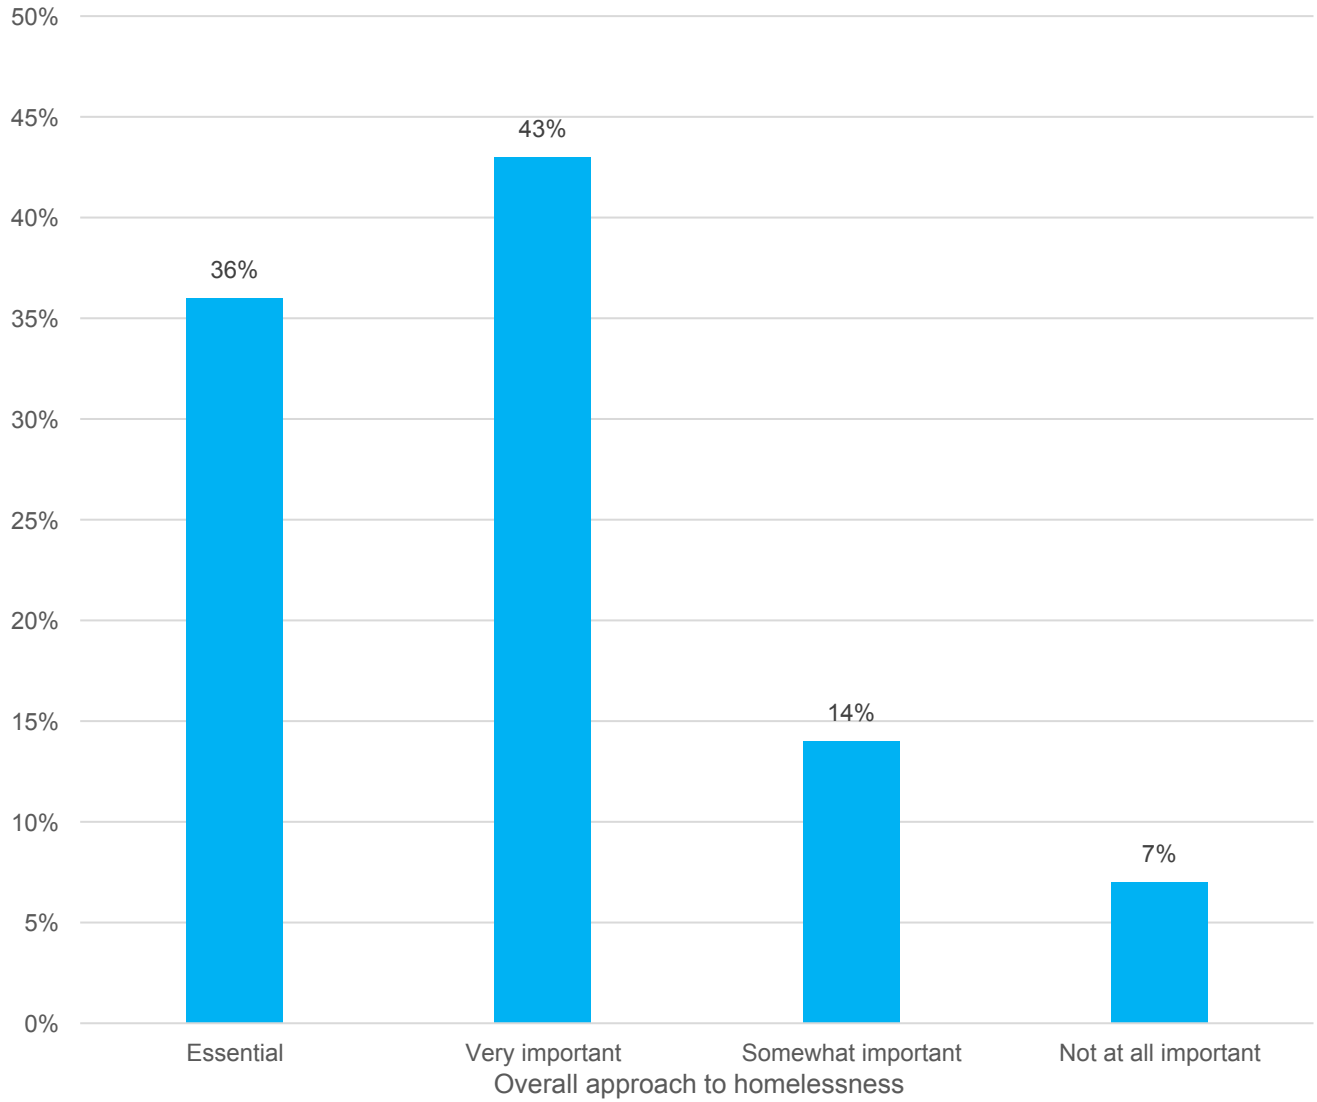

2)Overall economic health of the City(is a concern)

- Overall, 94% of people said its either essential or very important.

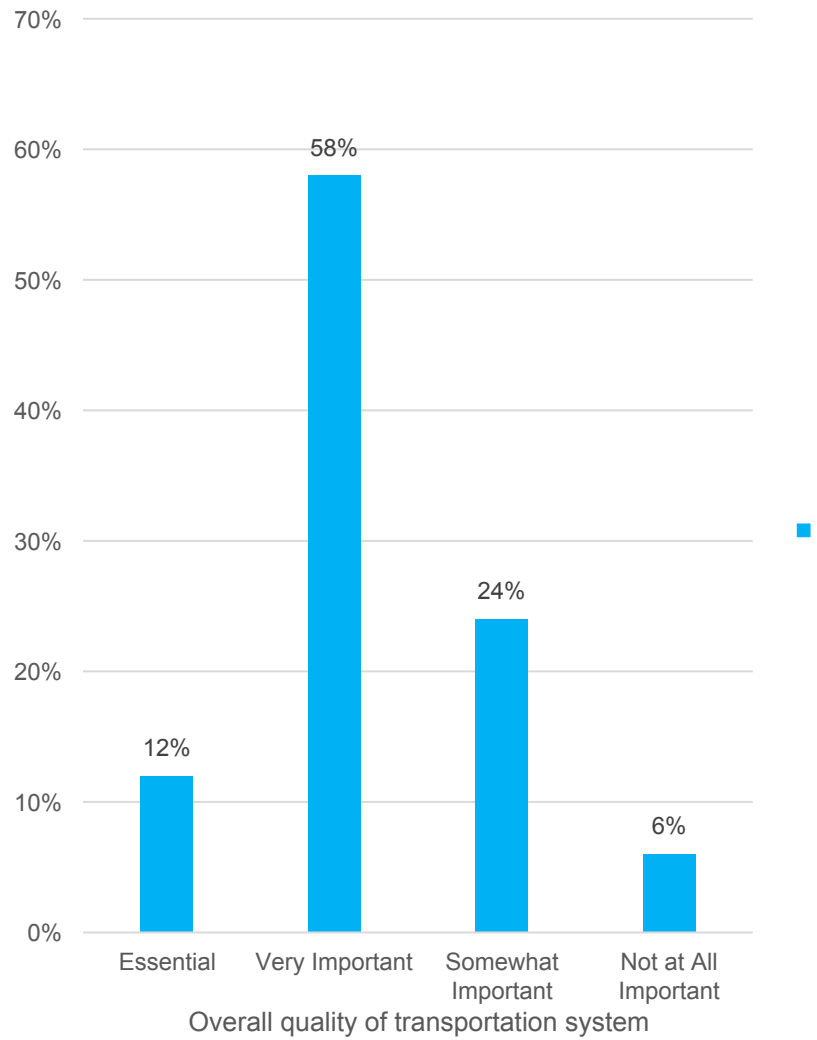

3)Overall approach to Homelessness

- Overall, 79 % said its essential or very important.

4)Overall quality of transportation system

- Overall, 70 % said its essential or very important.

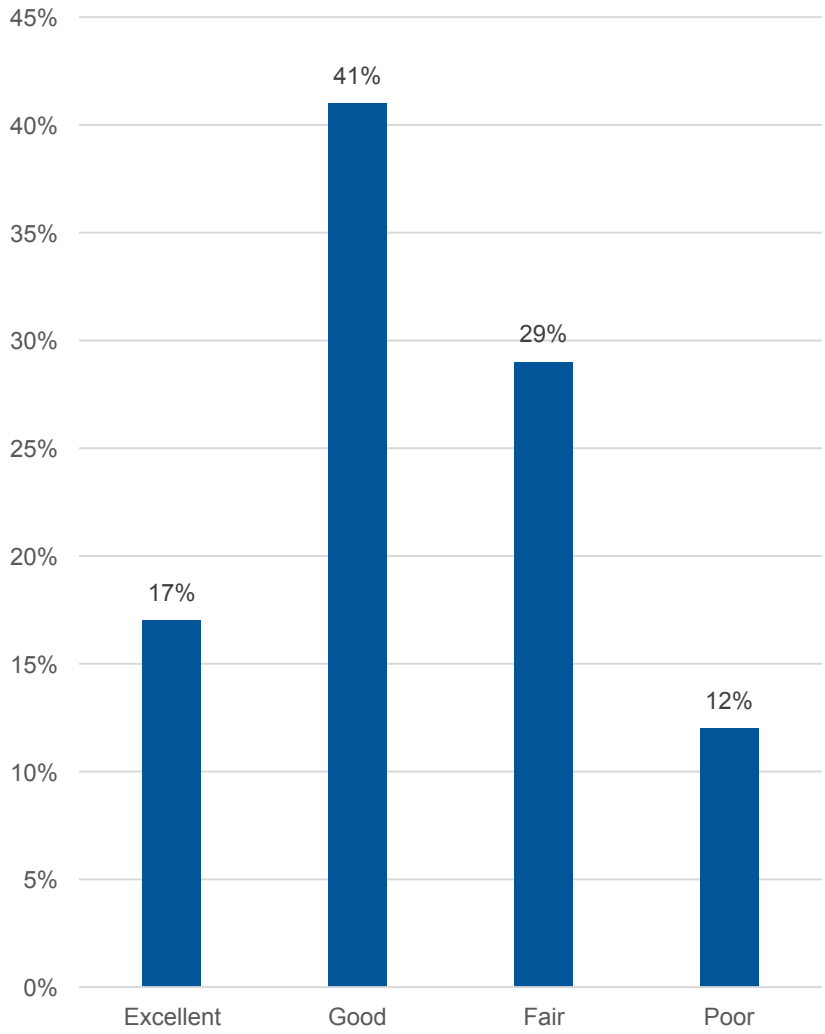

Additional Survey Results (How Residents feel about the city)

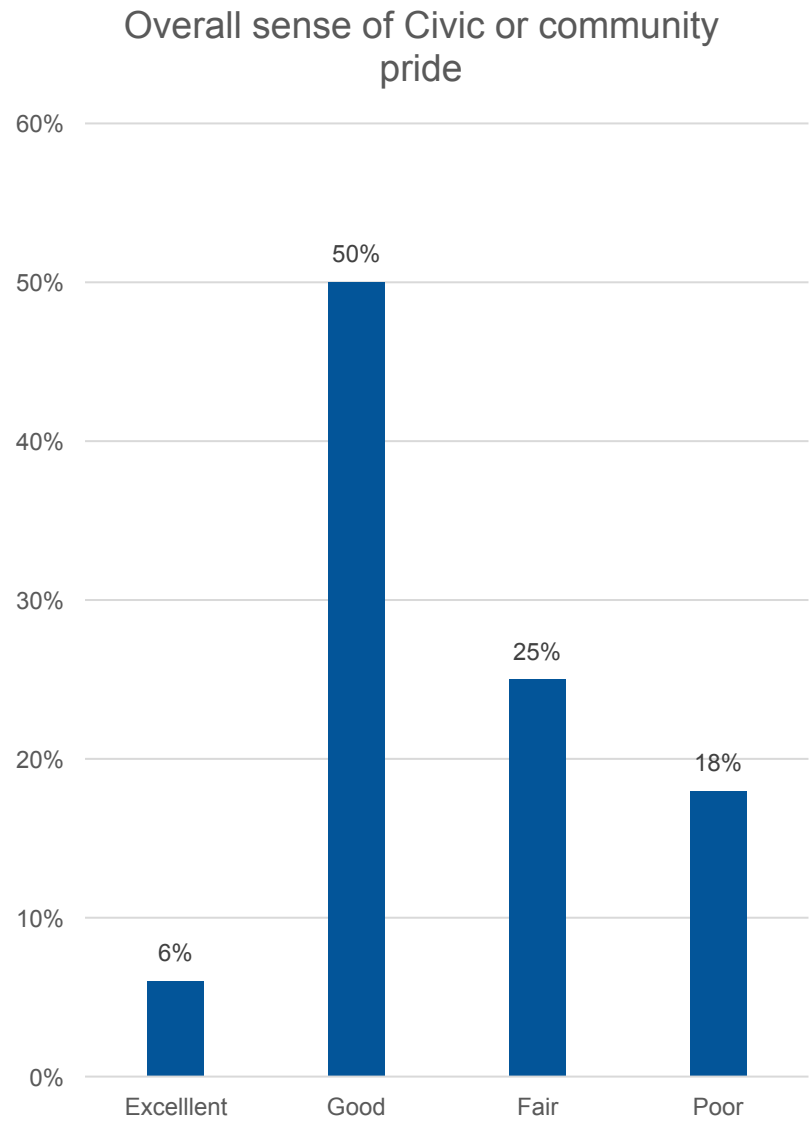

Overall quality or maintenance of parks and recreation opportunities

- Overall, 58% said its excellent or good.

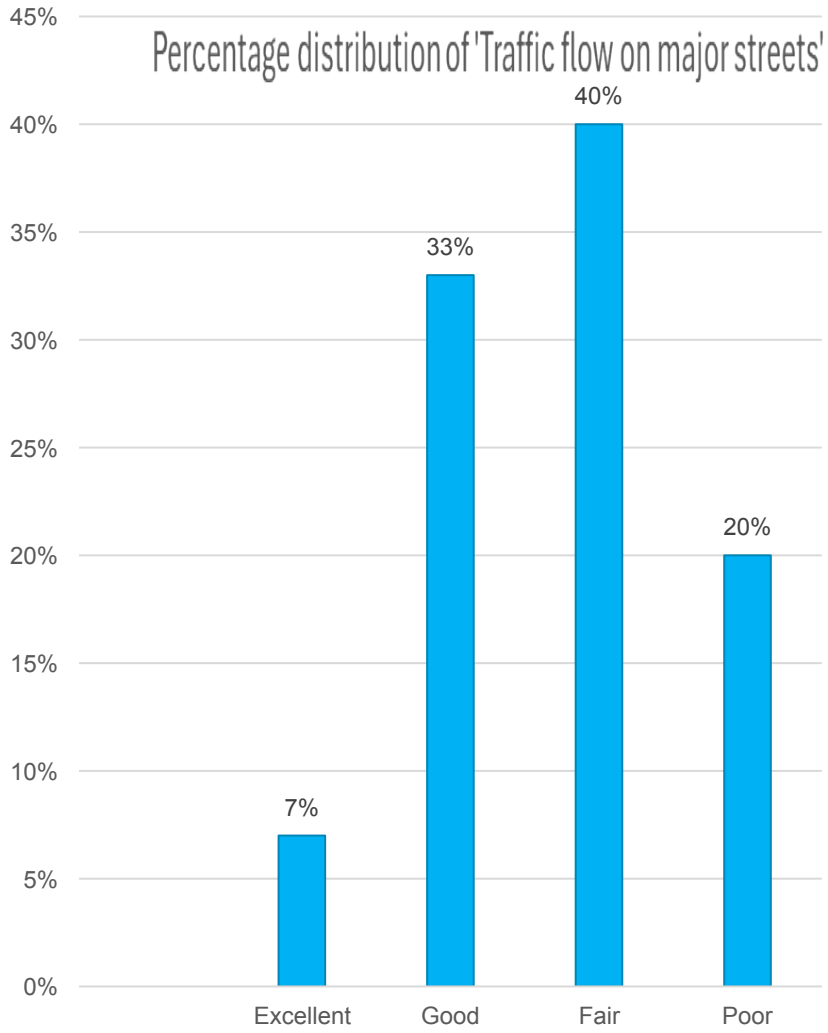

Overall sense of civic or community pride

- Overall, 56% said its excellent or good.

Overall Traffic flow on major streets

- Overall, 40% said its excellent or good.

Open Ended Questions

Open Ended Questions

What strategies could the city implement to address crime?

What strategies could the city implement to address homelessness?

What strategies could the city implement to attract businesses?

What specific businesses would you like to see in Loma Linda that aren’t currently in the city?

What strategies could the city implement to improve economic health within the city?

What other ideas could the city implement to address any other challenges the city is experiencing?

Strategies for Economic Health: Insights from community members

Urban Maintenance and Beautification: Prioritize upkeep of public spaces to enhance aesthetic appeal and community pride.

Financial Stewardship: Optimize spending by focusing on maintaining existing infrastructure rather than investing in new projects.

Enhanced Public Transportation: Expand and improve public transit networks to facilitate commuting and boost tourism.

Support for Local Businesses: Provide assistance and incentives for local businesses and restaurants to thrive and stimulate economic growth.

Strategies to Address Crime: Insights from Community Members

- Neighborhood Watches
- Increased Police Patrols
- Utilization of Technology
- Collaboration with Delivery Services
- Addressing Homelessness
- Enhanced Traffic Safety Measures
- Install traffic calming tools to improve pedestrian safety and reduce accidents
- Community Policing Initiatives

Strategies to address homelessness: insights from community members

Other ideas : addressing the city challenges

Online Reporting Platform Enhancement

- Allow residents to report problems with accompanying pictures.
- Include categories like weeds, water leaks, damaged street signs, and traffic issues.

Economic Development for Social Issues

- Boost job opportunities, especially for the elderly population.
- Recognize the link between a strong job market and reduced social issues.

Sales Tax Rate Equality

- Advocate for equal sales tax rates across the city.
- Ensure fairness and consistency in tax burdens for residents and businesses.-implementation sales tax

Traffic Safety Enforcement

- Implement safety personnel or programs like Safety Personnel League Antiforce.
- Focus enforcement efforts on areas with frequent speeding violations, especially near schools.

Community Engagement Initiatives

- Invite residents to city meetings.
- Encourage participation in decision-making processes to address city challenges effectively.

City for health and prosperity

To	From
City Council	Nicole Campbell, Associate Planner

RECOMMENDATION:

Staff recommends that the City Council:

1. **DETERMINE** that the project is Categorically Exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant Section No. 15332, (Class No. 32, In-Fill) and direct staff to file a Notice of Exemption; and,
2. **APPROVE** Tentative Tract Map No. P22-264 (Map 20467) to subdivide a 2.8-acre parcel and create nine (9) single-family residential lots, one (1) letter lot for a storm-water drainage basin, and a new public street with associated street and landscaping improvements; and,
3. **APPROVE** Precise Plan of Design No. P22-266 for the demolition of an existing single-family residence and the construction of nine (9) single-family residences each featuring its own Accessory Dwelling Unit. The project approval is based on the Findings contained in the staff report and subject to the Conditions of Approval.

BACKGROUND:

Applicant:	Alex Mucino
Property Owner:	AHD Limited Partnership
Site Area:	2.8 adjusted gross acres
Site Location:	Generally located north of Park Ave, west of Curtis Street and east of Coloma Street (APN: 0283-162-20)

Existing Land Use Designations

General Plan and Zoning District	Existing Land Use	
Site:	Low Density Residential (R-1)	Single Family Residence (To be Demolished)
North:	Commercial Manufacturing (CM)	Multi-tenant Building with various commercial and light industrial uses.
South:	Low Density Residential (R-1)	Single-Family Residences
East:	Commercial Manufacturing (CM) Low Density Residential (R-1)	Tire Shop and Single Family Residences
West:	Low Density Residential (R-1)	Single Family Residences

On March 6, 2024, Planning Commission recommended that the City Council approve Tentative Tract Map No. P22-264 (Map 20467) and Precise Plan of Design No. P22-266, a request to demolish a single-family home and develop a single-family residential subdivision, comprised of nine (9) residential lots, one (1) lettered lot, and a new public street. Planning Commission's recommendation included the following conditions of approval:

1. The Project Proponent shall provide a wall plan to the Building Division that includes a 6-foot block wall along the western property line. The wall shall be constructed using decorative material and topped with a decorative block cap.
2. The Project Proponent shall provide street improvement plans to the Public Works Department that include a 12-inch concrete landing along the western curb for pedestrians.
3. The Project Proponent shall work with Staff to include a street lighting plan to the Public Works Department that indicates additional lighting along the western property line.
4. The Project Proponent shall work with Staff to establish a drainage solution to facilitate drainage from the east adjacent property.

On April 9, the City Council continued the proposed project to the regularly scheduled City Council meeting on May 14, 2024.

ANALYSIS:

Project Description

The applicant, Alex Mucino, is requesting that the City Council review Tentative Tract Map No. P22-264 (Map No. 20467) and Precise Plan of Design (PPD) No. P22-266, a request to demolish a single-family home and develop a single-family residential subdivision, comprised of nine (9) residential lots, one (1) lettered lot, and a new public street. The site is located within the Low Density Residential (R-1) General Land Use designation and Zoning District (APN: 0283-162-20). The site will also include nine (9) accessory dwelling units that are subject to ministerial approval. The project will include associated street improvements and parkway improvements on Park Avenue.

The project site totals approximately 2.8 acres and is located on the north side of Park Avenue, east of Coloma Street. The site is currently improved with a single-family residence that is to be demolished. The site is within the Low Density Residential (R-1) General Land Use Designation and Zoning District. The intent for the Low Density Residential (R-1) Zone is to accommodate traditional single-family houses and subdivisions on relatively flat areas and to support accessory dwelling units, consistent with state law. To the south, east, and west, the site is bounded by Low Density Residential (R-1)

zoned properties developed with single family homes. The property is bounded to the north by Commercial Manufacturing (CM) zoned properties with a mix of retail, service, and light industrial uses.

Tentative Tract Map No. P22-264 (Map 20467)

The applicant is proposing a single-family residential subdivision comprising of nine (9) residential lots and one (1) lettered lot. The existing 2.8-acre lot is currently developed with a single-family residence, to be demolished. The site is mostly underdeveloped with limited vegetation cover. The nine (9) residential lots are proposed to be accessed from a cul-de-sac off Park Avenue. The lots range from 8,667 to 10,992 square feet and are proposed to front the new cul-de-sac. The lettered lot is 2,976 square-feet and is proposed to serve as drainage for the site. The proposed subdivision will accommodate nine (9) single-family homes and nine (9) accessory dwelling units. The Tentative Tract Map is consistent with the development standards of the Loma Linda Zoning Code and the subdivision standards of the Loma Linda Municipal Code.

Precise Plan of Design No. P22-266

The applicant is requesting approval of a development to include nine (9) single-family homes. The single-story homes are proposed with two floorplans. Plan A is 3,237 square-feet and includes five-bedrooms. Plan B is 2,886 square feet and includes four bedrooms with one flex room. In addition to the two floor plans, the project will achieve diversity with two architectural themes: Spanish and Craftsman. The Spanish style features tan colors with warm and natural tones. A variety of design features and materials are provided on the facades, such as arched doorways and windows, stucco exteriors, red tiled roofing, and other features appropriate to the Spanish architectural style. Two variations of the Craftsman are proposed, each including elements consistent with the Craftsman architecture such as earthy tones, tapered columns, and low- pitched gable roofs. The two styles will feature either muted blue or natural green siding to compliment the warm, earthy browns. The variety in architectural styles and colors will create diversity on the street façade and provide an architecturally and aesthetically pleasing project.

Site Access/Circulation/Parking

The site is proposed to be accessed via a proposed cul-de-sac off of Park Avenue. The cul-de-sac is proposed to serve as a new public street. Each of the nine (9) single-family homes will have a two-car garage. The applicant is proposing a sidewalk along the east side of the proposed cul-de-sac, complemented by landscaping along the west side. This sidewalk will integrate with the existing sidewalk along Park Avenue, improving pedestrian connectivity and aesthetic appeal in the neighborhood.

Grading/Walls

The grading remains consistent throughout the site. The applicant is proposing one drainage area. All runoff is proposed to flow southeast to northwest to the proposed infiltration basin located at the northwest corner of the property, in Lot A. The proposed grading adheres to the proposed drainage design. The site has a proposed CMU wall of 6-feet in height along the north and east property lines.

Consistency with the Development Code

The proposed project meets or exceeds the City’s General Plan and Development Code standards for the referenced items below.

PROPOSAL	REQUIREMENT
Land Use	
Single-Family Dwelling	Low Density (R-1) land use regulations allow for Single Family Dwellings.
Parcel Dimensions	
Lot Size: 8,667 - 10,992 Sq. Ft. Lot Width: Cul-de-sac lots: 60.6 - 61.0feet Standard Lots: 65 - 68.1 feet Lot Depth: 101.3 - 152.4 feet	Lot Size: 7,200 Sq. Ft. Lot Width: Cul-de-sac lots: 50 feet (minimum) Standard Lots: 65 feet (minimum) Lot Depth: 100 feet (minimum)
Parcel Coverage and Floor Area Ratio	
Building Coverage: 22.64 - 28.5% Floor Area: 2,886 – 3,237 sq. ft.	Building Coverage: 40% (maximum) Floor Area: 1,000 sq. ft. (minimum)
Building Setbacks	
Front: 20.8 – 34.3 feet Side: all lots comply Rear: 33.5 – 81.3 feet	Front: 20 feet (minimum) Side: 5 feet on one side and 15 feet on the other plus additional 5 feet for each story above the first (minimum) Rear: 15 feet (minimum)
Building Height	
24.4 feet	35 feet (maximum)
Parking	
2 garage spaces for every single-family unit	2 garage spaces for every single-family unit

Consistency with the General Plan

Staff has reviewed the proposed project and evaluated its consistency with applicable General Plan policies and has found that the project supports the following goals and policies of the General Plan:

Land Use Element 2.2.2.1 Guiding Policy for Residential Land Use

a. Encourage a mixture of dwelling sizes, layouts, and ownership types (consistent with the corresponding land use designation, density range, and applicable General Plan requirements), especially within large-scale residential development projects, in order to provide housing opportunities for a range of incomes and households.

b. Residential neighborhoods should exhibit a complementary variety of dwelling setbacks and placement on the lot, and lot patterns that reflect the existing topography.

c. Where residential infill development is proposed, ensure that the density is compatible with the existing residential neighborhood.

h. Require that all new detached single-family residences shall have a minimum lot size of 7,200 SF regardless of the underlying land use designation or zone.

i. Unless specifically exempted from the applicable provisions of Measure V, require that all residential structures, including the residential portion of any mixed-use structure containing residential dwelling units, be no greater than 35 feet in height.

Housing Element Goal 1

Policy 1.1 Provide a range of housing types and unit sizes to meet the needs of households with varying income ranges and in all life stages.

FINDINGS:

Tentative Tract Map Findings:

Pursuant to Subdivision Map Act, Section 66474, a tract map shall be approved if the following applicable Findings can be made:

Finding No. 1:	**That the proposed map is consistent with the applicable general plan and zoning designation.**
Finding of Fact:	The project site is located within the Low Density Residential General Land Use Designation and Single Family Residential (R-1) Zoning District. The applicant is proposing a residential subdivision that subdivides one lot into nine residential lots and one lettered lot. The General Plan land use designation and Zoning District allows for detached single-family housing with density ranging from 0-4 dwelling units per acre. The density, size, and configuration of lots as proposed for Map 20467 are consistent with the goals and policies of the General Plan's Low Density Residential Land Use Designation and meets or exceeds the requirements of the Single-Family Residential Zone (R-1) and Measure V.
Finding No. 2:	**The site is physically suitable for the type and density of development proposed.**
Finding of Fact:	The project site of approximately 2.8 acres is an adequate size to accommodate the proposed single-family dwellings, off-site improvements, and landscaping. The area surrounding the site is developed with similarly sized single-family homes. The project is able to integrate with the already established roadways, infrastructure, and utilities, while contributing to the overall coherence of the development within the neighborhood. The Low Density Residential General Land Use Designation and Single Family Residential (R-1) Zoning District allows for a density of 0-4 dwelling units per acre. The subject site is approximately 2.8 acres, allowing for a maximum potential of 11 dwelling units. The applicant is proposing 9 single-family residences, which falls within the permitted range. Planning, Building and Safety, Public Works and Fire Prevention have reviewed the proposed project for site circulation, access, design, and safety.
Finding No. 3:	**The design of the subdivision and the proposed improvements is not likely to cause substantial environmental damage or substantially and unavoidably injure fish and wildlife or their habitat.**
Finding of Fact:	The review of the proposed project indicates that the design of the proposed improvements would not cause substantial environmental damage or substantially and unavoidably injure fish and wildlife or their habitat.
Finding No. 4:	**The design of the subdivision and proposed improvements is not likely to cause serious public health problems.**
Finding of Fact:	The proposed tentative tract map and associated improvements is not likely to cause serious public health problems. The proposed project will be built pursuant to all applicable building, zoning, fire codes, and standards which will result in an appropriate, safe, and desirable development. The conditions of approval referenced herein shall promote the public health, safety, and welfare of the community.
Finding No. 5:	**The design of the proposed subdivision and improvements will not conflict with easements.**
Finding of Fact:	As proposed, the project and associate improvements do not conflict with easements. There are no existing or proposed easements on the subject site.

Precise Plan of Design Findings:

Finding No. 1:	**The proposal complies with the provisions within the Municipal Code and is consistent with the general plan and any applicable specific plan.**
Finding of Fact:	The project site is located within the Low Density Residential (R-1) General Land Use Designation and Zoning District. The R-1 Zone is intended to accommodate single-family homes and subdivisions. The applicant is proposing to subdivide one parcel into nine residential lots and one (1) lettered lot to develop 9 single-family homes. Single-family residences are permitted within the R-1 Zone as a matter of right. The proposed project is consistent with the intent of the General Plan and the requirements of the Development Code.
Finding No. 2:	**The site layout and design is of high quality, architecturally and aesthetically pleasing, and is compatible with the character of the neighborhood and general community.**
Finding of Fact:	The proposed site plan complies with all applicable zoning and development standards and requirements. The site layout is well designed with sufficient parking, thoughtful landscaping, spacious lots, and proper drainage. These aspects contribute to the overall functionality and appeal of the site. This development will be a more efficient use of the existing underdeveloped site and an improvement to the surrounding neighborhood. The proposed Spanish and Craftsman architectural styles are harmonious with the character of the neighboring areas and indicates attention to detail and aesthetics. The proposed project will resonate positively with the community and offer an appealing living environment.
Finding No. 3:	**The proposal will result in an efficient, safe, and desirable project that is not materially detrimental to public health, safety, or welfare, or injurious to persons, property, or improvements in the vicinity and zoning district in which the property is located.**
Finding of Fact:	The proposed residential subdivision has been reviewed by Planning, Building and Safety, and Fire Prevention, ensuring it meets or exceeds all requirements. The proposed project has been reviewed for site circulation, access, design and safety. The proposed project, alongside the outlined conditions of approval will result in a project that is efficient, safe, and desirable for the subject site and the surrounding areas.
Finding No. 4:	**That the project will not be detrimental to the harmonious and orderly growth of the City.**
Finding of Fact:	The proposed residential subdivision and nine single-family residences is beneficial to the harmonious and orderly growth of the City. The proposed project expands the City's residential options by offering nine well-designed dwellings on generously sized lots. This development contributes to the City's growth while harmoniously integrating into the existing single-family housing area. A traffic study was prepared and concluded that the proposed project will not result in significant traffic impacts. The design of the project blends with the neighborhood's character and contributes to the growth of the City.

MEASURE V COMPLIANCE:

On November 15, 2023, Ganddini Group, Inc. prepared a Traffic Impact Analysis to evaluate the transportation impacts of the proposed project, in compliance with Measure V. The City of Loma Linda General Plan Policy 6.10.1.a and Measure V require that the Level of Service (LOS) resulting from the project should be maintained at LOS C or better, except where the current level of service is lower than LOS C. The study concludes that the intersections analyzed currently operate at LOS C or better and are forecast to continue operating at LOS C or better upon completion of the project. Therefore, no off-site improvements are necessary for compliance with Measure V requirements.

CALIFORNIA ENVIRONMENTAL QAULITY ACT (CEQA) STATUS:

The proposed project qualifies for a Categorical Exemption pursuant to Section No. 15332 (Class No. 32, In-Fill Development Project) of the California Environmental Quality Act (CEQA). The subject site is considered In-Fill Development and meets the CEQA requirements of In-Fill: (a) The proposed project is consistent with the Low Density Residential General Land Use Designation and Single Family Residential (R-1) Zoning District and regulations; (b) The subject site occurs within City limits and is less than five acres; (c) The project site is not within any known sensitive or threatened habitat area; (d) The project site will not have any significant effect related to traffic, noise, air quality, or water quality; and (e) There are adequate public utilities services for the development of the proposed single-family subdivision. A Notice of Exemption will be filed upon approval of the project.

PUBLIC COMMENTS:

The public notice for this project was duly posted on March 28, 2024 in three public places (City Hall, library, post office) and mailed to the owners of property within a radius of 300 feet of the exterior boundaries of the subject property as required by State law. Additionally, the notice was made available on the City's website.

The following members of the public spoke at the Planning Commission Meeting on March 6, 2024:

- Susan Monenero, a Loma Linda resident, spoke on parking and traffic concerns.
- Jose Meija, a Loma Linda resident, spoke in favor of the project and the addition of housing.
- Bob Stewart, a Loma Linda property owner, provided written and verbal comments mostly related to drainage.
- Michael Stewart, a Loma Linda resident, spoke in opposition of the proposed project.

These comments were discussed and addressed by the Planning Commission, Staff, and the applicant.

On March 31, 2024, Susan Montenero, surrounding property owner, emailed the City with Concerns regarding parking and traffic. Staff replied and assured the resident that a traffic study was conducted. The study concluded that the proposed project would not result in significant delays and no additional off-site improvements were necessary. In regard to parking, the proposed projects meets the City requirement. On April 4, 2024, Ms. Montenero dropped off a petition form with 32 signatures. See Attachment H - Public Comments.

On April 5, 2024,Rohit and Navnit Desai, surrounding property owners, emailed the City in support of the added condition of approval for drainage solutions.

On April 8, 2024, Bob Stewart, surrounding property owner, provided staff with a letter in support of the conditions of approval proposed by Planning Commission.

As of the publishing date on this report, there have been no additional written or oral comments received in opposition or in favor of the proposed project.

FINANCIAL IMPACT:

Action on this item does not have any immediate impact on the City's General Fund. Development fees will be due upon building permit issuance.

CONCLUSION:

Based on the information in the staff report, Staff recommends that the City Council determine that Tentative Tract Map No. P22-264 (Map 20467) and Precise Plan of Design No. P22-266 are Categorically Exempt from the requirements of CEQA and approve the project, a request to develop a single-family residential subdivision, comprised of nine (9) residential lots and one (1) lettered lot.

1-BEDROOM:	738 SF MAX (ADU A)	
2+ BEDROOM:	955 SF MAX (ADU B)	

17.110.060 DEVELOPMENT STANDARDS.
DESIGN—GENERAL. THE EXTERIOR OF AN ACCESSORY DWELLING UNIT AND/OR JUNIOR ACCESSORY DWELLING UNIT ESTABLISHED BY THIS CHAPTER SHALL MATCH THE ARCHITECTURAL STYLE, COLORS, FINISH MATERIALS, ROOF PITCH AND EAVE DEPTH, WINDOWS, DOORS, TRIM, HARDWARE, LIGHT FIXTURES OF THE PRIMARY DWELLING ON THE PARCEL; AND SHALL COMPLY WITH ANY OBJECTIVE DESIGN STANDARDS ADOPTED BY THE CITY THAT ARE APPLICABLE TO THE ZONE IN WHICH IT IS LOCATED.

17.32.030 DEVELOPMENT STANDARDS
A. GENERAL. NEW LAND USES AND STRUCTURES, AND ALTERATIONS TO EXISTING LAND USES AND STRUCTURES, SHALL BE DESIGNED, CONSTRUCTED, AND/OR ESTABLISHED IN COMPLIANCE WITH THE REQUIREMENTS SPECIFIED IN TABLES 2-2 AND 2-3, IN ADDITION TO THE GENERAL DEVELOPMENT STANDARDS (E.G., LANDSCAPING, PARKING AND LOADING, ETC.) AND LAND USE STANDARDS SPECIFIED ELSEWHERE IN THIS TITLE, INCLUDING THE APPLICABLE REQUIREMENTS OF CHAPTER 17.115 (OBJECTIVE DESIGN STANDARDS). STANDARDS FOR ACCESSORY STRUCTURES ARE SPECIFIED IN CHAPTER 17.10 (ACCESSORY BUILDINGS) AND IN THE NOTES IN TABLE 2-2. STANDARDS FOR ACCESSORY DWELLING UNITS AND JUNIOR ACCESSORY DWELLING UNITS ARE SPECIFIED IN CHAPTER 17.110 (ACCESSORY DWELLING UNITS AND JUNIOR ACCESSORY DWELLING UNITS).
B. PROHIBITION ON STRUCTURES IN FRONT SETBACK AREA. PORTIONS OF ANY HABITABLE STRUCTURE AND/OR ACCESSORY STRUCTURE SHALL NOT OCCUPY ANY PORTION OF A REQUIRED FRONT SETBACK AREA, EXCEPT AS PROVIDED IN SECTION 17.08.050 (PERMITTED PROJECTIONS).

NOTES:
1. GARAGE ENTRANCES SHALL FACE SIDE PARCEL LINES ON ALL PARCELS HAVING FRONT SETBACKS OF LESS THAN 25 FEET. THE MINIMUM GARAGE SETBACKS SHALL BE 20 FEET MEASURED FROM THE FACE OF THE GARAGE DOOR TO THE FRONT PROPERTY LINE.
2. ALL FRONT SETBACKS IN A SUBDIVISION SHALL AVERAGE A MINIMUM OF NOT LESS THAN 25 FEET.
3. NO PORTION OF A SECOND STORY WALL SHALL BE CLOSER THAN 10 FEET TO THE PROPERTY LINE. IF THE GREATER SIDE SETBACK HAS AN UNOBSTRUCTED GRADED AREA ON THAT SIDE INTENDED FOR GARAGE USE SUITABLE FOR VEHICLE PARKING, A SIDE SETBACK AT THE GROUND FLOOR MAY BE ALLOWED HAVING A MINIMUM DIMENSION FROM THE STRUCTURE TO THE PROPERTY LINE OF 10 FEET OPEN FROM GROUND TO SKY. EAVES MAY NOT ENCROACH WITHIN THE 10 FOOT CLEAR DIMENSION. THE SECOND STORY ON THIS GREATER SIDE SHALL CONTINUE TO HAVE A MINIMUM OF A 15 FOOT SETBACK.
4. CARPORT STRUCTURES MAY BE ALLOWED ON SIDE PROPERTY LINES TO NOT LESS THAN FIVE FEET FROM THE REAR PROPERTY LINES. THE STRUCTURES SHALL BE FIRE RATED IN COMPLIANCE WITH THE UNIFORM BUILDING CODE AND MAY BE REQUIRED TO BE SCREENED FOR AESTHETIC PURPOSES. NO STRUCTURE SHALL BE ALLOWED WITHIN THE FRONT SETBACK OR EXTERIOR SIDE SETBACK ON CORNER PARCELS OR WITHIN 15 FEET OF AN EXTERIOR SIDE (STREET SIDE) PROPERTY LINE WITHIN THE REAR SETBACK OF CORNER PARCELS. ALL CARPORT STRUCTURES SHALL BE SUBJECT TO THE REVIEW OF THE DIRECTOR.
5. ACCESSORY STRUCTURES. ACCESSORY STRUCTURES BOTH ATTACHED AND DETACHED SHALL BE ALLOWED UNDER THE SAME STANDARDS AS THE MAIN STRUCTURES, EXCEPT THAT DETACHED ONE-STORY ACCESSORY STRUCTURES MAY HAVE A REAR SETBACK OF 5 FEET. ATTACHED PATIOS WHICH ARE COMPLETELY UNENCLOSED, EXCEPT FOR FULLY VENTILATED SCREENING, MAY COME TO WITHIN NOT LESS THAN 5 FEET OF THE REAR PROPERTY LINE.
6. DENSITY DESIGNATION. THE ORDINANCE ESTABLISHING ANY RESIDENTIAL ZONE MAY CONTAIN A NUMBER SUFFIXED WITH THE ZONE SYMBOL. THE NUMBER SHALL BE THE NUMBER OF SQUARE FEET OF TOTAL PARCEL AREA ALLOCATED TO EACH DWELLING UNIT. THE DESIGNATION MAY BE INDICATED ON THE ZONING MAP (E.G., R-2-3000, R-2-3600). THE DESIGNATION SHALL NOT EXCEED THE DENSITY SPECIFIED IN THE GENERAL PLAN.
7. VOID
8. VOID
9. VOID
10. VOID
11. VOID
12. VOID
13. LANDSCAPING. ANY PART OF A DEVELOPED PARCEL THAT IS VISIBLE FROM THE STREET, INCLUDING TURF ON SEPARATED PARKWAYS, SHALL BE LANDSCAPED IN COMPLIANCE WITH SECTION 17.02.215 (LANDSCAPING). ON A NATURAL SLOPE, THE SLOPE MAY BE LEFT IN ITS NATURAL CONDITION OR AS OTHERWISE REQUIRED; HOWEVER, A MANUFACTURED SLOPE SHALL BE LANDSCAPED. ALL LAWNS, YARDS, AND GARDENS VISIBLE FROM THE STREET SHALL BE MAINTAINED IN A MANNER WHICH CREATES A NEAT, CLEAN, AND ORDERLY APPEARANCE AND WHICH PREVENTS VISUAL BLIGHT AND PROPERTY DETERIORATION. PRUNING, MOWING AND EDGING OF LAWNS, WEEDING, REMOVAL OF LITTER, FERTILIZING, AND REGULAR WATERING OF ALL PLANTINGS ARE EXAMPLES OF PROPER MAINTENANCE. ALL DEAD PLANTS SHALL BE REPLACED. LANDSCAPING SHALL BE MAINTAINED BY THE PROPERTY OWNER OR ANY OCCUPANT OR PERSON IN CHARGE OR CONTROL OF THE SUBJECT PROPERTY.
14. MINIMUM FLOOR AREA. FOR PURPOSES OF THIS SECTION, ANY SEPARATELY ENCLOSED, HABITABLE ROOM SHOWN ON A SUBMITTED FLOOR PLAN SHALL BE CONSIDERED A BEDROOM REGARDLESS OF DESIGNATION AS A "DEN," "FAMILY ROOM," "STUDY," OR SIMILAR ROOM. NO BALCONY, PATIO, PORCH, OR SIMILAR FEATURE SHALL BE CONSIDERED IN DETERMINING UNIT FLOOR AREA.
15. PROJECT SHALL COMPLY WITH LOMA LINDA CONNECTED COMMUNITY PROGRAM (LLCCP)

ADU STANDARDS

17.110.030 STATUTORY REQUIREMENT AND MANDATORY APPROVAL.

AN ACCESSORY DWELLING UNIT OR JUNIOR ACCESSORY DWELLING UNIT SHALL BE APPROVED MINISTERIALLY PROVIDED ALL APPLICABLE REQUIREMENTS OF THIS CHAPTER ARE MET. HOWEVER, IN NO CASE SHALL ANY REQUIREMENTS FOR LOT COVERAGE, FLOOR AREA RATIO, OPEN SPACE, MINIMUM LOT SIZE, ANY OTHER REQUIREMENTS OF THIS CHAPTER; OR ANY PROVISIONS CONTAINED ELSEWHERE IN TITLE 17 (ZONING) BE INTERPRETED OR IMPLEMENTED IN ANY MANNER THAT WOULD PRECLUDE THE DEVELOPMENT OF:

A. ACCESSORY DWELLING UNIT. ANY ACCESSORY DWELLING UNIT THAT IS UP TO 800 SF IN SIZE, WHICH HAS AN OVERALL HEIGHT ABOVE GRADE OF NO MORE THAN 16'-0", AND PROVIDES MINIMUM 4'-0" SIDE AND REAR YARD SETBACKS.

17.110.040 PERMITTED ZONES.

A. SINGLE-FAMILY ZONES. AN ACCESSORY DWELLING UNIT AND/OR A JUNIOR ACCESSORY DWELLING UNIT SHALL BE PERMITTED IN CONFORMANCE WITH THE REQUIREMENTS OF THIS CHAPTER IN ALL ZONING DISTRICTS ALLOWING SINGLE-FAMILY DEVELOPMENT, ON PARCELS DEVELOPED WITH EXISTING SINGLE-FAMILY DWELLINGS, OR IN CONJUNCTION WITH A PROPOSED SINGLE-FAMILY DWELLING.

17.110.050 NUMBER AND TYPES OF UNITS ALLOWED.

A. SINGLE-FAMILY ACCESSORY DWELLING UNIT. A PARCEL DEVELOPED WITH ONE EXISTING OR PROPOSED SINGLE-FAMILY DWELLING THAT IS LOCATED WITHIN A ZONING DISTRICT PERMITTING RESIDENTIAL USES, SHALL BE PERMITTED TO ESTABLISH ONE ACCESSORY DWELLING UNIT BY ONE OF THE FOLLOWING MEANS:
   1. AS A UNIT ATTACHED TO AN EXISTING OR PROPOSED SINGLE-FAMILY DWELLING.
   2. AS A NEW DETACHED STRUCTURE.
   3. N/A
   4. N/A
   5. N/A
B. SINGLE-FAMILY JUNIOR ACCESSORY DWELLING UNIT (N/A)
C. UNIT COMBINATION LIMIT FOR SINGLE-FAMILY. THE NUMBER AND COMBINATION OF UNITS WHERE A PARCEL IS DEVELOPED WITH ONE EXISTING OR PROPOSED SINGLE-FAMILY DWELLING IS LIMITED TO EITHER:
   1. ONE ATTACHED ACCESSORY DWELLING UNIT WITHIN THE EXISTING OR PROPOSED SPACE OF A SINGLE-FAMILY DWELLING OR ACCESSORY STRUCTURE, PLUS ONE JUNIOR ACCESSORY DWELLING UNIT; OR
   2. ONE DETACHED ACCESSORY DWELLING UNIT CONSTRUCTED IN CONFORMANCE WITH ALL APPLICABLE DEVELOPMENT STANDARDS OF THIS CHAPTER, PLUS ONE JUNIOR ACCESSORY DWELLING UNIT.
D. MULTIFAMILY ACCESSORY DWELLING UNITS (N/A)
E. UNIT LIMITATION FOR MULTIFAMILY (N/A)

17.110.060 DEVELOPMENT STANDARDS.

THE DEVELOPMENT STANDARDS OF THE ZONE IN WHICH AN ACCESSORY DWELLING UNIT OR JUNIOR ACCESSORY DWELLING UNIT IS LOCATED SHALL APPLY UNLESS SPECIFICALLY MODIFIED BY THE PROVISIONS WITHIN THIS CHAPTER AND AS FOLLOWS:

A. DESIGN—GENERAL. THE EXTERIOR OF AN ACCESSORY DWELLING UNIT AND/OR JUNIOR ACCESSORY DWELLING UNIT ESTABLISHED BY THIS CHAPTER SHALL MATCH THE ARCHITECTURAL STYLE, COLORS, FINISH MATERIALS, ROOF PITCH AND EAVE DEPTH, WINDOWS, DOORS, TRIM, HARDWARE, LIGHT FIXTURES OF THE PRIMARY DWELLING ON THE PARCEL; AND SHALL COMPLY WITH ANY OBJECTIVE DESIGN STANDARDS ADOPTED BY THE CITY THAT ARE APPLICABLE TO THE ZONE IN WHICH IT IS LOCATED.

INSPECTION REQUIREMENTS

1. LOMA LINDA SITE INSPECTIONS ARE REQUIRED FOR THIS PROJECT. PLEASE SCHEDULE ALL FIELD INSPECTIONS AT LEAST 48 HOURS IN ADVANCE. INSPECTIONS CANCELED AFTER 1 P.M. ON THE DAY BEFORE THE SCHEDULED DATE WILL BE SUBJECT TO A RE-INSPECTION FEE. CALL FIRE INSPECTOR (909) 799-2859 AND FIRE MARSHAL 909-799-2853 TO SCHEDULE AN INSPECTION. MONDAY THROUGH THURSDAY FROM 7AM TO 5PM.
2. A LUMBER DROP INSPECTION SHALL BE PERFORMED PRIOR TO BRINGING COMBUSTIBLE MATERIALS (OR COMBUSTIBLE FIXTURES AND FINISHES FOR STRUCTURES OF NON-COMBUSTIBLE CONSTRUCTION). ALL-WEATHER ACCESS ROADS CAPABLE OF SUPPORTING 75,000 LBS., TOPPED WITH ASPHALT, CONCRETE, OR EQUIVALENT SHALL BE IN PLACE AND HYDRANTS OPERATIONAL AT TIME OF LUMBER DROP INSPECTION.
3. FOR PROJECTS WITH FUEL MODIFICATION, A VEGETATION CLEARANCE INSPECTION IS REQUIRED PRIOR TO A LUMBER DROP INSPECTION. USE THE FUEL MODIFICATION PLAN SERVICE REQUEST NUMBER TO SCHEDULE THE VEGETATION CLEARANCE INSPECTION.
4. PHASED INSTALLATION OF FIRE ACCESS ROADS REQUIRES ADDITIONAL INSPECTIONS NOT COVERED BY THE FEES PAID AT PLAN SUBMITTAL. CALL FIRE INSPECTOR (909) 799-2859 AND FIRE MARSHAL 909-799-2853 TO SCHEDULE AN INSPECTION TO ARRANGE FOR ADDITIONAL INSPECTIONS THAT MAY BE NEEDED AND ANY FEES THAT MAY BE DUE.
5. AN ORIGINAL APPROVED, SIGNED, WET-STAMPED LOMA LINDA FIRE ACCESS & WATER PLAN SHALL BE AVAILABLE ON-SITEAT TIME OF INSPECTION.
6. ACCESS ROADS AND HYDRANTS SHALL BE MAINTAINED AND REMAIN CLEAR OF OBSTRUCTIONS AT ALL TIMES DURING AND AFTER CONSTRUCTION. AREAS WHERE PARKING IS NOT PERMITTED SHALL BE CLEARLY IDENTIFIED AT ALL TIMES. OBSTRUCTION OF FIRE LANES AND HYDRANTS MAY RESULT IN CANCELLATION OR SUSPENSION OF INSPECTIONS.
7. TEMPORARY FUEL TANKS OF 60 OR MORE GALLONS SHALL BE REVIEWED, INSPECTED, AND PERMITTED BY THE LOMA LINDA FIRE DEPARTMENT, CITY OF LOMA LINDA PRIOR TO USE.
8. THE PROJECT ADDRESS SHALL BE CLEARLY POSTED AND VISIBLE FROM THE PUBLIC ROAD DURING CONSTRUCTION.
9. ALL GATES IN CONSTRUCTION FENCING SHALL BE EQUIPPED WITH EITHER A KNOX OR BREAKAWAY PADLOCK.
10. BUILDINGS OF FOUR OR MORE STORIES SHALL BE PROVIDED WITH STAIRS AND A STANDPIPE BEFORE REACHING 40 FEET IN HEIGHT.

GENERAL REQUIREMENTS

11. FIRE LANE WIDTHS SHALL BE MEASURED FROM TOP FACE OF THE CURB TO TOP FACE OF THE CURB FOR FIRE LANES WITH STANDARD CURBS AND GUTTERS AND FROM FLOW-LINE TO FLOW-LINE FOR FIRE LANES WITH MODIFIED CURB DESIGNS (E.G., ROLLED, RAMPED, ETC.). THE DEVELOPER IS RESPONSIBLE TO VERIFY THAT ALL APPROVED PUBLIC WORKS OR GRADING DEPARTMENT STREET IMPROVEMENT PLANS OR PRECISE GRADING PLANS CONFORM TO THE MINIMUM STREET WIDTH MEASUREMENTS PER THE APPROVED LOMA LINDA FIRE DEPARTMENT ACCESS & WATER PLAN AND STANDARDS IDENTIFIED IN LOMA LINDA FIRE PREVENTION BUREAU ACCESS & WATER GUIDELINE FOR ALL PORTIONS OF THE FIRE ACCESS ROADS.
12. PERMANENT, TEMPORARY, AND PHASED EMERGENCY ACCESS ROADS SHALL BE DESIGNED AND MAINTAINED TO SUPPORT AN IMPOSED LOAD OF 75,000 LBS. AND SURFACED TO PROVIDE ALL-WEATHER DRIVING CAPABILITIES.
13. FIRE LANE SIGNS AND RED CURBS SHALL MEET THE SPECIFICATIONS SHOWN IN LOMA LINDA FIRE PREVENTION BUREAU ACCESS & WATER GUIDELINE AND SHALL BE INSTALLED AS DESCRIBED THEREIN. ADDITIONAL FIRE LANE MARKINGS MAY BE REQUIRED AT THE TIME OF INSPECTION DEPENDING ON FIELD CONDITIONS.
14. ALL FIRE HYDRANTS SHALL HAVE A "BLUE REFLECTIVE PAVEMENT MARKER" INDICATING THEIR LOCATION PER THE LOMA LINDA STANDARD. ON PRIVATE PROPERTY MARKERS ARE TO BE MAINTAINED IN GOOD CONDITION BY THE PROPERTY OWNER.
15. ADDRESS NUMBERS SHALL BE LOCATED AND BE OF A COLOR AND SIZE SO AS TO BE PLAINLY VISIBLE AND LEGIBLE FROM THE ROADWAY FROM WHICH THE BUILDING IS ADDRESSED IN ACCORDANCE WITH LOMA LINDA FIRE PREVENTION BUREAU ACCESS & WATER GUIDELINE.

LEGEND

- HOSE PULL TAG

PROJECT SCOPE:

PROJECT IS A PROPOSED SUBDIVISION OF AN EXISTING LOT INTO 9 INDIVIDUAL LOTS AND ONE LETTERED LOT. AN EXISTING SINGLE-FAMILY RESIDENCE AND SEVERAL SMALL ACCESSORY STRUCTURES, FENCES, AND CONCRETE SHALL BE DEMO'D TO ACCOMODATE THE PROJECT. THE NEW PROJECT SHALL INCLUDE (9) SINGLE FAMILY RESIDENCES AND (9) DETACHED ADU'S. THE PROJECT WILL ALSO INCLUDE AN AREA FOR WATER QUALITY MANAGEMENT, AS WELL AS ALL REQUIRED CITY SERVICES (WATER, SEWER, ELECTRIC, GAS).

PROJECT SHALL BE DESIGNED SO IT WILL NOT HAVE SUBSTANTIAL ADVERSE EFFECTS TO THE ABUTTING PROPERTY, WHICH MEANS THE PROJECT WILL NOT GENERATE EXCESSIVE NOISE, TRAFFIC, VIBRATION, OR OTHER DISTRUBANCE.

WATER CONSERVATION STATEMENT:
THE FOLLOWING DESIGN GUIDELINES ARE TO BE USED IN ORDER TO CONSERVE WATER AND FOR IRRIGATION EFFICIENCY:
1. DRIP IRRIGATION TO MAXIMIZE EFFICIENCY
2. IRRIGATION SYSTEMS TO BE SEPARATED BY HYDROZONES
3. IRRIGATION ZONES TO BE SEPARATED BY SUN EXPOSURE
4. USE OF MASTER VALVE AND FLOW SENSOR
5. USE OF RAIN SHUT-OFF VALVE CONNECTED TO CONTROLLER
6. USE OF SMART CONTROLLER W/ LOCAL ET ACCESS

PLANTING NOTES:
1. PROVIDE 3" LAYER OF MULCH (MIN.) IN SHRUB BEDS AND UNPLANTED AREAS; 2" LAYER OF MULCH IN GROUNDCOVER AREAS; 3' LAYER OF SHREDDED,STABILIZING MULCH FOR SLOPES.
2. TREES SHALL BE STAKED WITH 2-3 STAKES AND 6 TREE TIES PER COUNTY STANDARD DETAILS. USE TRIPLE STAKING WITH 3" DIAMETER STAKES IN HIGH WIND AREAS.
3. ROOT BARRIERS SHALL BE INSTALLED FOR TREES WITHIN 6' (MIN.) OF HARDSCAPE PER COUNTY STANDARD DETAILS. ROOT BARRIER SHALL NOT ENCIRCLE THE TREE ROOT BALL BUT SHALL BE LOCATED AT EDGE OF HARDSCAPE AND EXTEND BEYOND CENTER OF TREE A MINIMUM OF 5' IN EACH DIRECTION.
4. TREES SHALL HAVE BREATHER TUBES PER CITY STANDARD DETAILS.

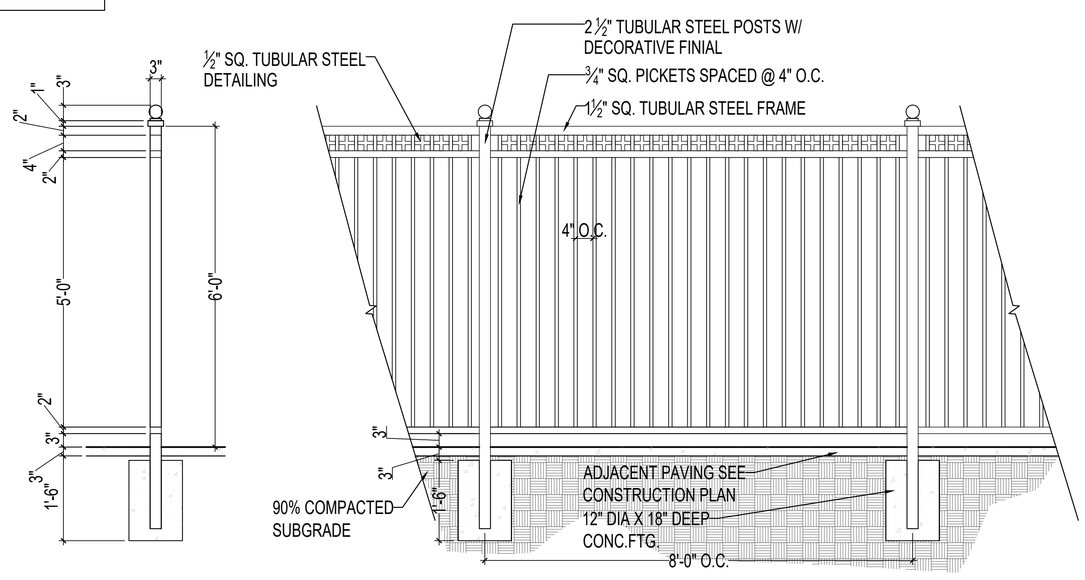

NOTES:
1. ALL BLOCK WALLS TO HAVE AN ANTI-GRAFFITI COATING ALONG PUBLIC SIDE.
2. COLORS AND FINISHES TO BE APPROVED BY THE CITY OF LOMA LINDA.
3. GATES SHALL BE ACCESSIBLE TO EMERGENCY RESPONDERS.

17.74.110 Street trees required.

A. Any person who constructs a new building, or increases the floor area of an existing main building by fifty percent (of original size) shall provided a minimum of two twenty-four inch box trees. Applicants with lots having greater than sixty-five lineal feet frontage shall provide one tree per each thirty lineal feet. One thirty-six-inch box tree shall be planted for each ten twenty-four-inch box trees required.

B. Tree species shall be selected from the approved master street tree list. If acceptable parkway width does not exist, according to the parkway specifications set forth in master street tree list (Exhibit "A," Section 17.74.050 (c)), the applicant shall be required to dedicate additional parkway, which shall be deemed a "tree easement." The easement shall not exceed a total of ten feet in width, to facilitate the planting of said trees. (Ord. 468 § 1, 1992)

17.74.160 Vision clearance triangles.

All tree and landscape material (hedges, shrubs, etc.) abutting intersecting public or private streets, or occurring along irregularly shaped lots, shall conform to the provisions set forth in Article I, Sections 17.14.010 — 17.14.120. In addition, trees planted in parkways, or street tree easements shall be placed according to the following minimum setbacks:

A. Ten feet from street lamps;

B. Eight feet from fire hydrants;

C. Five feet from sidewalks (An alternative to this setback is to place street trees one foot from the property line, where sidewalks abut the curb; and where the curb is separated from the sidewalk by a parkway, in the center of the parkway.);

D. Eight feet from sewer and water mains;

E. Twenty-five feet from stop signs. (Ord. 468 § 1, 1992)

City of Loma Linda

25541 Barton Road, Loma Linda, CA 92354 ☎ (909) 799-2830 🖷 (909) 799-2894

Community Development Department

CONDITIONS OF APPROVAL

PROJECT DESCRIPTION: Tentative Tract Map No. P22-264 (Map No. 20467) and Precise Plan of Design (PPD) No. P22-266 – a request to demolish a single-family home and develop a single-family residential subdivision, comprised of nine (9) residential lots, one (1) lettered lot, and a new public street. The site is located within the Low Density Residential (R-1) General Land Use designation and Zoning District. (APN: 0283-162-20).

PLANNING DIVISION (909) 799-2827

General

1. The project shall be constructed and operated in accordance with the authorized use as described in the approval application materials and plans provided to the City Council.
2. Within two (2) years of this approval, the project shall be exercised by substantial construction or the permit/approval shall become null and void. In addition, if after commencement of construction, work is discontinued for a period of one year, the permit/approval shall become null and void.

PROJECT CASE NUMBERS	EXPIRATION DATE
Tentative Tract Map No. P22-264 **Precise Plan of Design No. P22-266**	**TBD**

3. The review authority may, upon application being filed 30 days prior to the expiration date and for good cause, grant a one-time extension not to exceed 12 months. The review authority shall ensure that the project complies with all current Development Code provisions.
4. The Project Proponent shall indemnify, protect, defend, and hold harmless the City, and any agency or instrumentality thereof, and officers, officials, employees, or agents thereof, from any and all claims, actions, suits, proceedings, or judgments against the City, or any agency or instrumentality thereof, and any officers, officials, employees, or agents thereof to attack, set aside, void, or annul, an approval of the City, or any agency or instrumentality thereof, advisory agency, appeal board, or legislative body, including actions approved by the voters of the City, concerning the project and the approvals granted herein, including without limitation the conditions of approval. Furthermore, the Project Proponent shall indemnify, protect, defend, and hold harmless the City, or any agency or instrumentality thereof, against any and all claims, actions, suits, proceedings, or judgments against another governmental entity in which Owner's project is subject to that other governmental

entity's approval and a condition of such approval is that the City indemnify and defend such governmental entity.

5. In the event that this approval is legally challenged, the City will promptly notify the Project Proponent of any claim or action and will cooperate fully in the defense of the matter. Once notified, the Project Proponent agrees to defend, indemnify, and hold harmless the City, their affiliates, officers, agents and employees from any claim, action or proceeding against the City of Loma Linda. The Project Proponent further agrees to reimburse the City of any costs and attorney's fees, which the City may be required by a court to pay as a result of such action, but such participation shall not relieve the Project Proponent of his or her obligation under this condition.

6. During the lifetime of the permit, the Project Proponent must comply with all applicable laws and regulations of every local, state, and federal entity; and all such requirements and enactments will be incorporated by reference as conditions of this permit. The duty of inquiry as to such requirements and any amendments thereto will be upon the Project Proponent and his or her transferees or successor in interest.

7. The Project Proponent and property owner, including successors, shall be responsible for compliance with all the Conditions of Approval, mitigations, and any recommendations contained in any submitted and approved technical report at his/her sole cost and expense, subject to review and approval of the City of Loma Linda.

8. Violation of any term, condition, or project description relating to this approval is unlawful, prohibited, and a violation of the Loma Linda Municipal Code. The City reserves the right to initiate civil and/or criminal enforcement and/or abatement proceedings, or after notice and public hearing, to revoke the approval or alter these conditions if it is found that there is a violation of any of the conditions or provisions in the Municipal Code, or the project operates as or causes a public nuisance. This provision is not intended to, nor does it, limit in any manner whatsoever the ability of the City to take appropriate enforcement actions without regard to whether any public hearings are conducted.

9. A copy of the Action (approval) letter and Conditions shall be signed by the Project Proponent, attached to each set of permit plans submitted to the appropriate City department for the project, and made available at the project job site at all times.

10. Construction shall be in substantial conformance with the plan(s) approved by the Planning Commission and/or City Council. Minor modification to the plan(s) shall be subject to approval by the Director through a minor administrative variation process. Any modification that exceeds 10% of the following allowable measurable design/site considerations shall require the refilling of the original application and a subsequent hearing by the appropriate hearing review authority if applicable. Modifications may include:

    a. On-site circulation and parking, loading and landscaping;

    b. Placement and/or height of walls, fences and structures;

c. Reconfiguration of architectural features, including colors, and/or modification of finished materials that do not alter or compromise the previously approved theme; and,

d. A reduction in density or intensity of a development project.

11. No vacant, relocated, altered, repaired or hereafter erected structure shall be occupied or no change of use of land or structure(s) shall be inaugurated, or no new business commenced as authorized by this permit until a Certificate of Occupancy has been issued by the Building Division. A Temporary Certificate of Occupancy may be issued by the Building Division subject to the conditions imposed on the use, provided that a deposit is filed with the Community Development Department prior to the issuance of the Certificate, if necessary. The deposit or security shall guarantee the faithful performance and completion of all terms, conditions and performance standards imposed on the intended use by this permit.

12. The subdivision shall conform to all provisions of Title 16 of the Loma Linda Municipal Code (LLMC) and comply with the Subdivision Map Act.

13. This approval is subject to all the applicable provisions of the Loma Linda Municipal Code, Title 17 in effect at the time of approval, and includes development standards and requirements relating to: dust and dirt control during construction and grading activities; emission control of fumes, vapors, gases and other forms of air pollution; glare control; exterior lighting design and control; noise control; odor control; screening; signs, off-street parking and off-street loading; and, vibration control. Any exterior structural equipment, or utility transformers, boxes, ducts or meter cabinets shall be architecturally screened by wall or structural element, blending with the building design and include landscaping when on the ground.

14. Signs are not approved as a part of this permit. Prior to establishing a community monument sign, or any new signs, the Project Proponent shall submit an application, and receive approval, for a sign permit from the Planning Division (pursuant to LLMC, Chapter 17.18) and a building permit for construction of the signs from the Building Division, as applicable.

15. Any proposed walls, fence, and/or patios, will require a separate review and permit from the Planning and Building and Safety Divisions. Submit during Plan Check.

16. All graffiti and other forms of vandalism shall be promptly removed and/or repaired within forty-eight hours of notification.

17. The Project Proponent shall comply with all existing and future CARB and SCAQMD regulations related to diesel-fueled trucks, which may include among others: (1) meeting more stringent emission standards; (2) retrofitting existing engines with particulate traps; (3) use of low sulfur fuel; and (4) use of alternative fuels or equipment.

18. Prior to the issuance of grading permits, submit proposed street name to the Community Development Department. All street names will be coordinated with and approved by the Street Naming Committee and the Fire Department.

19. Prior to the issuance of grading permits, applicant shall submit funds to cover the cost of mitigation monitoring by City and/or condition compliance fees in effect for the City of Loma Linda as well as any other public agency having jurisdiction over the project in effect at the time.

20. Prior to issuance of building permits, the applicant shall submit to the Community Development Department (Building and Safety Division) proof of payment or waiver from the City of San Bernardino for sewer capacity fees and the Redlands Unified School District for school fees.

21. Prior to the issuance of building permits, the Development Impact Fees shall be paid to the City of Loma Linda. It shall cover 100 percent of the pro rata share of the estimated cost of public infrastructure, facilities, services, park, traffic fair share, etc.

22. All applicable fees shall be paid to the City of Loma Linda prior to the issuance of any building and/or construction permits.

Landscaping

23. During the Plan Check process, the Project Proponent shall submit three sets of any final landscape plan(s) prepared by a state licensed Landscape Architect, subject to the approval of the Community Development Department, and Public Works Department for landscaping in the public right-of-way. Landscape plans for any Landscape Maintenance District shall be on separate plans.

24. The Final Landscape Plans shall confirm to the City's landscape regulation and the State Model Water Efficient Landscape Ordinance, as adopted by the City (LLMC, Ch. 13).

25. Landscape plans shall depict the utility laterals, concrete improvements, and tree locations. Any modifications to the landscape plans shall be reviewed and approved by the Public Works and Community Development Departments prior to issuance of permits.

26. Final landscape and irrigation plans shall be in substantial conformance with the approved preliminary landscape plan and the conditions of approval including areas of public right-of-way. Any and all fencing or walls shall be illustrated on the final landscape plan.

27. The Project Proponent shall maintain the property and landscaping in a clean and orderly manner and all dead and dying plants shall be replaced with similar or equivalent type and size of vegetation.

28. For a lifetime of this permit, the Project Proponent must allow a 14-foot vehicular path clearance at all times.

29. For a lifetime of this permit, the Project Proponent must replace all dead or missing plants and trees as to comply with the approved landscape plan.

BUILDING AND SAFETY DIVISION (909) 799-2836

30. Upon approval, the Project Proponent shall submit four (4) sets of professionally prepared plans to the Building and Safety Division's Plan Check process. Plans must comply with the adopted 2022 California Building and Fire Code. (two for Willdan, one for Fire, one Public Works)

31. Along with those sets, the Project Proponent shall also submit two sets of structural calculations and two sets of Title 24.

32. Obtain a demolition permit for any the residential structure to be demolished. If applicable, any underground structures must be broken in, back-filled and inspected before covering.

33. The Project Proponent shall comply with the LLMC, Chapter 17.24.310 and the California Green Building Standard Code, Section 5.106 to reduce light pollution. A photometric lighting plan will be required to show staff the exact locations of light poles, proposed orientation, and shielding of the fixtures to prevent glare onto adjacent properties. See Condition #83.

34. During construction of the site, the project shall comply with Section 9.20 (Prohibited Noises) which limit construction activities to the hours between 7:00 a.m. to 8:00 p.m. Monday through Friday, with no heavy construction occurring on weekends or national holidays. Additionally, all equipment is required to be properly equipped with standard noise muffling apparatus. Adhering to the City's noise ordinance would ensure impacts from construction noise would be less than significant.

35. The Project Proponent shall implement SCAQMD Rule 403 and standard construction practices during all operations capable of generating fugitive dust, which will include but not be limited to the use of best available control measures and reasonably available control measures such as:

    a. Water active grading areas and staging areas at least twice daily as needed;
    b. The Project Proponent shall ensure that all disturbed areas are treated to prevent erosion until the site is constructed upon.
    c. The Project Proponent shall ensure that landscaped areas are installed as soon as possible to reduce the potential for wind erosion.
    d. Suspend grading activities when wind gusts exceed 25 mph;
    e. Sweep public paved roads if visible soil material is carried off-site;
    f. Enforce on-site speed limits on unpaved surface to 15 mph; and
    g. Discontinue construction activities during Stage 1 smog episodes.

36. The Project Proponent shall work with the City's franchised solid waste hauler to follow a debris management plan to divert the material from landfills by the use of separate recycling bins (e.g., wood, concrete, steel, aggregate, glass) during demolition and construction to minimize waste and promote recycle and reuse of the materials.

37. To reduce emissions, all equipment used in grading and construction must be tuned and maintained to the manufacturer's specification to maximize efficient burning of vehicle fuel.
38. The operator shall maintain and effectively utilize and schedule on-site equipment in order to minimize exhaust emissions from truck idling.
39. The Project Proponent shall ensure that existing power sources are utilized where feasible via temporary power poles to avoid on-site power generation during construction.
40. The Project Proponent shall ensure that construction personnel are informed of ride sharing and transit opportunities.

INFORMATION SYSTEMS (IT) DEPARTMENT (909) 799-2411

41. The Project Proponent shall provide infrastructure for the Loma Linda Connected Community Program, which includes providing a technologically enabled development that includes coaxial, cable and fiber optic lines to all outlets in each unit of the development. Plans for the location of the infrastructure shall be provided with the submittal, which includes providing a technologically enabled development that includes coaxial, cable, and fiber optic lines to all outlets in each unit of the development. Plans for the location of the infrastructure shall be provided with the precise grading plans and reviewed and approved by the City of Loma Linda prior to issuing grading permits.

FIRE DEPARTMENT (909) 799-2853

42. All construction shall meet the requirements of the 2022 California Building Code (CBC) and the California Fire Code (CFC)/International Fire Code (IFC) as adopted and amended by the City of Loma Linda and legally in effect at the time of issuance of building permit.
43. On-site civil engineering improvement plans shall be submitted to Fire Prevention for review and approval prior to construction.
44. Deferred submittals for a NFPA 13D sprinkler system. Pursuant to CFC Section 903, as amended in Loma Linda Municipal Code (LLMC) Sections 15.28.230-450, the building(s) shall be equipped with automatic fire sprinkler system(s). Pursuant to CFC Section 901.2, plans and specifications for the fire sprinkler system(s) shall be submitted to Fire Prevention for review and approval prior to installation. Fire flow test data for fire sprinkler calculations must be current within the last 6 months. Request flow test data from Loma Linda Fire Prevention.
45. Builder must submit the fire safety and prevention plan to AHJ for authorization prior to starting work.
46. NASFM Construction Fire Safety training for PM and site supervisors.
47. No lumber drops until fire underground is installed and tested, and fire department access points and road have been established.

48. CFC Chapter 33 shall be maintained at all times during construction/demolition.
49. Street names. Prior to recordation of street names, the proposed names will be submitted to Community Development Department the Fire Prevention Division for review and approval.
50. Street name signs must be installed in conjunction with road improvements and the sign must be in accordance with the City's standards.
51. Illuminated address for each structure per LLMC 15.28.190 section 505.1.
52. Comply with Section 503.2.4 Turning Radius**.** The required turning radius of a fire apparatus access road shall be determined by the fire code official.
53. Provide hydrants for fire flow requirements per CFC Annex B and BB.
54. All fire hydrants shall be installed and tested for review and approval by the Fire Department.
55. Fire lines and signage, as indicated on the approved FD access plan, shall be maintained at all times.
56. Structures under construction shall be provided with not less than one approved portable fire extinguisher in accordance with §906 of the CFC.
57. Combustible waste material shall be removed from buildings at the end of each shift of work.
58. Builder must have an all-weather driving surface, and the fire loop and hydrants must be in installed, inspected, and tested prior to any lumber drop.
59. Builder and employees must take the National Association State Fire Marshals construction fire safety training prior to the start of the project.
60. Project Proponent is required to obtain an approved Fire Department Access Plan before issuance of Building Permits.
61. For all notes, guidelines and FD apparatus specifications for plan submittal: http://www.lomalindaca.gov/our_city/departments/fire/fire_prevention/fire_plan_check_application

PUBLIC WORKS DEPARTMENT (909) 799-4407

62. Prior to issuance of a grading permit, the Project Proponent must submit improvement plans on 24" x 36" sheets having the City's standard signature blocks. All plans must be drawn in ink and must be signed by a California State Registered Civil Engineer at the time of first submittal. Project Proponent must submit improvement plans for the entire project as one package and must include all project improvements shown on the approved project exhibits and those to be designed per these Conditions. Piecemeal submittal of plans is not acceptable. Plans and studies must be signed by a California State Registered Civil Engineer at the time of first submittal. This package must include all supporting studies.

63. The precise grading plan with hydrology study, hydraulic calculations, and soils report for the project shall be approved by the City of Loma Linda Public Works Department prior to issuance of any building permits.
64. Public improvement plans shall be submitted to Public Works for review and approval.
65. A Final Map, with conditions, is required in compliance with the Loma Linda Municipal Code and the Subdivision Map Act, to be submitted to the Public Works Department (Engineering) for review. Submit two copies of the maps with fee payment.
66. The Project Proponent shall record the approved Final Map within two years of approval with the San Bernardino County Recorder pursuant to the provisions of the State Subdivision Map Act prior to issuance of any permits.
67. The Project Proponent shall install or bond for all off-site improvements prior to recording the Final Map.
68. The Project Proponent shall dedicate the ultimate right-of-way street width to the City by Final Map.
69. Easements of record not shown on the Final Map shall be relinquished or relocated. Lots affected by proposed easements or easement of records, which cannot be relinquished or relocated, shall be redesigned.
70. The Project Proponent must install and maintain the street trees, parkway landscaping, open space paseo, and irrigation system within the development. Once installed, the property owner, must maintain these improvements in perpetuity.
71. Prior to the issuance of Certificate of Occupancy of the first building completed, Project Proponent must have completed installation of Right-of-Way landscape improvements as shown on the City Approved Landscape Plans.
72. The Project Proponent shall comply with all of the Public Works Department requirements for recycling prior to issuance of a Certificate of Occupancy.
73. The Project Proponent shall submit final grade certifications, by the grading engineer, to the Public Works Department prior to issuance of any Certificate of Occupancy.
74. Any damage to existing improvements as a result of this project shall be repaired by the Project Proponent to the satisfaction of the City Engineer.
75. NPDES requirements apply, including SWPPP and WQMP.
76. Prior to issuance of grading permits, the Project Proponent shall submit to the City Engineer a Notice of Intent (NOI) to comply with obtaining coverage under the National Pollutant Discharge Elimination System (NPDES) General Construction Storm Water Permit from the State Water Resources Control Board. Evidence that this has been obtained (i.e., a copy of the Waste Dischargers Identification Number) shall be submitted to the City Engineer for coverage under the NPDES General Construction Permit.

77. All lots shall drain to streets or other approved device. All additional drainage due to development shall be mitigated on-site, no cross lot drainage will be allowed unless suitable easements are provided. A Water Quality Management Plan is required to address on-site drainage construction and operation.

78. All necessary precautions and preventive measures shall be in place in order to prevent material from being washed away by surface waters or blown by wind. These controls shall include at a minimum: regular wetting of surface or other similar wind control method, installation of straw or fiber mats to prevent rain related erosion. Detention basin(s) or other appropriately sized barrier to surface flow must be installed at the discharge point(s) of drainage from the site. Any water collected from these controls shall be appropriately disposed of at a disposal site. These measures shall be added as general notes on the site plan and a statement added that the operator is responsible for ensuring that these measures continue to be effective during the duration of the project construction.

79. The project shall comply with the Low Impact Development (LID) Principles and LID Best Management Practices (BMPs) for Southern California.

80. The Project Proponent shall require that all construction equipment is properly maintained with operating mufflers and air intake silencers and prioritizes the location of equipment staging and storage as far as practical from the existing residential unit south of the site, respectively.

81. The Project Proponent shall comply with City adopted policies and ordinance regarding the reduction of construction and demolition (C&D) materials, including a required solid waste management plan. Coordinate with Public Works.

82. The Project Proponent must complete, if applicable, and submit the following to Public Works:

    a. Anything greater than 5:1 slope will require fencing.
    b. Water, sewer, storm drain improvements will be required.
    c. A minimum 2 street trees will be required per home.
    d. LMD and Street Light Maintenance District annexation.

83. Prior to issuance of grading permits, the Project Proponent shall submit a photometric plan and final lighting plan to City staff showing the exact locations of light poles and the proposed orientation and shielding of all light fixtures to prevent glare onto existing and potential future development surrounding the Project Site.

84. LED Street light locations shall be approved by the City of Loma Linda. Streetlights shall be installed and energized prior to release for occupancy for any houses.

85. "Record Revisions" or “As-Builts” shall be made to all plans to reflect the changes to the improvements as constructed.

86. The subdivision shall be provided with a covenant establishing an architectural review committee to maintain the architectural integrity of the buildings.

87. Landscape and Irrigation Plan shall be submitted to the Community Development and Public Works Department for review and approval during the Plan Check process.

88. The Project Proponent shall design public improvements including sidewalk, drive approaches and handicap ramps in accordance with all requirements of the State of California Accessibility Standards, Title 24 California Administrative Code.

89. Public utility easements shall be dedicated to cover all utilities either by map or separate document.

90. City of Loma Linda shall be the water and sewer purveyor.

91. The Project Proponent must provide utilities and design improvements such that all existing and proposed utilities are underground and meeting city specifications, including location, distance and separation requirements, and away from driveways and trees.

92. The Project Proponent shall pay for the relocation of any power poles or other existing public utilities as necessary.

93. All fire hydrants and their distribution mains shall be made part of the Public System.

94. Water mains, fire hydrants, services and meters shall be sized and installed to City of Loma Linda standards and as shown on the approved utility plans for the development. These utilities shall be public and constructed within public right-of-way or public utility easements. Submit plans for review and approval.

95. Improvement plans shall include all connections and locations to the City mains for on-site irrigation, including all meter and backflow prevention devices. A non-potable irrigation system shall be installed for all separate right-of-way landscaping.

96. The Project Proponent shall provide a storm drain system prior to issuance of Certificate of Occupancy.

97. No commencement of public street work shall be permitted, except rough grading, until dedication for that street has been recorded. The Project Proponent shall obtain a permit prior to any construction within the City's right-of-way.

98. Any abandoned wells on the property or similar structures shall be destroyed in a manner approved by the Public Works Department in accordance with the State of California Department of Health Services or other appropriate oversight agency.

99. All underground structures, except those desired to be retained, shall be broken in, backfilled, and inspected before covering.

100. Should future/subsequent project construction require soil excavation or filling in certain areas, soil sampling may be required. If soil is contaminated, it must be properly disposed. Land Disposal Restrictions (LDRs) may be applicable to such soils. Soil sampling shall also be conducted on any imported soil.

101. The Project Proponent shall comply with the prevailing City standards and requirements at the time of construction.

102. Construct street improvements (including, but not limited to curb and gutter, asphalt concrete pavement, aggregate base, sidewalk, one drive approach per lot, and street lights) on all interior streets.

103. Provide adequate corner sight distance per Caltrans standards at intersection and submit verification of same to the Public Works Department as required in conjunction with plan checking of the street improvement plans.

104. All street names should be coordinated with the Street Naming Committee, including the Historical Commission.

105. Install street name signs and traffic control signs with locations and types approved by the Public Works Department.

106. Developer shall install improvements (including off-site) to transition traffic and drainage flows from proposed to existing.

107. Stripe and sign for bike lanes for roadway designated by the City for bike lanes.

108. Comply with state law regarding waste management and the City's Refuse Collection, Recycling and Disposal Ordinance.

109. The project shall form and join the Landscape Maintenance District (LMD). The developer develops scope of service and submits to Public Works for approval. The formation of an LMD involves the annexation of the subdivision territories benefiting from the LMD improvements.

110. All areas to be landscaped in front of project boundary walls, within traffic medians, along project street frontages and on major slopes annexed to the City's Landscape Maintenance District in accordance with City policy.

111. Pay appropriate fees for plan check, inspection, GIS map plan update, and microfilming and storage of maps and plans, and other required fees.

112. Submit the City form for the agreement for construction of improvements with the City of Loma Linda.

113. All studies required within these conditions require a deposit to cover the cost of the review of the studies. Additional deposits may be required or a refund issued when the costs do not match the deposits.

114. Prior to requesting a final inspection for release of securities, the Project Proponent must submit record drawings, certifications, final soils report, and a digital file of record drawings to the Department.

115. Prior to occupancy, the Project Proponent must complete all improvements per the accepted plans and approved conditions, and obtain acceptance for the improvements from the City.

116. Prior to the issuance of a certificate of occupancy the Project Proponent must purchase and install all domestic water meters for the entire

project. Meter installations require inspection and approval by the Water Division (Public Works Department).

117. The Project Proponent must install root barriers, adjacent to back side of sidewalk, when planting on-site tree(s) within 10 feet from the public rights-of-way and public sidewalk.

END OF CONDITIONS

Applicant Statement

I have read and accept responsibility for the Conditions of Approval. I agree to abide by and conform to the Conditions of Approval and the provisions of the Loma Linda Municipal Code pertaining to the project.

City of Loma Linda Fire Department

Community Risk Reduction Division

I am writing to update the Planning Commission of the ongoing review conducted by the Fire Department for Tentative Tract Map No. P22-264 Precise Plan of Design No. P22-266 9-Lot Residential Subdivision. After an initial review, it appears that the proposed project is unlikely to require significant design changes to meet fire safety requirements. To expedite the process and alleviate burden on the applicant, I am allowing the project to move forward with entitlement without the Fire Department Access Plan approval. Staff has added a condition that the approval of the Fire Department Access Plan will be required before issuance of building permits. This ensures that the final plans undergo a thorough review to guarantee compliance with all relevant fire safety regulations.

Respectfully,

Tom Ingalls

Fire Marshal

TECHNICAL MEMORANDUM

TO: Nicole Campbell | CITY OF LOMA LINDA

FROM: Giancarlo Ganddini | GANDDINI GROUP, INC.

DATE: November 15, 2023

SUBJECT: 25450 Park Avenue Subdivision Traffic Impact Analysis
Project No. 19678

The purpose of this study is to evaluate the potential for transportation impacts resulting from the development of the proposed project in the context of the City of Loma Linda's discretionary authority for conformance with locally established Level of Service (LOS) standards as specified by Measure V.

This analysis was prepared in consultation with the City of Loma Linda staff following the procedures and methodologies for assessing transportation impacts established by the City of Loma Linda. To assess the project's conformance with Measure V requirements, this study evaluates the project's effect on LOS and, if necessary, identifies recommended improvements or corrective measures to alleviate operational deficiencies substantially caused or worsened by the proposed project.

PROJECT DESCRIPTION

The 2.8-acre project site is located at 25450 Park Avenue (APN: 0283-162-20) in the City of Loma Linda, California. The project site is currently developed with a single-family residence. Figure 1 shows the regional vicinity. Figure 2 shows the project location & study area map.

The project involves the proposed subdivision of the existing lot into nine (9) individual lots and one lettered lot. The nine (9) lots will range from 8,509 – 10,992 square feet. Each of the nine (9) lots is proposed to have one single-family dwelling and one accessory dwelling unit. The single-family dwellings range from 2,886 – 3,237 square feet and the detached accessory dwelling units (ADUs) range from 738 – 955 square feet. The site is proposed to be accessed by a cul-de-sac off of Park Avenue. The proposed site plan is shown on Figure 3.

STUDY AREA AND ANALYSIS SCENARIOS

While Measure V requirements do not establish thresholds for determining study intersections, most jurisdictions within the County of San Bernardino generally analyze the intersection of classified roadways (i.e., intersections of collector-to-collector or higher roadway classifications per the City's General Plan) to which a project is expected to contribute 50 or more trips during the AM or PM peak hours. Although the proposed project is forecast to generate fewer than 50 peak hour trips, and thus would not meet the criteria commonly used for identifying study intersections, the following five (5) study intersections were identified in consultation with City staff to provide a conservative assessment of potential circulation impacts in the immediate vicinity of the project site (see Figure 2):

1. Poplar Street (NS) at Park Avenue (EW)[1]
2. Coloma Street (NS) at Redlands Boulevard (EW)
3. Coloma Street (NS) at Park Avenue (EW)
4. Curtis Street (NS) at Park Avenue (EW)
5. Project Access (NS) at Park Avenue (EW)

This study includes an evaluation of Existing and Existing Plus Project conditions for weekday AM and PM peak hour conditions.

[1] (NS) = north-south roadway; (EW) – east-west roadway

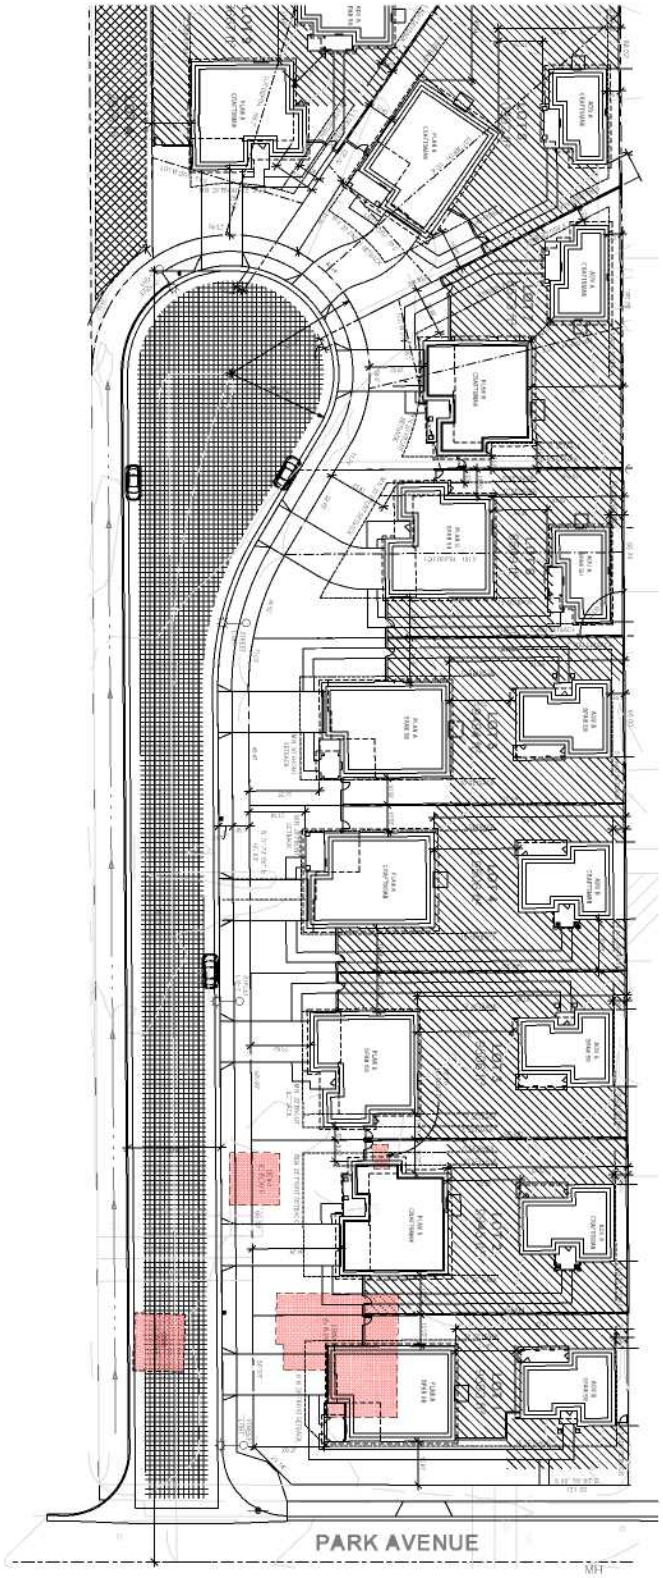

Figure 3
Proposed Site Plan

PROJECT TRIP GENERATION & DISTRIBUTION

Table 1 shows the project trip generation based upon rates obtained from the Institute of Transportation Engineers (ITE) *Trip Generation Manual* (11th Edition, 2021) for Land Use Code 210 (single-family detached housing) and Land Use Code 220 (multifamily housing, low-rise, not close to transit). The current ITE *Trip Generation Manual* does not specify whether ADUs are included in the single-family detached housing category, nor does it provide separate trip generation rates. Trip generation for single-family housing units with ADUs is expected to be greater than for those without ADUs. Considering the smaller size of an ADU and association with another dwelling, Land Use Code 220 (multifamily housing, low-rise, not close to transit) is expected to provide an adequate approximation of the additional trip generation associated with the proposed ADUs.

As shown in Table 1, the proposed project is forecast to result in a net increase of approximately 137 net new daily trips compared to the existing single-family residential unit, including 10 net new trips during the AM peak hour and 12 net new trips during the PM peak hour.

Figure 4 illustrates the forecast directional distribution patterns for the project-generated trips developed from engineering judgement based on review of surrounding land uses and the local and regional roadway facilities in the project vicinity.

Based on the identified project trip generation and distribution patterns, project-generated AM and PM peak hour intersection turning movement volumes are shown on Figure 5.

Table 1
Project Trip Generation

Trip Generation Rates									
			AM Peak Hour			PM Peak Hour			
Land Use	Source[1]	Land Use Variable[2]	% In	% Out	Rate	% In	% Out	Rate	Daily Rate
Single-Family Detached Housing	ITE 210	DU	26%	74%	0.70	63%	37%	0.94	9.43
Accessory Dwelling Units[3]	ITE 220	DU	24%	76%	0.40	63%	37%	0.51	6.74

Trips Generated									
			AM Peak Hour			PM Peak Hour			
Land Use	Source	Quantity	In	Out	Total	In	Out	Total	Daily
Existing Uses To Be Demolished									
Single-Family Detached Housing	ITE 210	-1 DU	0	-1	-1	-1	0	-1	-9
Proposed Uses									
Single-Family Detached Housing	ITE 210	9 DU	2	5	7	5	3	8	85
Accessory Dwelling Units	ITE 220	9 DU	1	3	4	3	2	5	61
Subtotal - Proposed			3	8	11	8	5	13	146
NET TRIPS GENERATED			**+3**	**+7**	**+10**	**+7**	**+5**	**+12**	**+137**

Notes:

1. ITE = Institute of Transportation Engineers *Trip Generation Manual* (11th Edition, 2021); ### = Land Use Code. All rates based on General Urban/Suburban setting unless otherwise noted.
2. DU = Dwelling Units
3. In the absence of ITE rates for accessory dwelling units (ADUs), Land Use Code 220 (multifamily housing, low-rise, not close to transit) is expected to provide an adequate approximation of the additional trip generation associated with the proposed ADUs.

ANALYTICAL METHODOLOGY

Level of Service Methodology

In accordance with the County of San Bernardino *Transportation Impact Study Guidelines* (July 2019), as historically utilized by the City of Loma Linda, intersection Level of Service is analyzed using the current edition of the *Highway Capacity Manual* intersection delay methodology (Transportation Research Board, 7th Edition). The methodology considers the traffic volume and distribution of movements, traffic composition, geometric characteristics, and signalization details to calculate the average control delay per vehicle and corresponding LOS. At intersections with cross street stop control (i.e., one- or two-way stop control), LOS is determined by the average control delay for the worst minor street approach or major street left-turn movement. Intersection LOS is based on the following thresholds per the HCM:

Level of Service	Delay Methodology	
	Signalized Intersection	Unsignalized Intersection
	Seconds per Vehicle	Seconds per Vehicle
A	≤ 10.0	≤ 10.0
B	> 10.0 to ≤ 20.0	> 10.0 to ≤ 15.0
C	> 20.0 to ≤ 35.0	> 15.0 to ≤ 25.0
D	> 35.0 to ≤ 55.0	> 25.0 to ≤ 35.0
E	> 55.0 to ≤ 80.0	> 35.0 to ≤ 50.0
F	> 80.0	> 50.0

Source: Transportation Research Board *Highway Capacity Manual* (7th Edition).

LOS is used to qualitatively describe the performance of a roadway facility, ranging from LOS A (free-flow conditions) to LOS F (extreme congestion and system failure). Intersection analysis was performed using the Vistro software with parameters specified in the County guidelines.

Performance Standards

The City of Loma Linda General Plan Policy 6.10.1.a and Measure V establish that long-term traffic LOS should be maintained at LOS C or better, except where the current level of service is lower than LOS C.

At locations where existing level of service is below LOS C, the project shall be required to provide improvements that maintain LOS that are no worse than those existing at the time the application for development is filed. In any location where the existing level of service is LOS F, the project shall be required to provide improvements that maintain a volume-to-capacity ratio that is no worse than that existing at the time the application for development is filed.

EXISTING CONDITIONS

Figure 6 shows the lane geometry and intersection traffic controls for existing conditions. Regional access to the project site is provided by Interstate 10 approximately 0.4 miles to the north of the project site with interchanges at Anderson Street to the west and Mountain View Avenue to the east. Local north-south circulation is provided by Poplar Street, Coloma Street, and Curtis Street; local east-west circulation is provided by Redlands Boulevard and Park Avenue.

Poplar Street is a two-lane undivided roadway classified as collector street in the City of Loma Linda General Plan Transportation and Circulation Element. Poplar Street primarily serves residential uses in the study area with an unposted speed limit of 25 miles per hour. There are no bicycle lanes on Poplar Street in the study area. Sidewalks are generally provided along the east side of the roadway and intermittent along the west side of the roadway. On-street parking is generally permitted.

Coloma Street, Curtis Street, and Park Avenue are all two-lane undivided roadways classified as local streets in the City of Loma Linda General Plan Transportation and Circulation Element. These streets primarily serve residential uses in the study area with an unposted speed limit of 25 miles per hour. There are no bicycle lanes on these streets in the study area. Sidewalks are generally provided along both sides of the roadways, including along the project frontage on Park Avenue. On-street parking is generally permitted.

Redlands Boulevard is a four-lane divided (painted two-way left-turn lane median) roadway classified as secondary arterial in the City of Loma Linda General Plan Transportation and Circulation Element. Redlands Boulevard has a posted speed limit of 45 miles per hour within the study area. There are no bicycle lanes on Redlands Boulevard in the study area. Sidewalks are generally provided along both sides of the roadway. On-street parking is generally permitted.

Figure 7 shows the existing AM and PM peak hour intersection turning movement volumes. Existing peak hour intersection turning movement volumes are based upon AM peak period and PM peak period intersection turning movement counts obtained in October 2023 during typical weekday conditions. The weekday AM peak period was counted between 7:00 AM and 9:00 AM and the weekday PM peak period was counted between 4:00 PM and 6:00 PM; these periods capture the peak times for commuter traffic when the roadway system is typically experiencing peak demand. The actual peak hour within each two-hour count period is determined based on the sum of the four consecutive 15-minute periods with the highest total volume entering the intersection. Thus, the weekday PM peak hour at one intersection may be 4:45 PM to 5:45 PM and may vary at other intersections depending on the four consecutive 15-minute periods that have the highest total volume. Intersection turning movement count worksheets are provided in Appendix A.

Table 2 shows the study intersection LOS for Existing conditions. As shown in Table 2, the study intersections currently operate within acceptable LOS (C or better) for Existing conditions during the peak hours. LOS calculation worksheets are provided in Appendix B.

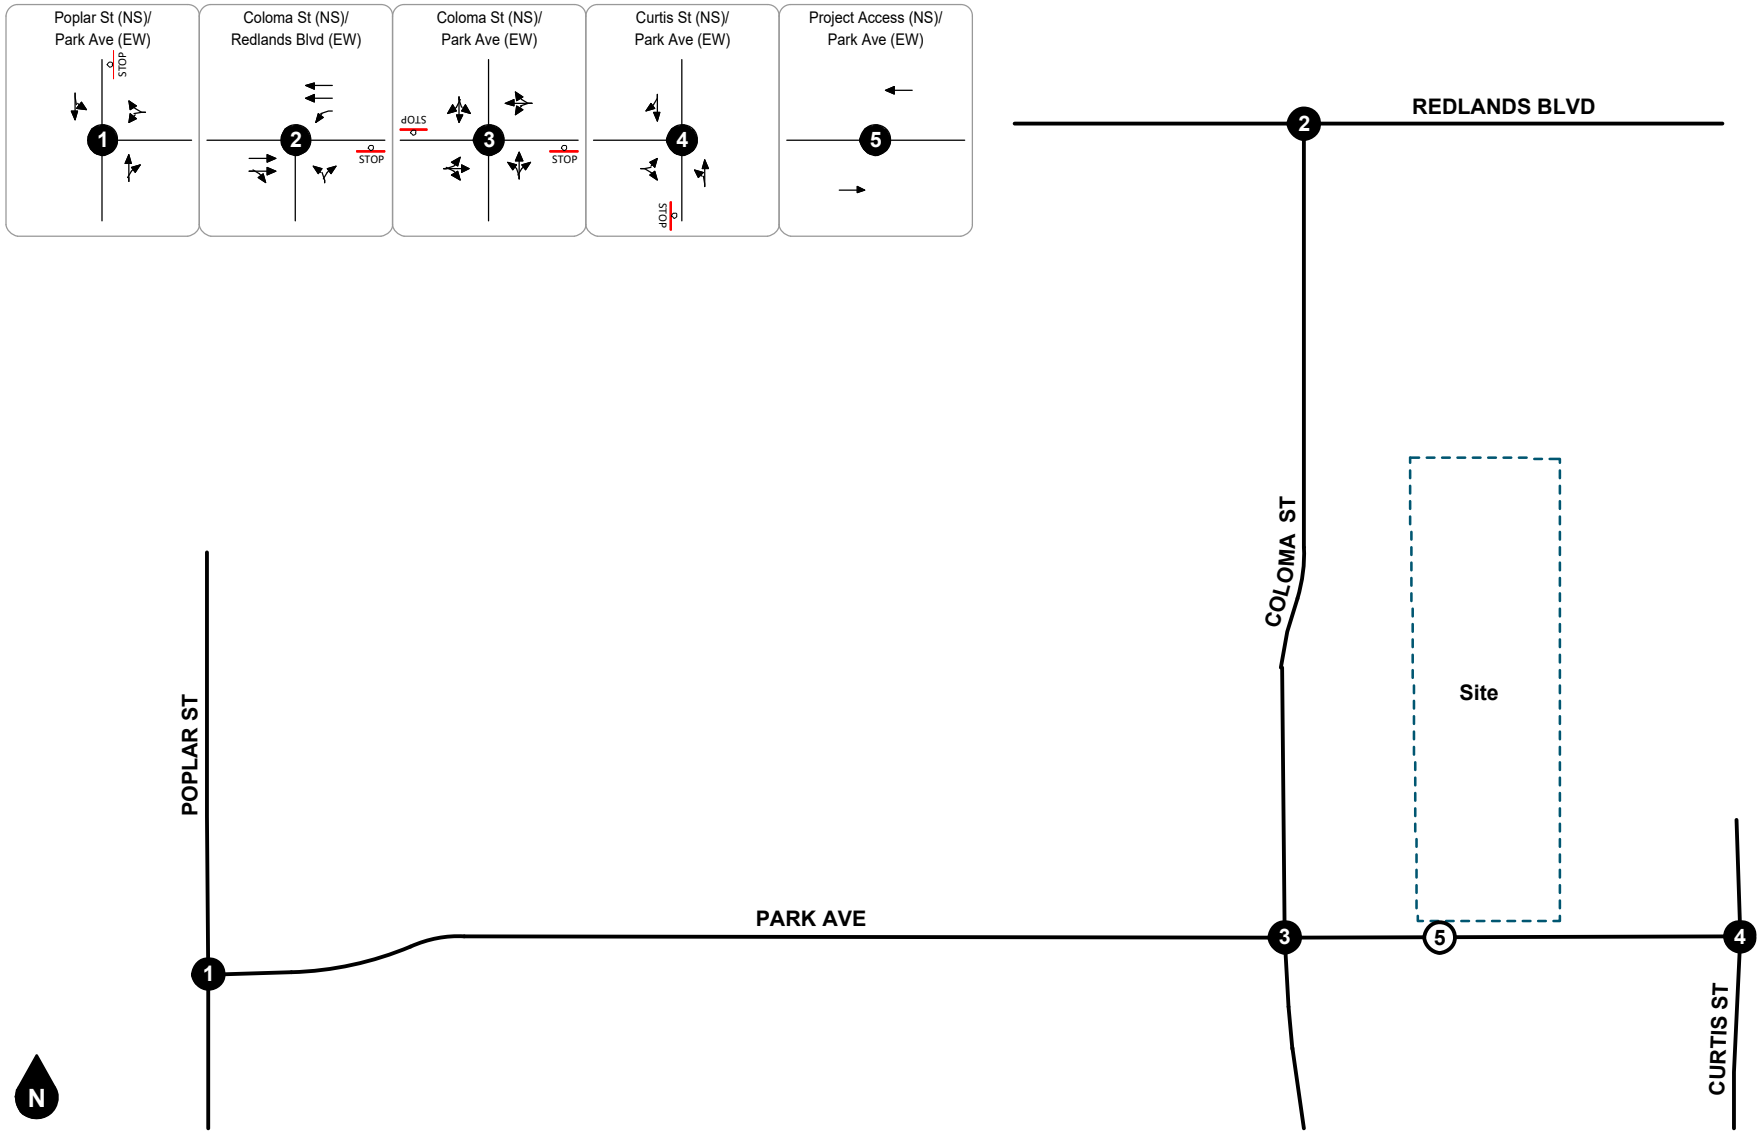

Figure 6
Existing Study Intersection Traffic Controls & Lane Geometry

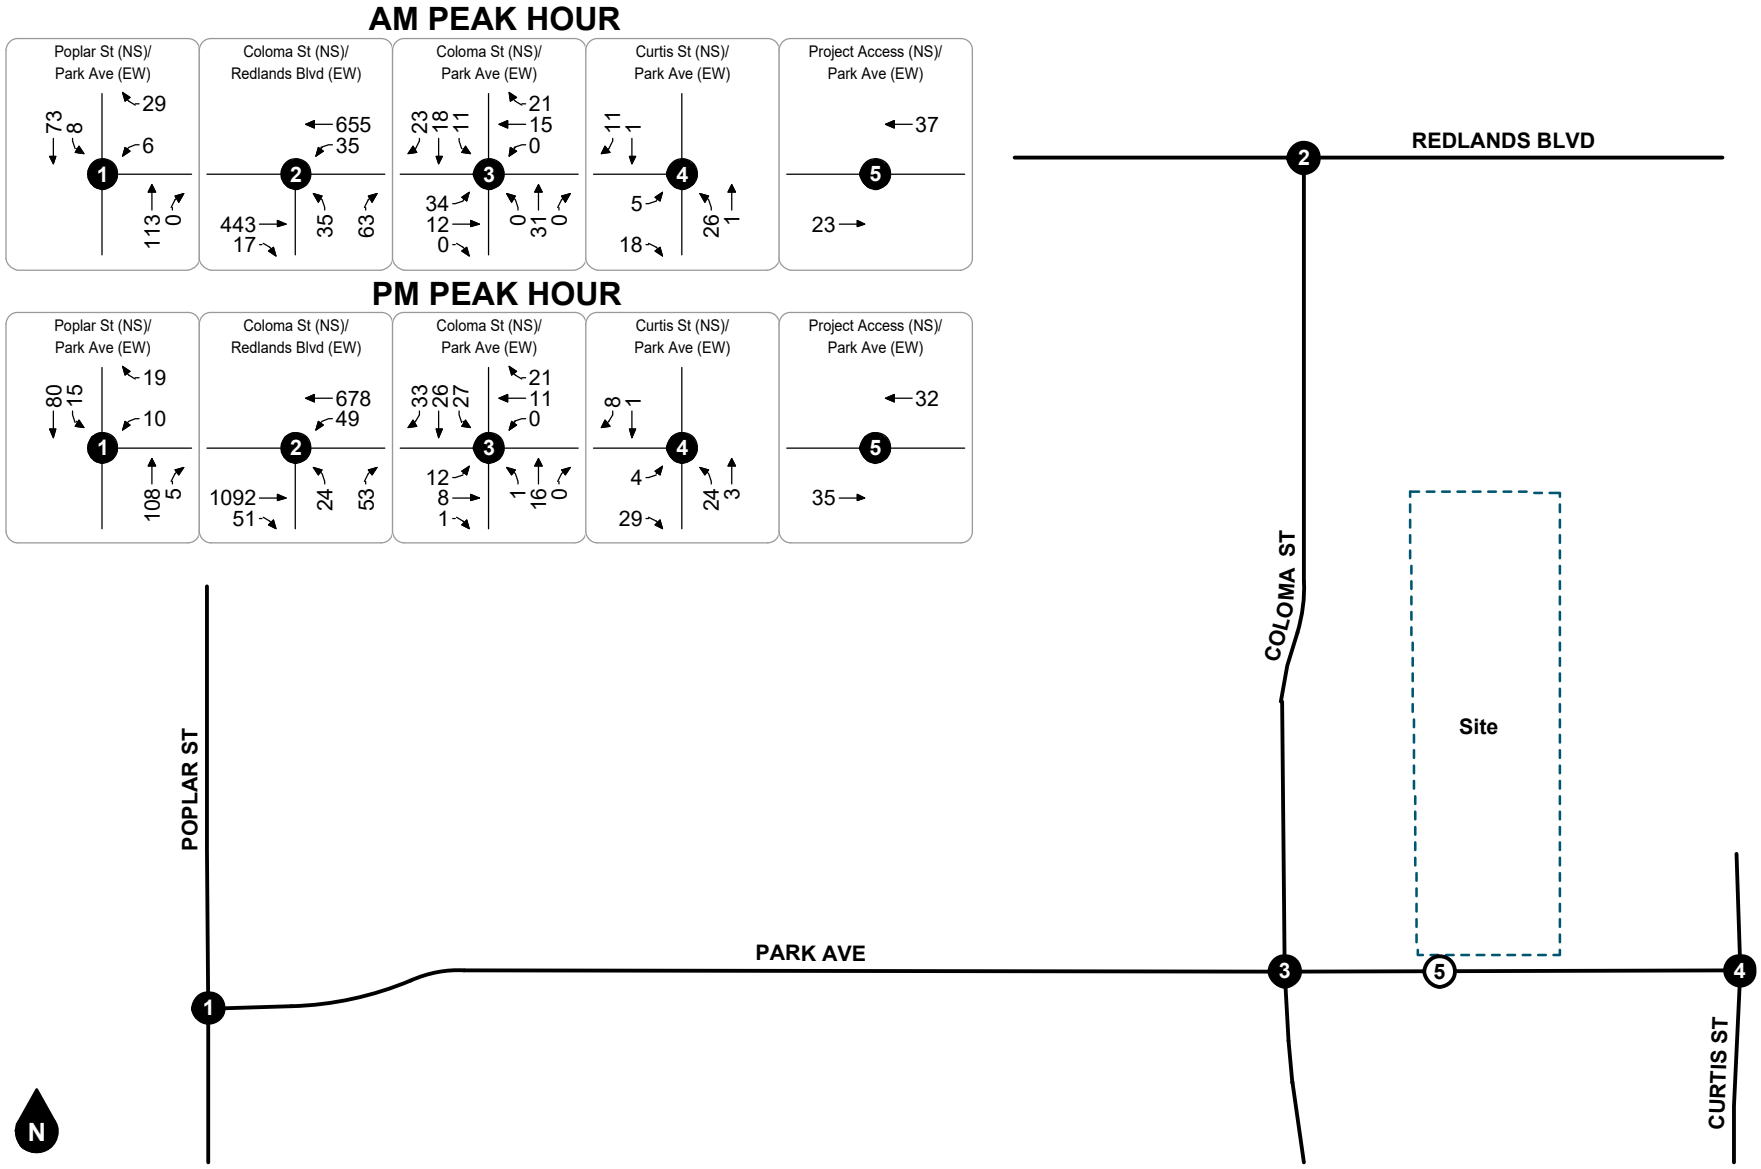

Figure 7
Existing Peak Hour
Intersection Turning Movement Volumes

Table 2
Existing Intersection LOS

Study Intersection	Traffic Control[1]	AM Peak Hour		PM Peak Hour	
		Delay[2]	LOS[3]	Delay[2]	LOS[3]
1. Poplar St at Park Ave	CSS	9.2	A	9.4	A
2. Coloma St at Redlands Ave	CSS	13.8	B	21.2	C
3. Coloma St at Park Ave	CSS	10.1	B	9.6	A
4. Curtis St at Park Ave	CSS	8.6	A	8.6	A

Notes:

(1) CSS = Cross Street Stop

(2) Delay is shown in seconds/vehicle. For intersections with traffic signal or all way stop control, overall average intersection delay and LOS are shown. For intersections with cross street stop control, LOS is based on average delay of the worst minor street approach or major street left turn movement.

(3) LOS = Level of Service

EXISTING PLUS PROJECT CONDITIONS

The Existing Plus Project volume forecast was developed by adding project-generated trips to the Existing volumes. Existing Plus Project peak hour intersection turning movement volumes are shown on Figure 8.

Table 3 shows the impact assessment for Existing Plus Project conditions. As shown in Table 3, the study intersections are forecast to continue operating within acceptable LOS (C or better) for Existing Plus Project conditions during the peak hours. **Therefore, no off-site improvements are necessary for compliance with Measure V requirements.**

PROJECT DESIGN FEATURES

This analysis assumes the following improvements will be constructed by the project to provide site access:

[#5] Project Driveway (NS) at Park Avenue (EW)
- Southbound: Install stop control and provide one shared left/right turn lane.
- Eastbound: Maintain existing through lane to provide shared left turn/through movements.
- Westbound: Maintain existing through lane to provide shared right turn/through movements.

This analysis also assumes the project shall comply with the following conditions as part of the City of Loma Linda standard development review process to ensure adequate geometric design and emergency access:

- All on-site and off-site roadway design, signing/striping, and traffic control improvements relating to the proposed project shall be submitted to the City for review and constructed following applicable State/Federal engineering standards to the satisfaction of the City of Loma Linda.

- The final grading, landscaping, and street improvement plans shall demonstrate that applicable sight distance requirements are met.

- The project shall comply with the City of Loma Linda municipal parking requirements which will be reviewed as a part of the standard development review process.

- Final project plans shall demonstrate adequate emergency vehicle access and circulation to the satisfaction of the City of Loma Linda Public Works and Fire Departments.

- A construction worksite traffic control plan shall comply with applicable engineering standards outlined in the California *Manual of Uniform Traffic Control Devices* and shall be submitted to the City for review and approval before the issuance of a grading permit or start of construction. The plan shall identify any roadway, sidewalk, bike route, or bus stop closures and detours as well as haul routes and hours of operation. All construction-related trips shall be restricted to off-peak hours to the extent possible.

4. Curtis St at Park Ave	CSS	8.6	A	8.6	A	-0.0	No	8.6	A	8.6	A	-0.0	No
5. Project Access at Park Ave	CSS	n/a	n/a	8.6	A	n/a	No	n/a	n/a	8.6	A	n/a	No

Notes:

(1) CSS = Cross Street Stop

(2) Delay is shown as seconds/vehicle.

(3) LOS = Level of Service

CONCLUSIONS

The proposed project is forecast to result in a net increase of approximately 137 net new daily trips compared to the existing single-family residential unit, including 10 net new trips during the AM peak hour and 12 net new trips during the PM peak hour.

The study intersections currently operate within acceptable LOS (C or better) for Existing conditions during the peak hours.

The study intersections are forecast to continue operating within acceptable LOS (C or better) for Existing Plus Project conditions during the peak hours. Therefore, no off-site improvements are necessary for compliance with Measure V requirements.

It has been a pleasure to assist you with this project. Should you have any questions or comments regarding this analysis, please contact me at (714) 795-3100 ext. 101.

Prepared under the supervision of:

Good morning Susan,

Thank you for reaching out regarding the proposed residential subdivision on Park Avenue. A traffic study was conducted to analyze five nearby intersections and assess whether any offsite improvements were needed to address traffic concerns. The study concluded that the increased traffic from the project would not result in significant delays at the studied intersections. Therefore, it was determined that additional offsite improvements, such as the addition of lanes or stop signs, are unnecessary and not justified. In regard to parking, the proposed project meets City requirements.

Your concerns will be included in the staff report that is presented to Council and the public.

Feel free to reach out with additional questions or concerns.

Thank you,

Nicole Campbell

Re: Housing project on Park Ave.

Hello Councilmember Jindal,

I wanted to say thank you for taking time and talking to me last Sunday regarding my concerns. Please consider the issues this project will cause.
These are a list of concerns myself and other residents have:

1. The increased traffic on Coloma St. and Park Ave.

2. The prodject does not provide enough parking for its residents. This will cause more street parking. With increased traffic this is a safety issue.

3. The Coloma St. to Curtis is about 250 yards. It should have two entries and exits instead of being a culdesac. There will be 40 or more cars coming and going from only one entry or exit if it is a culdesac. As families grow new drivers will add to that number.

Thank you for your help. May God bless you with your endeavours.

Respectfully,

Susan Montenero

PETITION

We respectfully ask the City of Loma Linda add the following to the below mentioned plan:

1. Add a second entry and exit point for the development.
2. Add 2 more parking spaces for each unit.

Public Hearing for TTM 20467 and PPD P22-266, April 9, 2024

Hello our names are Rohit Doshi and Navnit Desai. We are the owner of the properties at 10614,10624,10644 Curtis Street and 25470 Park Avenue, Loma Linda.

Thank you for having a Condition of Approval added to the development to allow my 4 homes and vacant property to continue with the existing drainage patterns. The Planning Commission added a requirement to protect my rights of historic drainage patterns flowing westerly into the proposed development area. Furthermore this is an acknowledgment of the obligation of the developer to accept the surface drainage from the multiple parcels upstream un-impeded.

Subject: Public Hearing for Tentative Tract Map 20467 and PPD P22-266

Dear Ms. Matarrita,
For the Public Hearing of Tentative Tract Map 20467 and PPD P22-266, I desire to have the City Council include the Planning Commission's recommendations for adding four additional Conditions of Approval.

Excerpt from City Council staff report for April 9, 2024 Item 2 "G"

On March 6, 2024, Planning Commission recommended that the City Council approve Tentative Tract Map No. P22-264 (Map 20467) and Precise Plan of Design No. P22-266, a request to demolish a single-family home and develop a single-family residential subdivision, comprised of nine (9) residential lots, one (1) lettered lot, and a new public street. Planning Commission's recommendation included the following conditions of approval:

1. The Project Proponent shall provide a wall plan to the Building Division that includes a 6-foot block wall along the western property line. The wall shall be constructed using decorative material and topped with a decorative block cap.
2. The Project Proponent shall provide street improvement plans to the Public Works Department that include a 12-inch concrete landing along the western curb for pedestrians.
3. The Project Proponent shall work with Staff to include a street lighting plan to the Public Works Department that indicates additional lighting along the western property line.
4. The Project Proponent shall work with Staff to establish a drainage solution to facilitate drainage from the east adjacent property.

Number 1, 2, 3 will help mitigate impacts of properties west of P22-266.

Number 4. protects rights of historic drainage patterns flowing north westerly and westerly and that the TTM 20467 and PPD P22-266 owner is acknowledging the obligation to accept the surface drainage from multiple upstream parcels un-impeded.

If you have any questions, do not hesitate to contact me.

Robert Stewart, PM

United Property Management 10535 Anderson Street Loma Linda CA 92354

Adopt Resolutions for the Landscape Maintenance District No. 1 Annual Report - Fiscal Year 2024-2025 [Public Works]

Meeting	Agenda Group
Tuesday, May 14, 2024, 7:00 PM	Consent Calendar Item: 3D

To	From
City Council	Jeff Peterson, Associate Engineer

Via
T Jarb Thaipejr, City Manager

RECOMMENDATION:

It is recommended that the City Council approve:

Council Bill #R-2024-04 – Ordering preparation of the Annual Report

Council Bill #R-2024-05 – Preliminarily approving the Annual Report; and

Council Bill #R-2024-06 – Setting the public hearing regarding the annual assessments for June 11, 2024

BACKGROUND:

The City of Loma Linda annually levies and collects special assessments in order to maintain the improvements within the City of Loma Linda Landscaping Maintenance District No. 1. The District was formed prior to 1992 with annexations to the District approved in subsequent years. Annual assessments are established pursuant to the *Landscape and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code* (The "1972 Act").

ANALYSIS:

The Annual Report has been submitted by Muni-Financial, the Assessment Engineer. The total assessment for FY 24-25 is $468,177. Expenditures for FY 24-25 are estimated to be $669,981. Funds will be transferred from the General Fund to cover expenditure shortfalls. The City will continue to make water conservation changes to the LMD areas as funding permits to reduce maintenance and operation costs.

ENVIRONMENTAL IMPACT:

N/A

FINANCIAL IMPACT:

Funding from Account No. 1715200-51820, Professional Services, for the assessment and report services.

I. OVERVIEW

A. INTRODUCTION

The City of Loma Linda ("City") annually levies and collects special assessments in order to maintain the improvements within the City of Loma Linda Landscape Maintenance District No. 1 ("District"). The District was formed in January 1976 with several annexations to the District approved in subsequent years. Annual assessments were established pursuant to the *Landscape and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code* (the "1972 Act").

This Engineer's Annual Levy Report ("Report") describes the District, any annexations or changes to the District, and the proposed assessments for Fiscal Year 2024/2025. For the purpose of this Report, the word "parcel" refers to an individual property assigned its own Assessor's Parcel Number ("APN") by the County of San Bernardino ("County") Assessor's Office. The County Auditor/Controller uses APN's and specific Fund Numbers to identify properties on the tax roll assessed for special district benefit assessments. The proposed assessments are based on the historical and estimated costs to maintain the improvements that provide special benefit to properties within the District. The costs of improvements and the annual levy include budgeted expenditures, deficits, surpluses, revenues, and reserves. Each parcel is assessed proportionately for only those improvements provided and for which the parcel receives special benefit. Following review of the Report and consideration of public comments and written protests at a public hearing, the City Council ("Council") may order amendments to the Report or confirm the Report as submitted. Following approval of the Report, the Council may order the levy and collection of assessments for Fiscal Year 2024/2025 pursuant to the 1972 Act. In such case, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll for each benefiting parcel for Fiscal Year 2024/2025.

B. COMPLIANCE WITH CURRENT LEGISLATION

On November 5, 1996, California voters approved Proposition 218. This Constitutional amendment was the latest in a series of initiatives altering the revenue-raising discretion of California's local agencies. The provisions of Proposition 218 are set forth in the California Constitution Articles XIIIC and XIIID of the California Constitution.

In Article XIIID Section 2 (b), “Assessments” are defined as:

> “*…any levy or charge upon real property by an agency for a special benefit conferred upon the real property. ‘Assessment’ includes, but is not limited to, ‘special assessment,’ ‘benefit assessment,’ ‘maintenance assessment,’ and ‘special assessment tax.’*”

Article XIIID requires that beginning July 1, 1997, new and existing assessments (with some exceptions) conform to new substantive and procedural requirements.

Parcels included in the original District formation and each subsequent annexation was conditioned to install landscape improvements before the development could proceed. In order to preserve the investment in the landscape improvements, the developer was required to form a separate 1972 Act Maintenance District or to be annexed into the District. Each developer who at the time owned the parcels subject to the assessment, agreed to either the formation or annexation requirement and the assessments being imposed. Subsequent owners of parcels were also made aware through title reports and Department of Real Estate “White Paper” reports that the parcels were in the District and subject to the assessments. Purchase of the parcel(s) was also in agreement to be subject to the assessments. Therefore, the assessments adopted for the District prior to the passage of Proposition 218 are exempt from the provisions of Article XIIID Section 4 of the Constitution, provided the assessments are not increased above the maximum assessment rates in effect prior to Proposition 218. Subsequent increases, if any, will be subject to the procedural and approval process of Section 4 of Article XIIID.

New or increased assessments must satisfy certain noticing and meeting requirements by law. The Brown Act defines the terms “new or increased assessment” to exclude certain conditions. These certain conditions include “any assessment that does not exceed an assessment formula or range of assessments previously adopted by the agency or approved by the voters in the area where the assessment is imposed.” This definition was later confirmed by Senate Bill 919 (the Proposition 218 implementing legislation).

II. DESCRIPTION OF THE DISTRICT

A. BOUNDARIES OF THE DISTRICT

The District consists of the original area formed in January 1976 and seventy-six (76) subsequent annexations. Reference is made to Appendix B for the District Assessment Diagram. The following table lists the various annexations, development types and development descriptions included in the boundaries of the District and subject to the District assessments.

Annexation Number	Type of Development	Development Description
Original	Commercial	Parcel Map 958.
1	Residential	Tract Nos. 10131, 10132 and 10133.
2	Residential	Tract No. 9438.
3	Commercial	Loma Linda Plaza Shopping Center.

** Annexations 11, 12, 47, and 49 were combined with annexations 26, 43, 46 and 54. Annexations 63, 64, 66, 67, 68 and 69 have homeowners' associations that will maintain most or all common area landscaping within the interior of the respective developments. Annexations 30, 32, and 44 have no landscaping and are not assessed.*

B. DESCRIPTION OF THE DISTRICT IMPROVEMENTS AND SERVICES

Landscaping and irrigation improvements have been completed along the Barton Road frontage of Parcel Map 958 (Original) and the development that was the basis of the original district. There have been seventy-six (76), subsequent annexations to the District, which are shown on the map included within this Report. Only those annexations having improvements to be maintained and serviced by the District are addressed within this Report.

Maintenance means the furnishing of services and materials for the ordinary and usual maintenance, operation and servicing of the ornamental structures, landscaping and appurtenant facilities, including repair, removal or replacement of all or part of any of the ornamental structures, landscaping or appurtenant facilities; providing for the life, growth, health, and beauty of the landscaping, including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease or injury; the removal of trimmings, rubbish, debris and other solid waste; and the cleaning, sandblasting and painting of walls and other improvements to remove or cover graffiti. Servicing means the furnishing of electricity for the lighting and operation of the ornamental structures, landscaping, and appurtenant facilities, and water for the irrigation and control of the landscaping and the maintenance of any of the ornamental structures, landscaping, and appurtenant facilities.

The following table lists the various areas and location of the landscaping and irrigation improvements within the District.

Annexation Number	Type of Development	Description of Area and Improvements
Original	Commercial	The Barton Road frontage of Parcel Map 958.
1	Residential	The Mountain View Avenue frontage and interior portions of Tract Nos. 10131, 10132 and 10133.
2	Residential	The Mountain View frontage of Tract No. 9438.
3	Commercial	The Barton Road frontage of the Loma Linda Plaza Shopping Center.
4	Multi-Family	The Mountain View Avenue frontage of PPD 83-9.
5	Residential	The Bryn Mawr Avenue frontage of Tract Nos. 10134, 10135, 10136 and 10137.
6	Residential	The Mountain View Avenue frontage of Tract No. 9389.

Annexation Number	Type of Development	Description of Area and Improvements
7	Commercial	The Mountain View Avenue frontage of Tract No. 12734 and Parcel Maps 3231 and 4683.
8	Residential	The Mountain View Avenue frontage of Tract Nos. 10794 and Parcel Map 5241.
9	Commercial	The Redlands Boulevard frontage of PPD 80-2.
10	Multi-Family	The Mountain View Avenue frontage of Parcel Map 7277.
13	Residential	The Mountain View Avenue frontage of Tracts 9817 and 9817-1.
14	Commercial	The Redlands Boulevard frontage of Parcel Map 7857.
15a	Residential	The Redlands Boulevard frontage of PPD 82-3 and the Whittier Avenue, Verde Grove Avenue and Lawton Street frontages of Tract No. 12458.
15b	Commercial	The Redlands Boulevard frontage of PPD 82-3 and the Whittier Avenue, Verde Grove Avenue and Lawton Street frontages of Tract No. 12458.
16	Multi-Family	The Redlands Boulevard frontage of Tract No. 12475.
17	Multi-Family	The Redlands Boulevard frontage of Tract Nos. 12609 and 12881.
18	Residential	The Bryn Mawr Avenue and Beaumont Avenue frontages of Tract No. 12294.
19	Residential	The Bryn Mawr Avenue, Lawton Avenue, Whittier Avenue, and Beaumont Avenue frontages of Tract No. 11516 and Assessor's Parcel No. 293-053-01.
20	Multi-Family	The Mountain View Avenue frontage of PPD 84-2.
21	Multi-Family	The Redlands Boulevard frontage of PPD 84-12.
22	Commercial	The Redlands Boulevard frontage of Parcel Map 6643.
23	Commercial	The Redlands Boulevard, Camelot Lane, and Hampton Drive frontages of Tract No. 12771 (Loma Linda Redevelopment Agency).
24	Commercial	The Barton Road frontage of PPD 85-3.
25	Commercial	The Mountain View and Redlands Boulevard frontages of Parcel Map 9198.
26	Commercial	The Redlands Boulevard frontage of Tract No. 12916.
27	Residential	The Bryn Mawr Avenue frontages and various interior streets of Tracts 10134 and 10135.
28	Commercial	The Redlands Boulevard and Mountain View Avenue frontages of PPD 86-5.
29	Residential	The Second Street and Bryn Mawr Avenue frontages of Tract No. 13046.
30	Commercial	The Redlands Boulevard frontage of PPD 85-13.
31	Residential	The Lawton Avenue and Bryn Mawr Avenue frontages of Tract No. 13449.
32	Commercial	The Mountain View Avenue and Cottonwood Road frontages of Parcel Map 10741.
33a	Commercial	The Barton Road and Redlands Boulevard frontages of PPD 87-16 and PPD 87-9.
33b	Commercial	The Barton Road and Redlands Boulevard frontages of PPD 87-16 and PPD 87-9.
34	Residential	The Second Street and Whittier Avenue frontages of Tract No. 13705.
35	Residential	The Lawton Avenue and Bryn Mawr Avenue frontages of Tract No. 13635.
36a	Commercial	The Redlands Boulevard frontages of PPD 86-17 and PPD 87-12.

Annexation Number	Type of Development	Description of Area and Improvements
36b	Commercial	The Redlands Boulevard frontages of PPD 86-17 and PPD 87-12.
37	Multi-Family	The Mountain View Avenue frontage of PPD 85-6.
38	Commercial	The Redlands Boulevard frontage of PPD 85-8.
39	Residential	The Beaumont Avenue boundary and various interior streets of Tract No. 13887.
40	Multi-Family	The Oakwood and Barton Road frontages of Parcel Map 11886.
41	Residential	The George, Whittier, Beaumont, and Bryn Mawr frontages and various interior streets of Tract No. 13943.
42	Residential	The Mountain View Avenue frontage of Tract No. 14216.
43	Multi-Family	The Mountain View and Prospect Avenue frontages of Tract No. 14339.
44	Commercial	The Beaumont Street frontage of Tract No. 12962.
45	Commercial	The Barton Road frontage of the mini-storage on Barton Road west of California Street.
46	Commercial	The Redlands Boulevard frontage of PPD 88-10.
48	Residential	Barton Road Frontage. (northwest corner of Barton Road and Benton Street).
50	Commercial	The Redlands Boulevard frontage of CUP 93-2.
51	Commercial	The Redlands Boulevard frontage of Tract No. 12916.
52	Commercial	The Redlands Boulevard frontage of CUP 93-5.
53	Commercial	The Redlands Boulevard frontage of the College Home Tract.
54	Residential	Tract Nos. 14544, 14545, 14552.
55	Residential	Tract No. 15071.
56	Residential	Tract No. 15917, Van Leuven and San Timoteo Creek.
57	Commercial	24913 Redlands Boulevard.
58	Residential	Tract No. 16016, Prospect Avenue and Mountain View.
59	Residential	Tract No. 14543, Lawton Avenue and Whittier Avenue.
60	Commercial	Along Barton Rd. between Mountain View and Bryn Mawr Ave.
61	Residential	Tract No. 16234, Cole Street east of Benton Street.
62	Residential	Improvements along Oakwood Drive.
63	Residential	Parkways and median right of ways along Mission Road and common areas and road medians within Tract No. 16341.
64	Residential	Parkways along Newport Avenue and common areas within Tract No. 16382.
65	Residential	Parkways along Barton Road, Barton Road Median, New Jersey Street, Orange Avenue, and California Street, and common areas within Parcel Map 16120.
66	Residential	Parkways adjacent to Bryn Mawr Avenue and George Street and slope easements adjacent to Bryn Mawr Avenue and George Street.
67	Residential	Parkways along Whittier Avenue and First Street.
68	Residential	Common areas within Parcel Map 16323.
69	Residential	Median landscaping along Mission Road from Mesquite Avenue and Earp Drive, and common areas within Parcel Map 16730.
70	Commercial	Landscape and irrigation improvements within or adjacent to the annexation territory and surrounding properties.

Annexation Number	Type of Development	Description of Area and Improvements
71	Commercial	Median landscaping surrounding the commercial development located on the northeast corner of California Avenue and Barton Road.
72	Commercial	South side of Barton Road approximately 600 feet easterly of Mountain View Avenue (25805 and 25875 Barton Road).
73	Commercial	West side of Mountain View Avenue, and north side of Redlands Blvd.
74	Residential	East of California Street and south of Citrus Avenue.
75	Residential	East and west sides of New Jersey Street, between Orange Avenue and Citrus Avenue.
76	Residential	South of Redland, west of California Street and north of Mission Road.
77	Residential	South of Park Avenue and west of Bryn Mawr Avenue

** Annexations 11, 12, 47, and 49 were combined with annexations 26, 43, 46 and 54. Annexations 63, 64, 66, 67, 68 and 69 have homeowners' associations that will maintain most or all common area landscaping within the interior of the respective developments. Annexations 30, 32, and 44 have no landscaping and are not assessed. See chart on page 12 for additional information on status.*

Landscaped areas are portions of easements or road rights-of-way previously granted to the City, and the City has determined that properties within the District receive special benefit from the maintenance and servicing of these improvements.

The plans and specifications for the landscaping and irrigation improvements within each annexation have been prepared by the developer and have been approved as part of the improvement plans for the various developments. The plans and specifications for the landscaping and irrigation are in conformance with the requirements of the City Council conditions of approval of said Parcel Maps, Tracts, and Planned Parcel Developments.

Plans and specifications for the improvements for the original District and each subsequent annexation are voluminous and are not bound in this report but are on file in the office of the City Clerk and the City Engineer where they are available for public inspection. Said plans and specifications are by reference incorporated and made part of this report.

III. METHOD OF APPORTIONMENT

A. GENERAL

Pursuant to the 1972 Act and the provisions of Article XIIID, the costs of the District are apportioned by a formula or method which fairly distributes the net amount to be assessed among the assessable parcels in proportion to the special benefits received by each such parcel from the improvements and a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel. Article XIIID requires that only special benefits are assessable and that the agency shall separate the general benefit from special benefit. A special benefit is a particular and distinct benefit over and above general benefits

conferred on the public at large, including real property within the district. The general enhancement of property value does not constitute a special benefit. Each parcel within the District receives special benefits from the improvements due to the close proximity of the landscaping improvements to each parcel.

B. SPECIAL BENEFIT

The method of apportionment (method of assessment) is based on the premise that each assessed parcel receives special benefit from the improvements maintained, serviced and funded by the assessments and specifically, the landscape and irrigation improvements installed in connection with the development of these parcels. The desirability of properties within the District is enhanced by the presence of well-maintained landscaping improvements in close proximity to those properties.

The annual assessments outlined in this Report are based on the estimated costs to provide necessary services, operation, administration, and maintenance required to ensure the satisfactory condition and quality of each improvement. The District improvements include various landscaped areas and accompanying appurtenances that provide special benefits to various properties within the District.

The special benefits associated with the landscaping improvements are specifically:

- Enhanced desirability of properties through association with the improvements.
- Improved aesthetic appeal of properties within the District providing a positive representation of the area.
- Enhanced adaptation of the urban environment within the natural environment from adequate green space and landscaping.
- Environmental enhancement through improved erosion resistance and dust and debris control.
- Increased sense of pride in ownership of property within the District resulting from well-maintained improvements associated with the properties.
- Reduced criminal activity and property-related crimes (especially vandalism) against properties in the District through well-maintained surroundings and amenities.
- Enhanced environmental quality of the parcels by moderating temperatures, providing oxygenation and attenuating noise.

The preceding special benefits contribute to a special enhancement and desirability of each of the assessed parcels within the District.

C. GENERAL BENEFIT

In addition to the special benefits received by the parcels within the proposed annexation, there are incidental general benefits conferred by the improvements within the District.

Each of the following constitutes incidental general benefits conferred by the District improvements:

- The proper maintenance of landscaping and appurtenant facilities within the District will control dust from blowing onto properties outside of the District boundaries.
- The control of erosion will reduce runoff into the City's storm drain system.
- The proper maintenance of landscaped areas will facilitate proper drainage of properties within the District and also reduces the potential for flooding damage to properties on the downward slope from the District.
- The spraying and treating of landscaping within the District for disease reduces the likelihood of insect infestation and other diseases spreading to landscaping located throughout other properties within the City.
- The proper maintenance of landscaping and ornamental structures provides a positive visual experience to persons passing by the District boundaries.

The total benefits are thus a combination of the special benefits to the parcels within the District and the general benefits to the public at large and to adjacent property owners. The portion of the total landscape maintenance and servicing costs that are associated with general benefits will not be assessed to the parcels in the District but will be paid from other City Funds.

For the District, there are particular areas identified as the landscaping areas along Mt. View Ave. between Lawton Ave. and Beaumont Ave., Beaumont Ave. between Mt. View Ave. and UPRR, Bryn Mawr Ave. between Beaumont Ave. to Newport Ave., and Whittier Ave. between Beaumont Ave., and UPRR that also benefit the public at large. In this case, the landscaping areas are not the responsibility of the property owners in the District alone, and a greater general benefit component is considered and included in the General Fund Contribution in the budget on page 17.

D. NO LANDSCAPING IMPROVEMENTS, PARTIALLY MAINTAINED OR SELF MAINTAINED

The cost allocation/special benefit nexus to developed parcels in each annexation area is similar and appropriate for most parcels. In addition, the landscape improvements in some annexations are currently maintained by the property owners and are proposed to be maintained by the property owners this coming fiscal year if approved by the City Council. Also, City, County and Redevelopment Agency annexations are exempt and are not assessed.

The following is a list of annexations within the above header category and their status.

Annexation No.	Status
3	Self-Maintained
7	Self-Maintained
8	Self-Maintained
9	Self-Maintained
13	Self-Maintained

Annexation No.	Status
77	Self-Maintained

**Annexations 11, 12, 47, and 49 were combined with annexations 26, 43, 46 and 54. Annexations 63, 64, 66, 67, 68 and 69 have homeowners' associations that will maintain most or all common area landscaping within the interior of the respective developments. Annexations 30, 32, and 44 have no landscaping and are not assessed.*

Property owners having parcels within the District who are allowed to provide for their own landscape maintenance receive no assessment associated with the maintenance costs because these costs are paid directly to their own employees or contractor for this maintenance. They may also pay direct water costs to keep the landscaping alive and well. However, they will receive special benefit and be assessed for the costs associated with the Report and District administration to ensure that the required landscaping will be maintained to the standards established by the City and anticipated when the improvements were initially required.

Since this special benefit is associated with each annexation area, the assessments are based on the number of units of assessment for each annexation area. Thus, the assessments are the same to administer and to prepare the Report for the annexation areas providing their own landscape maintenance.

E. ASSESSMENT METHODOLOGY

The costs to provide maintenance and servicing of the improvements within or adjacent to the original area and each annexation area represent a zone of benefit ("Zone") and provide a distinct and special benefit to each parcel in the Zone. The costs to provide maintenance and servicing of the improvements for each Zone are determined and are fairly and equitably distributed among each assessable parcel in the Zone based upon the estimated special benefit received by each parcel. The costs of the Report and District administration are fairly and equitably distributed to all Zones, including those that have no improvements or that are fully or partially self-maintained.

Assessable parcels within each Zone are determined to receive the same special benefit from the improvements due to their similarity in size and use and their similar proximity to the improvements. Therefore, each assessable parcel in a Zone is assessed an equal amount.

For Fiscal Year 2024/2025 the assessment rate within each Zone will be the Balance to Levy divided by the number of assessable parcels which is equivalent to Equivalent Benefit Unit as shown in Budget.

F. ASSESSMENT RANGE FORMULA

An assessment range formula for the District assessments has been confirmed through property owner ballot proceedings in compliance with Article XIIID, except those existing assessments within the District, such as the **Original District and Annexations 1-50,** which qualified as exempt assessments pursuant to Article XIIID, Section 5 of the Constitution and did not require a ballot proceeding under the provisions of Section 4. The purpose of establishing an assessment range formula is to provide for reasonable increases and inflationary adjustment to the assessment amounts without requiring costly noticing and mailing procedures, which would be added to the District costs and assessments. The assessment range formula shall be applied to future assessments within the District. The following describes this assessment range formula:

Wherein, if the proposed assessment (levy per unit or rate) is less than or equal to, the prior year's maximum assessment plus the adjustments described in the following, then the proposed assessment is not considered an increased assessment.

For **Annexations 51 through 77**, the maximum assessment amount allowed for each fiscal year shall be adjusted annually by an amount equal to the percentage increase of the Consumer Price Index ("CPI") for the Riverside-San Bernardino-Ontario area for Urban Consumers, as developed by the U.S. Bureau of Labor Statistics, for March of the current year and the CPI for March of the previous year. The CPI adjustment for Fiscal Year 2024/2025 is 4.26%. Such assessment adjustments shall not be considered an increase in assessment and shall not require that a notice or Assessment Ballot be sent to property owners within these annexation areas. The base assessment amount will be the amount originally noticed and approved by the property owners at the time of formation and adjusted annually to establish the new maximum assessment amounts. An increased assessment that exceeds this adjusted maximum assessment amount will require property owner balloting approval before the increase may be imposed.

IV. DISTRICT BUDGETS

A. DESCRIPTION OF BUDGET ITEMS

The following is a brief description of the costs associated with the improvements and services funded through the District.

DIRECT COSTS:

Maintenance — Includes regularly scheduled labor and general maintenance cost including wages, salaries, benefits, and contract services required to properly maintain and ensure the satisfactory condition of the improvements and appurtenant facilities.

Utilities — The furnishing of water and electricity required for the operation and maintenance of the improvements and facilities.

Capital Repairs/Improvements — This item includes repairs to the improvements and facilities that are not included in the yearly maintenance costs. This may include repair of damaged amenities due to vandalism, storms, etc. Also included may be planned upgrades or replacements of the improvements and equipment that provide a special benefit to the District. Includes materials, supplies (e.g., pipe, fertilizer, insecticides, fuel, cleaning material etc.), and equipment (e.g., communication, small tools, rentals, machinery etc.) required to operate, maintain, and ensure the satisfactory condition of the improvements and appurtenant facilities.

ADMINISTRATIVE COSTS:

Administration/Operations/Insurance — May include the administrative and professional service costs associated with the coordination of District services and operations including response to public concerns and education, procedures associated with the levy and collection of assessments, the costs of contracting with professionals to provide administrative, legal or engineering services specific to the District, and the cost for the County to collect assessments on the property tax bills.

Professional Services — The cost of contracting with professionals to provide services specific to the levy of assessments and annual administration of the District.

OTHER BUDGET ITEMS:

General Fund Contributions — If the amount that can be collected through the annual assessments is not sufficient to cover the total annual direct costs and administrative costs, a General Fund contribution from the City may be necessary

to cover the shortfall. Part of the general fund funding is justified for the landscape within the “General Benefit” of the City.

Credit/Adjustments/HOA Adjustments — Miscellaneous credits to the levy, such as the application of excess District funds, etc.

Total Number of Parcels — The total number of parcels within the District.

Total Parcels Levied — The total number of parcels within the District that are assessed. Non-assessable lots or parcels include properties that have been determined to receive no special benefits from the improvements and may include land principally encumbered by public or other rights-of-way or easements, common areas, and/or parcels that have restricted use or development potential.

Levy per Parcel (shown in Appendix “A”) — This amount represents the assessment rate being applied to each assessable parcel in each area. The Levy per Parcel is the result of dividing the Balance to Levy per area by the sum of the number of assessable parcels.

B. ASSESSMENT DETAILS

Throughout the District there are certain annexations that receive different considerations in determining their annual assessments.

Annexations 3, 7, 8, 9, 13, 14, 15b, 20, 23, 25, 28, 36a, 40, 43, 45, 50, 57, 58, 60, 65, 73, ***74, 75 and 76*** are self-maintained areas and are not assessed.

Annexations 63, 64, 66, 67, 68 and 69 are areas maintained by a Homeowner’s Association, and assessments are reduced to reflect only the improvement costs paid by the City and/or administrative costs associated with the area.

Annexations 11, 12, 47, and 49 were combined and are not assessed. ***Annexation 23*** *is not assessed due to it government status.* ***Annexations 30, 32, and 44*** have no landscaping and are not assessed.

Annexations 51 through 77 receive an annual increase in their maximum assessments based on the annual CPI index, if the annexation is self-maintaining the inflator information is provided for tracking purposes only in the event the City every takes over the maintenance for that area.

C. DISTRICT BUDGET FISCAL YEAR 2024/2025

LMD	TOTALS

Notes: (1) Self-Maintained- Not Assessed. (2) Government/County- Not Assessed. (3) No Landscaping- Not Assessed (4) Combined, no longer annexations- Not Assessed.
(5) HOA maintains portions of direct costs. (6) Allowable CPI inflator applied. Slight variances due to rounding. Zone 70, Zone 76 and Zone 77 is calculated by EBU count.

VI. APPENDIX B - DISTRICT ASSESSMENT DIAGRAM

An Assessment District Diagram has been prepared for the District in the format required by the 1972 Act and is on file with the City Clerk and, by reference, is made part of this Report. The Assessment Diagram is available for inspection at the Office of the City Clerk during normal business hours.

VII. APPENDIX C – 2024/2025 ASSESSMENT ROLL

Parcel identification, for each lot or parcel within the District, shall be the parcel as shown on the San Bernardino County Assessor Parcel Maps and/or the San Bernardino County Secured Tax Roll for the year in which this Report is prepared.

Non-assessable lots or parcels may include government owned land, public utility owned property, land principally encumbered with public rights-of-way or easements, and dedicated common areas. These parcels will not be assessed.

Parcel listing of the District, along with the proposed assessment amounts, has been submitted to the City Clerk and are made part of this Report.

Upon approval of the Engineer's Annual Levy Report and confirmation of the assessments, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll in Fiscal Year 2024/2025. If the parcels or assessment numbers within the District and referenced in this Report are re-numbered, re-apportioned or changed by the County Assessor's Office after approval of the Report, the new parcel or assessment numbers with the appropriate assessment amount will be submitted to the County Auditor/Controller. If the parcel change made by the County includes a parcel split, parcel merger or tax status change, the assessment amount submitted on the new parcels or assessment numbers will be based on the method of apportionment and levy amount approved in this Report by the City Council.

RESOLUTION NO._____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMA LINDA, COUNTY OF SAN BERNARDINO, CALIFORNIA, INITATING PROCEEDINGS AND ORDERING THE PREPARATION OF AN ENGINEER'S REPORT FOR LANDSCAPE MAINTENANCE DISTRICT NO. 1 FOR FISCAL YEAR 2024/2025

The City Council of the City of Loma Linda (“City”), pursuant to the provisions of the Landscaping and Lighting Act of 1972, being division 15 of the Streets and Highways Code of the State of California ("Act"), desires to initiate proceedings for Loma Linda Landscape Maintenance District No. 1, Annexations Original, and 1 through 77 ("District") and for the levy and collection of assessments within the proposed District for the fiscal year 2024/2025, for the purposes provided therefore in the Act; and

The public interest and convenience require the City to initiate proceedings for the levy of assessments within the District for the fiscal year 2024/2025, for the purposes provided thereof in the Act; and

Section 22622 of the Act requires the City to adopt a resolution generally describing any proposed new improvements or any substantial changes in the existing improvements and ordering the Engineer to prepare and file a report in accordance with Article 4 of the Act.

WHEREAS, the City Council of the City of Loma Linda determined that the public interest, convenience and necessity required the installation and planting of landscape materials and the installation and construction of an irrigation system and other facilities set forth in Section 22525 of the Streets and Highways Code, State of California, and the maintenance thereof within the incorporated boundaries of the City of Loma Linda as shown on the attached map; and

WHEREAS, Willdan Financial Services, 27368 Via Industria, Suite 200, Temecula California, 92590, was appointed "Engineer of Work" with all provisions of Division 15 applicable to the Engineer applied to said "Engineer of Work"; and

WHEREAS, Section 22622 requires that an Engineer's Report be prepared and filed annually, outlining the assessments to be levied against the properties within the assessment district; and

WHEREAS, the City Council has determined that certain commercial and multi-family residential properties could provide their own landscape maintenance to standards acceptable to the City; and

WHEREAS, Annexations 51 through 77 have an approved CPI factor that is included in the calculation of the maximum assessment annually; and

Resolution No. _____

WHEREAS, Proposition 218, Right to Vote on Taxes Act, was approved by the voters on November 5, 1996, added Articles XIIIC and XIIID to the California Constitution which exempts any assessments imposed when persons owning all of the parcels subject to the assessment agreed to being included in the District and subject to the assessment at the time the assessment is initially imposed; and

WHEREAS, each and every property owner comprising all of the parcels within the District was conditioned to install landscape improvements and agreed to their parcels being included in the District when the assessments were initially imposed; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Loma Linda that

1. The Engineer of Work is ordered to prepare the report for fiscal year 2024/2025 in accordance with Article 4, Division 15, of the Streets and Highways Code, "Landscaping and Lighting Act of 1972" of the State of California, to reflect the benefit determination outlined above; and

2. The landscaping maximum assessments for fiscal year 2024/2025 are not increased over those imposed for fiscal year 2023/2024 with the exception of Annexations 51 through 77 by a CPI factor; and

3. The formula used to annually adjust the maximum assessment rate for this District is based on the annual percentage change in the Consumer Price Index (CPI) for All Urban Consumers for Riverside-San Bernardino-Ontario areas. Typically, the percentage change is based on the change from March of the previous year to March of the current year, but may be based on a similar time period if the March percentage change is not available when the Preliminary Engineer's Report is prepared. The adjusted maximum assessment rate for the Annexations listed in Item # 2 above for fiscal year 2024/2025 has been increased by 4.26% over the previous fiscal year based on the percentage change in CPI from March 2023 to March 2024.

4. Mailed notices and Assessment Ballots are not required if assessments are not increased above the approved maximum assessment other than for the amount of the current CPI.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMA LINDA, COUNTY OF SAN BERNARDINO, PRELIMINARILY APPROVING ENGINEER'S REPORT FOR FISCAL YEAR 2024/2025 FOR LANDSCAPE MAINTENANCE DISTRICT NO. 1

The City Council of the City of Loma Linda (the “City”), pursuant to the provisions of the Landscaping and Lighting Act of 1972, being division 15 of the Streets and Highways Code of the State of California (the "Act"), has ordered the preparation of an Engineer’s Report and has filed said Report titled “Loma Linda Landscape Maintenance District No. 1, Annexations Original and 1 through 77” (the "District") and has initiated proceedings for the levy and collection of assessments within the proposed District for the fiscal year 2024/2025, for the purposes provided therefore in the Act; and

WHEREAS, the City Council, has by previous Resolution, ordered the preparation of the Engineer’s Report and directing the Engineer of Work to make and file with the City Clerk of said City a report in writing as required by the Landscaping and Lighting Act of 1972 for fiscal year 2024/2025; and

WHEREAS, said Engineer of Work has made and filed with the City Clerk of said City a report in writing as called for in said Resolution and under and pursuant to said Act, which report has been presented to this Council for consideration; and

WHEREAS, said Council has duly considered said report and each and every part thereof, and finds that each and every part of said report is sufficient, and that said report, nor any part thereof, requires or should be modified in any respect; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Loma Linda that:

1. The Engineer's estimate of the itemized costs and expenses of said work and of the incidental expenses in connection therewith, contained in said report be, and each of them is hereby, preliminarily approved.

2. The diagrams showing the Assessment District referred to and described in said report, the boundaries of the subdivision of land within said Assessment District, as the same existed at the time of passage of said Resolution are hereby preliminarily approved.

3. The proposed assessments upon the subdivisions of land in said Assessment District is in proportion to the estimated special benefit to be received by said subdivisions, respectively, from said work and of the incidental expenses thereof, as contained in said report are hereby preliminarily approved.

4. Said report shall stand as the Engineer's Report for the purposes of all subsequent proceedings.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMA LINDA, COUNTY OF SAN BERNARDINO, CALIFORNIA DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS FOR FISCAL YEAR 2024/2025 IN LANDSCAPE MAINTENANCE DISTRICT NO. 1, AN ASSESSMENT DISTRICT; DECLARING THE WORK TO BE OF MORE SPECIAL THAN GENERAL PUBLIC BENEFIT; SPECIFYING THE EXTERIOR BOUNDARIES OF THE AREAS WITHIN LANDSCAPE MAINTENANCE DISTRICT NO. 1 TO BE ASSESSED THE COST AND EXPENSE THEREOF; DESIGNATING SAID DISTRICT AS LANDSCAPE MAINTENANCE DISTRICT NO. 1, DETERMINING THAT THESE PROCEEDINGS SHALL BE TAKEN PURSUANT TO THE LANDSCAPING AND LIGHTING ACT OF 1972; AND OFFERING A TIME AND PLACE FOR THE PUBLIC HEARING

The City Council of the City of Loma Linda (the “City”) pursuant to the provisions of the Landscaping and Lighting Act of 1972, being Division 15 of the Streets and Highways Code of the State of California, does resolve as follows:

WHEREAS, it is the intention of the City Council of the City of Loma Linda, California, to order the following work be done:

1. Maintenance and servicing of facilities and landscaping as authorized by Section 22525 of the Streets and Highways Code.

2. Any and all work and materials appurtenant thereto or which are necessary or convenient for the maintenance and servicing thereof; and

WHEREAS, the foregoing described work is to be located within the right-of-way and easements along existing streets which have heretofore been maintained by the District throughout the City of Loma Linda, more particularly described on maps which are on file in the City Clerk's Office entitled, "Landscape Maintenance District No. 1"; and

WHEREAS, that the contemplated work, in the opinion of said City Council, is of more than special than general public benefit, and the said City Council hereby makes the expense of the said work chargeable upon a district, which said district is more particularly described on maps which are on file in the City Clerk’s Office entitled, “Landscape Maintenance District No 1”; and

WHEREAS, the City Council of said City has, by previous Resolution, preliminarily approved the report of the Engineer of Work, which report indicates the amount of the proposed assessment, the district boundary, including the annexation territories, detailed description of improvements, and the method of assessment. The report titled "City of Loma Linda, Landscape Maintenance District No., 2024/2025 ENGINEER’S ANNUAL LEVY REPORT " is on file in the Office of the City Clerk of said City and was prepared for fiscal year 2024/2025 in accordance with the Landscaping and Lighting Act of 1972. Reference to said report is hereby made for all particulars for the amount and extent of the assessments and for the extent of the work; and

WHEREAS, in order to maintain the facilities at a standard acceptable to the City, the assessments within the District will need to be levied for fiscal year 2024/2025; and

WHEREAS, Proposition 218, the Right to Vote On Taxes Act does hereby require that if the assessment rate is to be increased, a notice of the proposed assessment along with a ballot shall be mailed to all owners of identified parcels within the District, and that the agency shall conduct a public hearing not less than 45 days after the mailing of said notice; and

WHEREAS, the maximum assessments for fiscal year 2024/2025 are not proposed to be increased for areas with no Consumer Price Index (CPI) and only by CPI for Annexations 51 through 77; and

WHEREAS, the formula used to annually adjust the maximum assessment rates for Annexations 51 through 77 is based on the annual percentage change in the Consumer Price Index (CPI) for All Urban Consumers for Riverside-San Bernardino-Ontario areas. Typically, the percentage change is based on the change from March of the previous year to March of the current year but may be based on a similar time period if the March percentage change is not available when the Preliminary Engineer's Report is prepared. The adjusted maximum assessment rate for fiscal year 2024/2025 has been increased by 4.26% over the previous fiscal year based on the percentage change in CPI from March 2023 to March 2024.

WHEREAS, notices and Assessment Ballots are not required if assessments are not increased above the approved maximum assessment other than for the amount of the current CPI; and

WHEREAS, the assessment shall be collected at the time and in the same manner as County taxes are collected. The Engineer of Work shall file a report annually with the City Council of said City and said Council will annually conduct a hearing upon said report, at which time assessments for the next fiscal year will be determined; and

WHEREAS, all the work herein proposed shall be done and carried through in pursuance of an act of the legislature of the State of California designated the Landscaping and Lighting Act of 1972, being Division 15 of the Streets and Highways Code of the State of California; and

WHEREAS, published notice shall be made pursuant to Section 6061 of the Government Code. The publication of notice of hearing shall be completed at least 10 days prior to the date of hearing; and

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Loma Linda that:

1. Notice is hereby given that on the 11th day of June 2024 at the hour of 7:00 p.m., or as soon thereafter as possible, in the City Council Chamber at 25541 Barton Road, in the City of Loma Linda, any and all persons having any objections to the work, annexations, or extent of the assessment district, may appear and show cause why said work should not be done or carried out in accordance with this Resolution of Intention. The City Council will consider all oral and written protests; and

2. The City Clerk shall certify to the adoption of this Resolution.

Regular City Council Staff Report

Adopt Resolutions for the Street Light Benefit Assessment District Annual Report - Fiscal Year 2024-2025 [Public Works]

Meeting	Agenda Group
Tuesday, May 14, 2024, 7:00 PM	Consent Calendar Item: 3E

To	From
City Council	Jeff Peterson, Associate Engineer

Via
T Jarb Thaipejr, City Manager

RECOMMENDATION:

It is recommended that the City Council approve:

Council Bill #R-2024-07 – Ordering preparation of the Annual Report

Council Bill #R-2024-08 – Preliminarily approving the Annual Report; and

Council Bill #R-2024-09– Setting the public hearing regarding the annual assessments for June 11, 2024

BACKGROUND:

The City of Loma Linda annually levies and collects special assessments to provide and maintain the improvements within the Loma Linda Street Light Benefit Assessment District No.1. The District has been formed and annual assessments are established pursuant to the *Landscape and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code* and Article XIIID of the California Constitution.

ANALYSIS:

The Annual Report has been submitted by Willdan Financial Services, the Assessment Engineer. The total assessment for FY 24-25 will be $365,191. Expenditures for FY 24-25 are estimated to be $457,900. The difference will be funded with the previous year's carryover. Again. at the end of the fiscal year, it is projected that the Street Light Assessment fund will have a surplus balance, which will carry over to the next fiscal year.

ENVIRONMENTAL IMPACT:

N/A

FINANCIAL IMPACT:

Funding from Account No. 1725100-51820, Professional Services, for the assessment and report services.

I. OVERVIEW

A. INTRODUCTION

The City of Loma Linda ("City") annually levies and collects special assessments in order to provide and maintain the improvements within the Loma Linda Street Light Benefit Assessment District No. 1 ("District"). The District has been formed and annual assessments are established pursuant to the Landscape and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code (the "1972 Act") and the California Constitution Article XIIID ("Article XIIID").

The Engineer's Annual Levy Report ("Report") describes the District, any changes to the District, and the proposed assessments for Fiscal Year 2024/2025. For the purposes of this Report, the word "parcel" refers to an individual property assigned its own Assessor's Parcel Number ("APN") by the County of San Bernardino ("County") Assessor's Office. The County Auditor/Controller uses APNs and specific Fund Numbers to identify properties on the tax roll assessed for special district benefit assessments. The proposed assessments are based on the historical and estimated costs to maintain the improvements that provide special benefit to properties within the District. The improvements within the District and the corresponding costs that make up the annual levy and that are budgeted and assessed to the District include budgeted expenditures, deficits, surpluses, revenues, and reserves. Each parcel is assessed proportionately for only those improvements provided and for which the parcel receives special benefit.

Following review of the Report and consideration of public comments and written protests at a noticed public hearing, the City Council may order amendments to the Report or approve the Report as submitted. Following approval of the Report, the Council may order the levy and collection of assessments for Fiscal Year 2024/2025 pursuant to the 1972 Act. In such case, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll for each benefiting parcel for Fiscal Year 2024/2025.

B. COMPLIANCE WITH CURRENT LEGISLATION

On November 5, 1996, California voters approved Proposition 218. This Constitutional amendment was the latest in a series of initiatives altering the revenue-raising discretion of California's local agencies. The provisions of Proposition 218 are set forth in the California Constitution Articles XIIIC and XIIID.

In Article XIIID Section 2 (b), "Assessments" are defined as:

> "*…any levy or charge upon real property by an agency for a special benefit conferred upon the real property. 'Assessment' includes, but is not limited to, 'special assessment,' 'benefit assessment,' 'maintenance assessment,' and 'special assessment tax.'*"

Streetlights and traffic signals are installed on and for street purposes and are maintained and serviced to allow the street to perform to the standards it was designed. Assessments for the maintenance and servicing of streets include streetlights and traffic signals, and pursuant to the provisions of Article XIIID Section 5(a), existing assessments for street maintenance are exempt from the procedural requirements of Article XIIID Section 4 until such time that the assessments are increased.

It is the understanding of the Assessment Engineer that the assessments were to fund a degree of maintenance and servicing, which can fluctuate from year to year. As long as the maximum assessment for any prior year is not exceeded in future years, assessment balloting is not required.

II. DESCRIPTION OF THE DISTRICT

A. BOUNDARIES OF THE DISTRICT

The boundaries of the District are coterminous with the City as shown on the map entitled, "Diagram Street Light Benefit Assessment District No. 1, City of Loma Linda, California" which is on file in the Office of the City Clerk, City of Loma Linda, California. There have been annexations into the District throughout the years the most recent annexations since fiscal year 2017/2018 are identified below:

Annexation	Fiscal Year
Citrus Lane	2017/2018
New Jersey Street	2018/2019

B. IMPROVEMENTS AUTHORIZED BY THE 1972 ACT

As applicable or may be applicable to this proposed District, the 1972 Act defines improvements to mean one or any combination of the following:

- The installation or planting of landscaping.
- The installation or construction of statuary, fountains, and other ornamental structures and facilities.

- The installation or construction of public lighting facilities.

- The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof, including, but not limited to, grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.

- The maintenance or servicing, or both, of any of the foregoing.

- The acquisition of any existing improvement otherwise authorized pursuant to this section.

Incidental expenses associated with the improvements including, but not limited to:

- The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;

- The costs of printing, advertising, and the publishing, posting and mailing of notices;

- Compensation payable to the County for collection of assessments;

- Compensation of any engineer or attorney employed to render services;

- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;

- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5.

- Costs associated with any elections held for the approval of a new or increased assessment.

The 1972 Act defines "Maintain" or "maintenance" to mean furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including:

- Repair, removal, or replacement of all or any part of any improvement.

- Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury.

- The removal of trimmings, rubbish, debris, and other solid waste.

- The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.

C. DESCRIPTION OF THE DISTRICT IMPROVEMENTS AND SERVICES

The improvements in the District are for maintenance and servicing of streetlights, traffic signals and intersection lighting. They are an integral part of the entire street, the same as curb, gutters, pavement, signage and striping. Taken as a group, they are the elements that provide a safe route for motorists.

Streetlights and traffic signals are installed to make streets safer. The traffic signals assign the right-of-way for motorists. Streetlights are installed to provide better visibility for drivers. One hundred (100) percent of the illumination from the lights is directed to the street, ninety (90) percent on the street side of the curb and ten (10) percent behind the curb. The spacing of the lights is based on the speed of the vehicles and the natural ability of the motorists' eyes to adjust to lighter and darker areas.

The existing streetlight and traffic signal improvements are owned either by the Southern California Edison Company, the State of California Department of Transportation, or the City. Facilities owned by either the Southern California Edison Company or the State of California Department of Transportation were constructed in accordance with plans and specifications on file with the respective owners. Facilities constructed for or by the City are on file in the City offices. Reference is hereby made to said plans and specifications and they are by reference made a part of this report to the same extent as if said plans and specifications were attached hereto.

Although the 1972 Act allows for the construction of improvements and the assignment of the benefit assessments associated therewith, it is not anticipated that any new improvements will be installed nor benefit assessments made for the installation of improvements for Fiscal Year 2024/2025.

III. METHOD OF APPORTIONMENT

A. GENERAL

Pursuant to the 1972 Act and the provisions of the California Constitution, the costs of the District are apportioned by a formula or method that fairly distributes the net amount to be assessed among all assessable parcels in proportion to the special benefit to be received by each such parcel from the improvements. Article XIIID requires that a parcel's assessment may not exceed the reasonable cost of the proportional special benefit conferred on that parcel. Article XIIID also requires the agency to separate the general benefit from special benefit and that only special benefit is assessable.

Each parcel within the District receives special benefit from the improvements due to the close proximity of the lighting improvements to each parcel. The proposed assessments for Fiscal Year 2024/2025 are at the same rate as in the prior Fiscal Year 2024/2025. Since the assessments are not new or increased, and are for streetlights, they are currently exempt from the procedures and approval process of Article XIIID.

The cost to provide maintenance and servicing of the improvements within the District is fairly and equitably distributed among each assessable parcel based upon the estimated special benefit received by each parcel.

B. BENEFIT ANALYSIS

The City Council, in determining the necessity of forming the District, considered the increasing cost of providing services to the residents, businesses, and properties located within the City. The benefits of street lighting conferred upon the property within the District include the convenience, safety, and security of property, improvements and goods. Specifically:

1. Enhanced deterrence of crime and the aid to police protection.
2. Increased nighttime safety on streets through enhanced visibility.
3. Improved sense of security and safety for pedestrians, motorists and property owners.
4. Improved ingress and egress to property.
5. Reduced vandalism, other criminal acts and damage to improvements or property.
6. Reduced personal property loss.

The preceding special benefits contribute to a special enhancement and desirability of each of the assessed parcels within the District.

C. METHODOLOGY

Assessments proposed for individual lots within the District will be for special benefit received and will be determined based upon four benefit zones.

1. Residential parcels within the urban area having a minimal level of benefit.
2. Residential parcels within the urban area having a higher than minimal level of benefit.
3. Non-Residential land use within the urban area.
4. Rural land use outside the urban area.

The benefit to be received by each zone varies. There are residential properties within the urban area that have fewer streetlights than other urban residential areas and thus receive less benefit. There are rural areas that have even fewer residential streetlights than even the minimum urban residential areas and thus receive less benefit. The non-residential properties are generally sited along the major arterial streets and receive a higher level of street lighting and thus receive the highest level of benefit. These same levels of benefit are also reflected in the maintenance and servicing of traffic signals.

The benefit to properties for traffic signals and intersection and highway safety lighting on the City's major streets is a benefit to the parcels within the City. The parcels share equally the cost of the signal and highway safety lights. Thus, the total benefit to each parcel within the District is a combination of the traffic signal and highway safety lighting, plus the various levels of lighting for the residential (minimal), residential (standard), non-residential and rural zones as described above.

Properties within the District have been categorized into one of the four benefit zones. Each property has been given 1 Unit of Benefit subsequent to its categorization. Please refer to Section B “Assessment Calculation” of this report for further particulars on

assessments per 1 Unit of Benefit.

For a detailed explanation of the basis for assessing properties for streetlights and traffic signals, refer to Section 6, “Assessment Basis,” in the Fiscal Year 1982/1983 Engineer's Report for the District.

The City Council has determined that streetlights and traffic signals are an integral part of the quality of life within the City and that the parcels within the City, except publicly and government owned ones, benefit to some degree from these systems.

Railroad, gas, water or electric utility or electric line rights-of-way included within the District will not be assessed for said benefit. In addition, public schools, government agencies, and parcels with no road frontage will not be assessed.

IV. DISTRICT BUDGETS

A. ESTIMATED MAINTENANCE AND SERVICING COSTS

The maintenance and servicing of existing streetlight and traffic signal facilities is performed by either the Southern California Edison Company, the State of California Department of Transportation or by the City through its own forces or contract personnel. The portion of the streetlight system owned and operated by the Southern California Edison Company is billed to the City on a monthly flat rate or metered basis. These flat rates or metered amounts vary based upon the type and size of luminaries and actual metered amounts.

A portion of the street lighting system is owned and maintained by the City. Electrical energy is purchased from the Southern California Edison Company at metered locations. Again, as with the Edison-owned lights, there are frequent increases in the electrical energy costs; however, with the City-owned system, these increases are termed “fuel cost adjustments”.

B. DESCRIPTION OF BUDGET ITEMS

The following is a brief description of the costs associated with the improvements and services funded through the District.

DIRECT COSTS:

Maintenance **—** Includes regularly scheduled labor and general maintenance cost including wages, salaries, benefits and contract services required to properly maintain and ensure the satisfactory condition of the improvements and appurtenant facilities.

Utilities **—** The furnishing of water and electricity required for the operation and maintenance of the improvements and facilities.

Capital Repairs / Improvements **—** This item includes repairs to the improvements and facilities that are not included in the yearly maintenance costs. This may include repair of

damaged amenities due to vandalism, storms, etc. Also included may be planned upgrades or replacements of the improvements and equipment that provide a special benefit to the District. Includes materials, supplies, and equipment required to operate, maintain and ensure the satisfactory condition of the improvements and appurtenant facilities.

ADMINISTRATIVE COSTS:

***Administration/Operations/Insurance* —** May include the administrative and professional service costs associated with the coordination of District services and operations including response to public concerns and education, procedures associated with the levy and collection of assessments, the costs of contracting with professionals to provide administrative, legal or engineering services specific to the District, and the cost for the County to collect assessments on the property tax bills.

***Professional Services* —** The cost of contracting with professionals to provide services specific to the levy of assessments and annual administration of the District.

OTHER BUDGET ITEMS:

***Collection/Contributions* —** If there is a surplus at the end of any fiscal year, it shall be deposited in the District account. If there is a deficit at the end of any fiscal year, the shortfall will be covered by any surplus funds in the District account. However, if there are no surplus funds in the District account, the shortfall will be made up through a General Fund contribution.

***Total Parcels Levied* —** The total number of parcels within the District that are assessed. Non-assessable lots or parcels include properties that have been determined to receive no special benefits from the improvements and may include land principally encumbered by public or other rights-of-way or easements, common areas, and/or parcels that have restricted use or development potential.

The following information was the District's estimated costs from the City's Budget:

Beginning Fund Balance		$165,548
Contribution from Reserve		(92,709)
Estimated Ending Fund Balance		**$72,839**
Proposed Fiscal Year 2024/2025 Budget for Street Lights and Traffic Signals:		
Anticipated Expenditures		(457,900)
Anticipated Assessment		365,191
Anticipated Collection for Reserve		(92,709)
Estimated Surplus/(Deficit) 06/30/2025		$72,839
Proposed FY 2024/2025 Assessment		**$365,191**

C. ASSESSMENT CALCULATIONS

For detailed assessment calculations, refer to Section 7, “Assessments,” in the Fiscal Year 1982/1983 Engineer's Report for the Street Light Benefit Assessment District No. 1.

The total assessment necessary to maintain and service the streetlights and traffic signals in Fiscal Year 2024/2025 is estimated to be $457,900. This cost plus any collections for the operating reserves will be distributed among 5,898 parcels this year. The balance to levy for Fiscal Year 2024/2025 is $365,191, which includes collection for Reserves.

Summary of Proposed Annual Assessments:

Benefit Zones	FY 2024/2025 Assessment Per Units of Benefit	FY 2024/2025 Units of Benefit	FY 2024/2025 Levy Amount [1]
Residential (Surcharge)	$56.14	4,246.00	$238,370.44
Residential Condo (Surcharge)	$56.14	421.34	23,653.60
Residential (Minimal)	$38.00	735.00	27,930.00
Non-Residential	$123.17	603.00	74,271.37
Rural	$17.88	54.00	965.52
Total		**6,059.34**	**$365,190.93**

[1] Slight variances from budget due to rounding.

Per parcel assessments are based on the number of 100-foot increments of front footage that a parcel has within its benefit zone. Developments with private streets, such as condominiums, have assessments based on the number of 100-foot increments of front footage along the perimeter of the development divided by the number of feet within the development. Front footage increments are rounded up to the nearest 100 feet.

For example: A parcel with 267 front linear feet within the Residential Surcharge area is assessed 300 ft. / 100 ft. x $56.14 per ft. = $168.42.

Individual assessments for individual parcels within the District are tabulated in Appendix B of this Report.

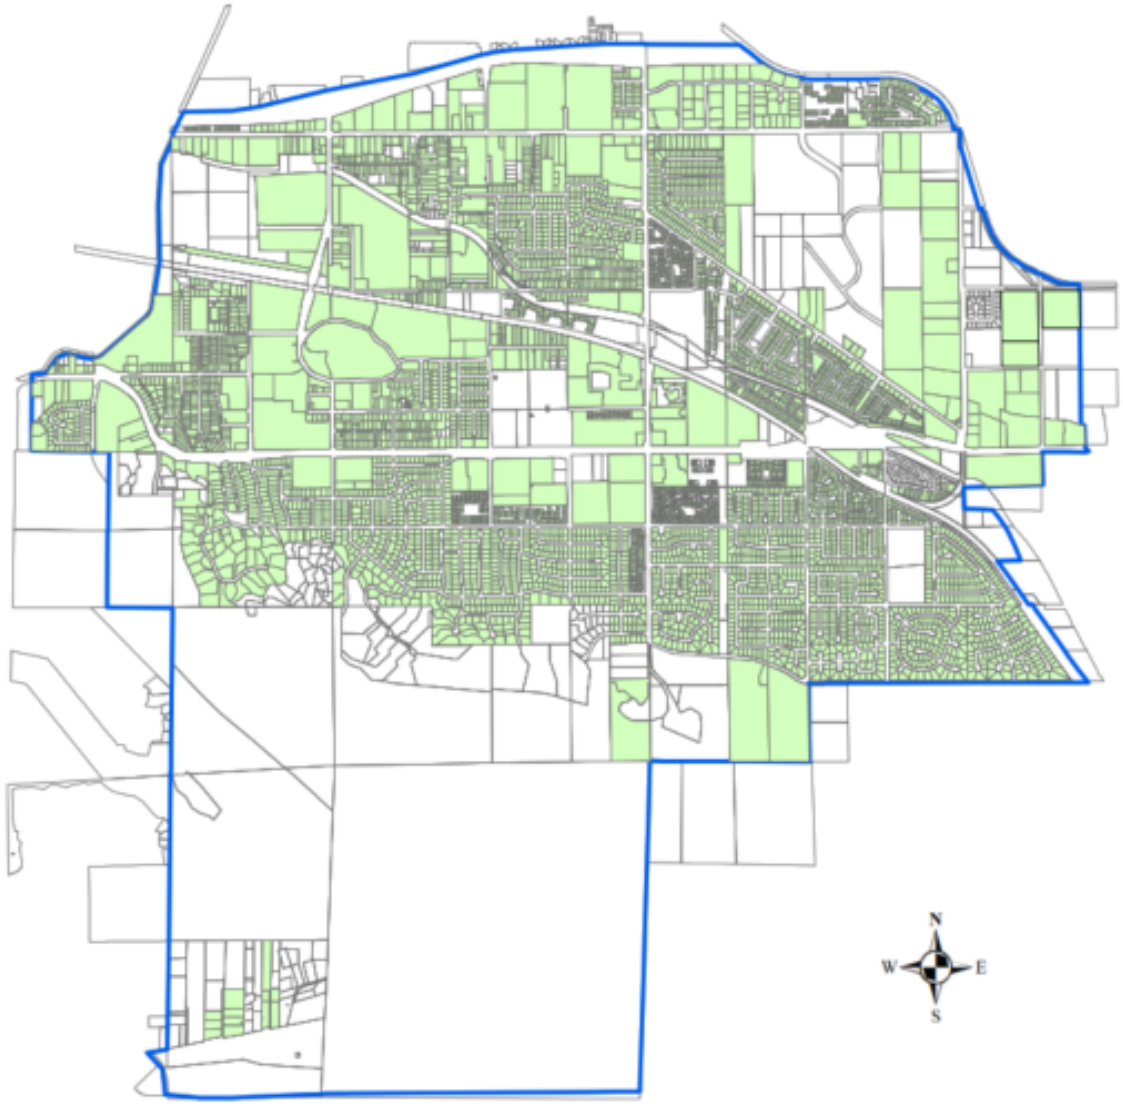

The City Council will hold a public hearing to consider confirming, or modifying and confirming, the foregoing assessments for Fiscal Year 2024/2025. These assessments, if confirmed, will be transmitted to the San Bernardino County Auditor and recovered through taxes paid by property owners as is required by the 1972 Act.

V. APPENDIX A – DISTRICT BOUNDARY MAP

The Boundary Diagram for the original district has previously been submitted to the Clerk of the City in the format required under the 1972 Act and is made part of this Report by reference.

The parcel identification, lines and dimensions of each parcel within the District are those lines and dimensions shown on the Assessor Maps of San Bernardino County for the year in which this Report was prepared and is incorporated by reference and made part of this Report.

Street Light District No. 1

VI. APPENDIX B - FISCAL YEAR 2024/2025 ASSESSMENT ROLL

Parcel identification, for each lot or parcel within the District, shall be the parcel as shown on the San Bernardino County Assessor Parcel Maps and/or the San Bernardino County Secured Tax Roll for the year in which this Report is prepared.

Non-assessable lots or parcels may include government owned land, public utility owned property, land principally encumbered with public rights-of-way or easements and dedicated common areas. These parcels will not be assessed.

A listing of parcels within the District, along with the proposed assessment amounts, has been submitted to the City Clerk and is attached herein.

Upon approval of the Engineer's Annual Levy Report, and confirmation of the assessments, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll in Fiscal Year 2024/2025. If the parcels or assessment numbers within the District and referenced in this Report, are re-numbered, re-apportioned or changed by the County Assessor's Office after approval of the Report, the new parcel or assessment numbers with the appropriate assessment amount will be submitted to the County Auditor/Controller. If the parcel change made by the County includes a parcel split, parcel merger or tax status change, the assessment amount submitted on the new parcels or assessment numbers will be based on the method of apportionment and levy amount approved in this Report by the City Council.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMA LINDA, COUNTY OF SAN BERNARDINO, STATE OF CALIFORNIA, INITIATING PROCEEDINGS AND ORDERING THE PREPARATION OF AN ENGINEER'S REPORT FOR STREET LIGHT BENEFIT ASSESSMENT DISTRICT NO. 1 FOR FISCAL YEAR 2024/2025

The City Council of the City of Loma Linda (“City”), pursuant to the provisions of the Landscaping and Lighting Act of 1972, being division 15 of the Streets and Highways Code of the State of California ("Act"), desires to initiate proceedings for Loma Linda Street Light Benefit Assessment District No. 1 (the "District") and for the levy and collection of assessments within the proposed District for the fiscal year 2024/2025, for the purposes provided therefore in the Act; and

The public interest and convenience require the City to initiate proceedings for the levy of assessments within the District for the fiscal year 2024/2025, for the purposes provided thereof in the Act; and

Section 22622 of the Act requires the City to adopt a resolution generally describing any proposed new improvements or any substantial changes in the existing improvements and ordering the Engineer to prepare and file a report in accordance with Article 4 of the Act.

WHEREAS, by adoption of Resolution No. 785, the City Council of the City of Loma Linda determined that the public interest, convenience and necessity required the installation, construction, and operation of street lighting and appurtenant facilities set forth in Section 22525 of the Streets and Highways Code, State of California, and the maintenance thereof within the incorporated boundaries of the City of Loma Linda as shown on the attached map; and

WHEREAS, Willdan Financial Services, 27368 Via Industria, Suite 200, Temecula California, 92590, was appointed "Engineer of Work" with all provisions of Division 15 applicable to the Engineer applied to said "Engineer of Work"; and

WHEREAS, Section 22622 of the Streets and Highways Code, State of California, requires that an Engineer's Report be prepared and filed annually, outlining the assessments to be levied against the properties within the assessment district; and

WHEREAS, Proposition 218, right to Vote on Taxes Act, was approved by the voters on November 5, 1996, added Articles XIIIC and XIIID to the California Constitution which requires among other things, that beginning July 1, 1997, all existing assessments must be approved by at least 50 percent of the ballots cast by record owners subject to the assessment; and

Resolution No. _____

WHEREAS, Proposition 218 exempts assessments which are used to operate and maintain streets, provided the assessments are not increased; and

WHEREAS, streetlights and traffic signals are installed, maintained and operated for street purposes; and

WHEREAS, the street light assessments for fiscal year 2024/2025 are not increased over those imposed for fiscal year 2023/2024; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Loma Linda that:

1. The Engineer of Work is ordered to prepare the report for fiscal year 2024/2025 in accordance with Article 4, Division 15, of the Streets and Highways code, "The Landscaping and Lighting Act of 1972" of the State of California.

2. The assessments for fiscal year 2024/2025 are exempt from Proposition 218, based on the provision of Proposition 218.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMA LINDA, COUNTY OF SAN BERNARDINO, STATE OF CALIFORNIA, PRELIMINARILY APPROVING ENGINEER'S REPORT FOR FISCAL YEAR 2024/2025 FOR STREET LIGHT BENEFIT ASSESSMENT DISTRICT NO. 1

The City Council of the City of Loma Linda (“City”), pursuant to the provisions of the Landscaping and Lighting Act of 1972, being division 15 of the Streets and Highways Code of the State of California ("Act"), has ordered the preparation of an Engineer’s Report and has filed said Report titled “Loma Linda Street Light Benefit Assessment District No. 1” ("District") and has initiated proceedings for the levy and collection of assessments within the proposed District for the fiscal year 2024/2025, for the purposes provided therefore in the Act; and

WHEREAS, the City Council, has by previous Resolution, ordered the preparation of the Engineer’s Report and directing the Engineer of Work to make and file with the City Clerk of said City a report in writing as required by the Landscaping and Lighting Act of 1972 for fiscal year 2024/2025; and

WHEREAS, said Engineer of Work has made and filed with the City Clerk of said City a report in writing as called for in said Resolution and under and pursuant to said Act, which report has been presented to this Council for consideration; and

WHEREAS, said Council has duly considered said report and each and every part thereof, and finds that each and every part of said report is sufficient, and that said report, nor any part thereof, requires or should be modified in any respect; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Loma Linda that:

1. The Engineer's Estimate of the itemized costs and expenses of said work and of the incidental expenses in connection therewith, contained in said report be, and each of them is hereby preliminarily approved.

2. The diagrams showing the District referred to and described in said report, the boundaries of the subdivision of land within said Assessment District as the same existed at the time of passage of said Resolution, is hereby preliminarily approved.

3. The proposed assessment upon the subdivision of land in said District is in proportion to the estimated benefit to be received by said subdivisions, respectively, from said work and of the incidental expenses thereof, as contained in said report is hereby preliminarily approved.

4. Said report shall stand as the Engineer's Report for the purposes of all subsequent proceedings.

Lynette Arreola, City Clerk

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMA LINDA, COUNTY OF SAN BERNARDINO, CALIFORNIA DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS FOR FISCAL YEAR 2024/2025 IN STREET LIGHT BENEFIT ASSESSMENT DISTRICT NO. 1, AN ASSESSMENT DISTRICT; DECLARING THE WORK TO BE OF MORE SPECIAL THAN GENERAL PUBLIC BENEFIT; SPECIFYING THE EXTERIOR BOUNDARIES OF THE AREAS WITHIN STREET LIGHT BENEFIT ASSESSMENT DISTRICT NO. 1 AND TO BE ASSESSED THE COST AND EXPENSE THEREOF; DESIGNATING SAID DISTRICT AS STREET LIGHT BENEFIT ASSESSMENT DISTRICT NO. 1, DETERMINING THAT THESE PROCEEDINGS SHALL BE TAKEN PURSUANT TO THE LANDSCAPING AND LIGHTING ACT OF 1972; AND OFFERING A TIME AND PLACE FOR HEARING OBJECTIONS THERETO

The City Council of the City of Loma Linda (“City”), pursuant to the provisions of The Landscaping and Lighting Act of 1972, being Division 15 of the Streets and Highways Code of the State of California, declares its intention and does resolve as follows:

WHEREAS, it is the intention of the City Council of the City of Loma Linda, California, to order the following work be done:

1. Maintenance, operation and servicing of street lighting and traffic signals as authorized by Section 22525 of the Streets and Highways Code.

2. Any and all work and materials appurtenant thereto or which are necessary or convenient for the maintenance and servicing thereof; and

WHEREAS, the foregoing described work is to be located within roadway right-of-way and public utility easements within the incorporated boundaries of the City of Loma Linda more particularly described on a map which is on file in the City Clerk's Office entitled "Assessment Diagram Street Light Benefit Assessment District No. 1"; and

WHEREAS, that the contemplated work, in the opinion of said City Council, is of more special than general public benefit, and the said City Council hereby makes the expense of the said work chargeable upon a district, which said district is described as follows: All that certain territory of the City of Loma Linda included within the exterior boundary line shown upon that certain map entitled "Assessment Diagram Street Light Benefit Assessment District No. 1," indicating by said boundary line the extent of the territory included within the proposed assessment district and which map is on file in the Office of the City Clerk of said City; and

WHEREAS, reference is hereby made to said map for further, full and more particular description of said assessment district, and the said map so on file shall govern for all details as to the extent of said assessment district; and

WHEREAS, the City Council of said City has, by previous Resolution, preliminarily approved the report of the Engineer of Work, which said report indicates the amount of the proposed assessment, the district boundary, detailed description of improvements, and the method of assessment. The report titled "Engineer's Annual Levy Report for Street Light Benefit Assessment District No. 1 fiscal year 2024/2025 is on file in the Office of the City Clerk of said City, and was prepared for fiscal year 2024/2025 in accordance with the

Resolution No. _____

Landscaping and Lighting Act of 1972. Reference to said report is hereby made for all particulars for the amount and extent of the assessments and for the extent of the work; and

WHEREAS, the assessment shall be collected at the time and in the same manner as County taxes are collected. The Engineer of Work shall file a report annually with the City Council of said City and said Council will annually conduct a hearing upon said report, at which time assessments for the next fiscal year will be determined; and

WHEREAS, all the work herein proposed shall be done and carried through in pursuance of an act of the legislature of the State of California designated the Landscaping and Lighting Act of 1972, being Division 15 of the Streets and Highways Code of the State of California; and

WHEREAS, that by reference to Section 22595 of said Streets and Highways Code all railroad, gas, water or electric utility or electric line right-of-way included within said Street Lighting Benefit Assessment District No. 1 which will receive benefit will be assessed for said benefit; and

WHEREAS, although Section 4 of Article XIIIC, of the California Constitution has a procedure of assessing parcels owned or used by any public agency, the State of California or the United States, Section 5(a) of said Article XIIIC exempts any assessment to finance maintenance and operating expenses for streets, or streetlights as an integral part of a street, therefore, the assessment of public parcels is exempt; and

WHEREAS, published notice shall be made pursuant to Section 6061 of the Government Code. The publication of notice of hearing shall be completed at least 10 days prior to the date of hearing; and

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Loma Linda that:

1. Notice is hereby given that on the 11th day of June 2024 at the hour of 7:00 p.m., or as soon thereafter as possible, in the City Council Chamber at 25541 Barton Road, in the City of Loma Linda, any and all persons having any objections to the work or extent of the assessment district, may appear and show cause why said work should not be done or carried out in accordance with this Resolution of Intention. The City Council will consider all oral and written protests; and

2. The City Clerk shall certify to the adoption of this Resolution.

Regular City Council Staff Report

Approve a Change Order for the Beaumont Avenue Waterline Repair Project (CIP 20-657) [Public Works]

Meeting	Agenda Group
Tuesday, May 14, 2024, 7:00 PM	Consent Calendar Item: 3F

To	From
City Council	Jeff Peterson, Associate Engineer

Via
T Jarb Thaipejr, City Manager

RECOMMENDATION:

It is recommended that the City Council approve a change order to the contract for waterline improvements on Beaumont Avenue from Union Pacific Railroad (UPRR) right-of-way to Nevada Street not to exceed $125,000.00. City staff will continue to provide inspection and project management.

BACKGROUND:

This project, awarded in April 2023, was included in the approved Capital Improvement Program of the annual budget (CIP 20-657). This project has experienced many challenges mostly due to conflicts with known structures and unknown utility locations. San Timoteo Creek Channel requires a bridge crossing, the UPRR tracks limited construction time and Kinder Morgan high pressure interstate gas line exact location necessitated our new waterline relocation. These many adjustments, along with the on-again off-again construction schedule, may have contributed to a catastrophic failure of a pipe joint during the initial guarantee period.

ANALYSIS:

Staff negotiated with the Contractor to arrive at a “time and materials” cost not to exceed $125,000.00. Considering the extent and complexity involved this cost seems reasonable.

ENVIRONMENTAL IMPACT:

N/A

FINANCIAL IMPACT:

Funding is available in Acct. No. 4387200-58500 (cost savings on the 1.6 M reservoir project).

City of Loma Linda

Regular City Council Staff Report

Grant a Utility Easement on Van Leuven St. to the So. California Gas Company [Public Works]

Meeting	Agenda Group
Tuesday, May 14, 2024, 7:00 PM	Consent Calendar Item: 3G

To	From
City Council	Jeff Peterson, Associate Engineer

Via
T Jarb Thaipejr, City Manager

RECOMMENDATION:

It is recommended that the City Council approve the grant of easement to the Southern California Gas Company for the placement of a service line to 25388 Van Leuven Street and authorize the City Manager to sign the document.

BACKGROUND:

The Southern California Gas Company (SoCal Gas) proposes to locate a service lateral across three (3) remnant parcels the City acquired on the north side of Van Leuven Street east of San Timoteo Creek. The parcels were the result of the U.S. Corp. of Engineers project to channelize the creek. The parcels, even if merged, are substandard for housing, therefore, the underground pipeline should not interfere with any surface usage by the City.

ANALYSIS:

City staff has reviewed and approves of the easements. These easements will not adversely affect the parcels involved. SoCal Gas will be responsible for recording the documents as part of their project. Additional temporary construction easements may be requested alongside the permanent easements for use during the installation phase only.

ENVIRONMENTAL IMPACT:

N/A

FINANCIAL IMPACT:

No cost to the City, SoCal Gas has prepared and will record the easement documentation upon approval.

GRANT OF EASEMENT

FOR VALUABLE CONSIDERATION, THE CITY OF LOMA LINDA, ("Grantor"), hereby grants to Southern California Gas Company, a California corporation, its successors and assigns ("Grantee"): A 10.00 foot in width permanent non-exclusive easement ("Easement") to excavate for, lay, construct, reconstruct, relocate, reconfigure, use, inspect, maintain, operate, repair, replace, patrol, change the size of, add to, or remove from time to time, as Grantee deems necessary, one or more pipelines and conduits, together with devices for metering, measuring, regulating, cathodic protection, communications and other appurtenances (all hereinafter referred to as the "Facilities") for the transportation and distribution of natural gas and communications as Grantee deems necessary, convenient or beneficial over, under, through, along, and for all other purposes connected therewith, and together with the reasonable right of ingress and egress to and from the Easement to access the Facilities and the right to use Grantor's abutting property during construction and maintenance of the Facilities, the strip of land located in the **City of Loma Linda** in the **County of San Bernardino,** California, described in Exhibit "A" and depicted in Exhibit "B" attached hereto, and made a part of this agreement.

Grantor, for its heirs, successors and assigns, agrees that, except as provided below, no change of grade of the Easement shall be made, that it shall not be inundated, that it shall be kept free of trees, deep-rooted shrubs, buildings and structures of all kinds (except for Grantee's Facilities), that nothing shall be done to impair Grantee's vehicular access to or along the Easement, and that nothing shall be done that unreasonably interferes with Grantee's use of the Easement.

Grantee shall have the right, but not the duty, to trim or remove trees, brush, roots or material from the Easement whenever Grantee deems it necessary. Said right shall not relieve Grantor of the duty as owner to trim or remove trees, brush or material to prevent danger or hazard to property or persons.

Grantor reserves the right to (1) use any surface or subsurface areas, provided such use does not unreasonably or substantially interfere with Grantee's use of the Easement; (2) improve the Easement area surface with landscaping (except trees and deep-rooted shrubs), paved driveways, parking surfaces, sidewalks, curbs and gutters; provided, however, that before making any such improvements involving a change of grade, Grantor and its heirs, successors and assigns, shall notify the Grantee in advance and comply with underground service alert notification requirements pursuant to Government Code Sections 4216 and following.

This Easement shall be binding upon and inure to the benefit of successors, heirs, and assigns of Grantor and Grantee.

Regular City Council Staff Report

Approve Agreement with TKE Engineering for City Services [Finance/Administration]

Meeting	Agenda Group
Tuesday, May 14, 2024, 7:00 PM	Consent Calendar Item: 3H

To	From
City Council	T Jarb Thaipejr, City Manager

RECOMMENDATION:

It is recommended that the City Council approve the agreement for consultant services with TKE Enginering, Inc. for city-related services.

BACKGROUND:

For several years, TKE Engineering, Inc. (“TKE”) through its Development Services Division, has provided a variety of consultant services to the City, Successor Agency, and Housing Authority. With respect to the Successor Agency and Housing Authority matters, such services were arranged for within separate agreements. However, with respect to City-related matters, such services were arranged under purchase orders.

Based on the staff’s analysis of projected City-related ongoing needs for services from TKE’s Development Services Division, staff recommends that such services be arranged for within the attached Agreement for Consultant Services (“Agreement”).

ANALYSIS:

The attached Agreement is in the City’s standard agreement format. It provides for:

1. A term for Fiscal Yare 2023/2024; and
2. A time and material-only compensation arrangement with a cap of $11,000.00 unless additional payment is approved as provided within the Agreement.

In addition, TKE has provided its Development Services Division consulting services on a combined basis (i.e., City, Successor Agency and Housing Authority), over the past four (4) years. Also, TKE’s Development Services Division staff began providing services to the City in 2015 while in service to a previous consulting firm. Throughout TKE’s four years of service, its billable consulting rates have remained constant and TKE has committed to hold to these rates during the coming term of the Agreement.

ENVIRONMENTAL IMPACT:

Pursuant to § 15060 (c) (3) of the California Environmental Quality Act (the “CEQA”) Guidelines (i.e., California Code of Regulations, Title 14, Division 6, Chapter 3, §§ 15000-15387), approval of the attached Agreement is exempt from CEQA because the actions described therein will not result in a direct or indirect physical change in the environment and the actions described therein are not a “Project”, as defined within§ 15378 of the CEQA Guidelines.

FINANCIAL IMPACT:

The Agreement provides that TKE will carry out the Scope of Services (as described within Exhibit “A” to the Agreement) on an actual time and materials basis with the overall costs of such services being governed by the financial limits defined

within the Agreement, i.e., not to exceed $11,000.00 during its term, unless additional payment is approved by the City as provided for within the Agreement.

TKE Agreement for Consultant Services.pdf

AGREEMENT FOR CONSULTANT SERVICES

THIS AGREEMENT is made and effective as of on_____, 2024 ("Effective Date"), between the City of Loma Linda, a municipal corporation ("City") and TKE Engineering, Inc., a California corporation ("Consultant"). Hereinafter, the City and the Consultant individually will be referred to as a "Party" and collectively as the "Parties". In consideration of the mutual covenants and conditions set forth herein, the Parties agree as follows:

1. TERM

This Agreement shall commence July 1, 2023 to June 30, 2024 ("Term"), unless sooner terminated pursuant to the provisions of this Agreement.

2. SERVICES

Consultant shall, as requested by City, perform the tasks described within the "Scope of Services", as set forth in Exhibit A, attached hereto and incorporated herein as though set forth in full. Consultant shall complete the tasks described within the Scope of Services, as requested by City, according to the schedule of performance which is also set forth in Exhibit A.

3. PERFORMANCE

Consultant shall at all times faithfully, and competently perform all tasks described herein. Consultant shall employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing similar services as are required of Consultant hereunder in meeting its obligations under this Agreement. Consultant shall have the duty to prepare any design documents free from defects.

4. CITY MANAGEMENT

City's City Manager shall represent City in all matters pertaining to the administration of this Agreement and shall be authorized to act on City's behalf and to execute all necessary documents which enlarge the Scope of Services or change Consultant's compensation, subject to Section 5 hereof.

5. PAYMENT

(a) The City agrees to pay Consultant monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, attached hereto and incorporated herein by this reference as though set forth in full, based upon actual time spent on the above tasks. This amount shall not exceed eleven-thousand dollars ($11,000.00) for the total Term of this Agreement unless additional payment is approved as provided in this Agreement.

(b) Consultant shall not be compensated for any services rendered in connection with its performance of this Agreement which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager. Consultant shall be compensated for any additional services in the amounts and in the manner as agreed to by City Manager and Consultant at the time City's written authorization is given to Consultant for the performance of said services. Any additional work in excess of this amount shall be approved by the City Council.

(c) Consultant will submit invoices monthly for actual services performed. Said invoices shall detail all costs, rates and hours for individual tasks. Invoices shall be submitted on or about the first business day of each month, or as soon thereafter as practical, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. If the City disputes any of the Consultant's fees, it shall give written notice to Consultant within thirty (30) days of receipt of an invoice of any disputed fees set forth on the invoice.

(d) Consultant agrees that, in no event shall City be required to pay to Consultant any

sum in excess of ninety-five percent (95%) of the maximum payable hereunder prior to receipt by City of all final documents, together with all supplemental technical documents, as described herein acceptable in form and content to City. Final payments shall be made no later than sixty (60) days after presentation of final documents and acceptance thereof by City.

6. SUSPENSION OR TERMINATION OF AGREEMENT WITHOUT CAUSE

(a) The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Consultant at least ten (10) days prior written notice. Upon receipt of said notice, the Consultant shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

(b) In the event this Agreement is terminated pursuant to this Section, the City shall pay to Consultant on a pro-rata basis the actual value of the work performed up to the time of termination, provided that the work performed is in compliance with this Agreement. Upon termination of the Agreement pursuant to this Section, the Consultant will submit an invoice to the City pursuant to Section 5(c).

7. DEFAULT OF CONSULTANT

(a) The Consultant's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Consultant is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Consultant for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Consultant. If such failure by the Consultant to make progress in the performance of work hereunder arises out of causes beyond the Consultant's control, and to the extent the default is without fault or negligence of the Consultant, it shall not be considered a default.

(b) If the City Manager or his/her delegate determines that the Consultant is in default in the performance of any of the terms or conditions of this Agreement, he/she shall cause to be served upon the Consultant a written notice of the default. The Consultant shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

8. OWNERSHIP OF DOCUMENTS

(a) Consultant shall maintain complete and accurate records with respect to billed time, sales, costs, expenses, receipts and other such information required by City that relate to the performance of services under this Agreement. Consultant shall maintain adequate records of services provided in sufficient detail to permit an evaluation of services. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Consultant shall provide free access to the representatives of City or its designees at reasonable times to such books and records; shall give City the right to examine and audit said books and records; shall permit City to make transcripts therefrom as necessary; and shall allow inspection of all work, data, documents, proceedings, and activities related to this Agreement. Such records, together with supporting documents, shall be maintained for a period of three (3) years after receipt of final payment.

(b) Upon completion of, or in the event of termination or suspension of this Agreement, all original documents, claims, applications, computer files, notes, and other documents prepared in the course of providing the services to be performed pursuant to this Agreement shall become the sole property of the City and may be used, reused, or otherwise disposed of by the City without the permission of the Consultant. Any reuse or modification of the work product without the prior written consent of Consultant will be at the sole risk of the City. With respect to computer files, Consultant shall make available to the City, at the Consultant's office and upon reasonable written request by the City, the necessary computer software and hardware for purposes of accessing, compiling, transferring and printing computer files.

9. INDEMNIFICATION

(a) Defense, Indemnity and Hold Harmless. Consultant shall defend, indemnify, and hold harmless the City, its present and former officers, directors, employees, agents, staff, volunteers, mayor, council, boards, committees, and representatives, as broadly interpreted (collectively, the "Indemnified Parties"), of and from all claims, suits, demands, obligations, losses, damages, sums, or any other matters threatened or presently asserted, including but not limited to all legal fees, costs of defense and litigation expenses (including legal fees, expert fees and any other costs or fees, including those of adverse parties imposed on or sought against the Indemnified Parties), arising directly or indirectly out of any liability or claim of loss or liability for personal injury, bodily injury to persons, contractual liability, errors or omissions, breach, failure to perform, damage to or loss of property, or any other loss, damage, injury or other claim of any kind or nature arising out of the work to be performed by Consultant herein, caused by or arising out of the negligent acts or omissions, or intentional misconduct of Consultant, including its subcontractors, subconsultants, employees, agents, and other persons or entities performing work for Consultant.

(b) Contractual Indemnity. To the fullest extent permitted under California law, Consultant shall contractually indemnify, defend and hold harmless the Indemnified Parties from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses, amounts for good faith settlement, or costs of any kind, whether actual, alleged or threatened, including attorney's fees and costs, court costs, interest, defense costs, and expert witness fees and costs), arising out of or related to, in whole or in part, the performance of this Agreement by Consultant or by any individual or entity for which Consultant is legally liable, including but not limited to Consultant's officers, agents, representative, employees, independent contractors, subcontractors, subconsultants, or affiliated or related entities and/or its or their employees, agents and representatives, caused by or arising out of all negligent acts or omissions, or intentional misconduct of Consultant, including its subcontractors, subconsultants, employees, agents and other persons or entities performing work for Consultant. Indemnification shall include any claim that Consultant, or Consultant's employees or agents, are or may be considered and treated as employees of the City or are entitled to any employee benefits from City including but not limited to those available under Public Employees Retirement Law. The obligation to indemnify, defend and hold harmless the Indemnified Parties shall apply to all liability as defined above regardless of whether the Indemnified Parties were or are alleged to have been negligent, except that it shall not apply to claims arising from the sole negligence or willful intentional misconduct of the Indemnified Parties. Consultant's obligation to defend the Indemnified Parties is not contingent upon there being an acknowledgement of or determination of the merit of any claims, liability, demands, causes of action, suits, losses, expenses, errors, omissions and/or costs.

(c) Subcontractors/Subconsultants and Indemnification. Consultant agrees to and shall obtain executed indemnity agreements in favor of the Indemnified Parties with provisions identical to those set forth from each and every Subcontractor, Sub consultant, or other person or entity involved by, for, with, or on behalf of Consultant in the performance of any aspect of this Agreement. In the event Consultant fails to obtain such indemnity obligations, Consultant shall be fully responsible for each and every Subcontractor, Subconsultant or other person or entity in terms of defense, indemnity and hold harmless obligations in favor of the Indemnified Parties as set forth above. This obligation to indemnify and defend the Indemnified Parties is binding on the successors, assigns, or heirs of Consultant and shall survive the full performance or termination of this Agreement. These indemnification provisions are independent of and shall not in any way be limited or superseded by the insurance requirements and insurance-related provisions of this Agreement.

(d) City Lost or Damaged Property – Theft. Consultant further agrees to pay or cause to be paid to the Indemnified Parties' benefit, any and all damages, fines, penalties, and loss or theft of property of the City arising out of or related in any way to the negligent acts or omissions or intentional misconduct of Consultant or of Consultant's officers, agents, representatives, employees, independent contractors, subcontractors or affiliated or related entities and/or its or their employees, agents and representatives, whether such actions, omissions to act, negligence or intentional conduct is or was authorized by this Agreement or not. City assumes no responsibility whatsoever for any property placed on the premises of City. Consultant further agrees to waive all rights of subrogation against the Indemnified Parties.

(e) Non-Waiver and Non-Exhaustion of City's Further Rights and Remedies. No aspect of this provision shall in any way limit or effect the rights of the Indemnified Parties against the Consultant under the terms of this Agreement or otherwise. The indemnification provisions shall apply regardless of whether this Agreement is executed after Consultant begins the work and shall extend to claims arising after this Agreement is performed or terminated, including a dispute as to the termination of Consultant. The indemnity obligations of Consultant shall continue until it is determined by final judgment that the claim against the City and any Indemnified Parties is determined by final judgment and after exhaustion of any rights of appeal. Further, no aspect of this provision shall impact the City's rights to contribution from Consultant, or for the City to dispute Consultant's refusal to defend and indemnify City.

(f) Limitations on Scope of Indemnity. Notwithstanding the foregoing, Consultant shall not be responsible for indemnification for claims or losses caused by the sole negligence or intentional wrongdoing of Indemnified Parties. Further, the indemnity provided shall be interpreted as broadly as permitted under California law and as to agreements between parties and shall if required be reformed to be consistent with those laws to protect and save this provision for the protection of the Indemnified Parties.

(g) The obligations of Consultant under this or any other provision of this Agreement shall not be limited by the provisions of any workers' compensation act or similar act. The Consultant expressly waives any statutory immunity under such statutes or laws as to the Indemnified Parties. The Consultant's indemnity obligation set forth in this Section 9 shall not be limited by the limits of any policies of insurance required or provided by the Consultant pursuant to this Agreement.

(h) The Consultant's covenant under this Section 9 shall survive the expiration or termination of this Agreement.

10. INSURANCE

The City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

(a) Types of Required Coverages

Without limiting the indemnity provisions of the Contract, the Consultant shall procure and maintain in full force and effect during the term of the Contract, the following policies of insurance. If the existing policies do not meet the insurance requirements set forth herein, Consultant agrees to amend, supplement or endorse the policies to do so.

(1) Commercial General Liability: Commercial General Liability Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 00 01, including products and completed operations, property damage, bodily injury, and personal & advertising injury with limits no less than $2,000,000 per occurrence, and $4,000,000 aggregate total bodily injury, personal injury, and property damage.

(2) Automobile Liability Insurance: Automobile Liability Insurance with coverage at least as broad as Insurance Services Office Form CA 0001 covering "Any Auto" (Symbol 1), including owned, non-owned and hired autos, or the exact equivalent, with minimum limits of
$2,000,000 for bodily injury and property damage, each accident. If Contractor owns no vehicles, auto liability coverage may be provided by means of a non-owned and hired auto endorsement to the general liability policy. Automobile liability insurance and endorsements shall be kept in force at all times during the performance of this Agreement.

(3) Workers' Compensation: Workers' Compensation Insurance, as required by the State of California and Employer's Liability Insurance with a limit of not less than $1,000,000 each accident for bodily injury and $1,000,000 each employee for bodily injury by disease.

(4) Professional Liability: Professional Liability insurance with limit of not less than $3,000,000 each claim. Covered professional services shall specifically include all work to be performed under the Agreement and delete any exclusion that may potentially affect the work to be performed.

(b) Endorsements

Insurance policies shall not be in compliance if they include any limiting provision or endorsement. The insurance policies shall contain, or be endorsed to contain, the following provisions:

(1) Commercial General Liability

Additional Insured: The City, its elected officials, officers, employees, volunteers, boards, agents and representatives shall be additional insureds with regard to liability and defense of suits or claims arising out of the work or operations performed by or on behalf of the Consultant including materials, parts or equipment furnished in connection with such work or operations. Coverage for the additional insureds shall apply to the fullest extent permitted by law.

Additional Insured Endorsements shall not:

1. Be limited to "Ongoing Operations"
2. Exclude "Contractual Liability
3. Restrict coverage to the "Sole" liability of contractor
4. Exclude "Third-Party-Over Actions"
5. Contain any other exclusion contrary to the Agreement

Additional Insured Endorsements shall be at least as broad as ISO Forms CG 20 10 11 85; or CG 20 and 10 and CG 2037.

Primary Insurance: This insurance shall be primary and any other insurance, whether primary, excess, umbrella or contingent insurance, including deductible, or self-insurance available to the insureds added by endorsement, shall be in excess of, and shall not contribute with, this insurance. Coverage shall be at least as broad as ISO CG 20 01 04 13.

(2) Auto Liability

Additional Insured: The City, its elected officials, officers, employees, volunteers, boards, agents, and representatives shall be additional insureds with regard to liability and defense of suits or claims arising out of the work or operations performed by or on behalf of the Contractor.

Primary Insurance: This insurance shall be primary and any other insurance whether primary, excess, umbrella or contingent insurance, including deductible, or

self-insurance available to the insureds added by endorsement shall be in excess of and shall not contribute with this insurance.

(3) Workers' Compensation

Waiver of Subrogation: A waiver of subrogation stating that the insurer waives all rights of subrogation against the indemnified parties.

(c) Notice of Cancellation

Required insurance policies shall not be cancelled or the coverage reduced until a thirty (30) day written notice of cancellation has been served upon the City except ten (10) days shall be allowed for non- payment of premium.

(d) Waiver of Subrogation

Required insurance coverages shall not prohibit Consultant from waiving the right of subrogation prior to a loss. Consultant shall waive all rights of subrogation against the indemnified parties and policies shall contain or be endorsed to contain such a provision. This provision applies regardless of whether the City has received a waiver of subrogation endorsement from the insurer.

(e) Evidence of Insurance

All policies, endorsements, certificates, and/or binders shall be subject to approval by the City as to form and content. These requirements are subject to amendment or waiver only if so approved in writing by the City. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf. At least fifteen (15) days prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the City. If such coverage is cancelled or reduced, Consultant shall, within ten (10) days after receipt of written notice of such cancellation or reduction of coverage, file with the City evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies.

(f) Deductible or Self-Insured Retention

Any deductible or self-insured retention must be approved in writing by the City and shall protect the Indemnified Parties in the same manner and to the same extent as they would have been protected had the policy or policies not contained a deductible or self-insured retention. The City may require the Consultant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the Consultant or the City.

(g) Contractual Liability/Insurance Obligations

The coverage provided shall apply to the obligations assumed by the Consultant under the indemnity provisions of this Agreement. The insurance obligations under this Agreement shall be: (1) all the insurance coverage and/or limits carried by or available to the Consultant; or (2) the minimum insurance coverage requirements and/or limits shown in this Agreement; whichever is greater. Any insurance proceeds in excess of or broader than the minimum required coverage and/or minimum required limits, which are applicable to a given loss, shall be available to the City. No representation is made that the minimum insurance requirements of this Agreement are sufficient to cover the obligations of the Consultant under this Agreement.

(h) Failure to Maintain Coverage

Consultant agrees to suspend and cease all operations hereunder during such period of time as the required insurance coverage is not in effect and evidence of insurance has not been furnished to the City. The City shall have the right to withhold any payment due Consultant until Consultant has fully complied with the insurance provisions of this Contract. In addition, the City may either immediately terminate this Agreement or, if insurance is available at a reasonable cost, City may take out the necessary insurance and pay, at Consultant's expense, the premium thereon.

In the event that the Consultant's operations are suspended for failure to maintain required insurance coverage, the Consultant shall not be entitled to an extension of time for completion of the Work because of production lost during suspension.

(i) Acceptability of Insurers

Each such policy shall be from a company or companies with a current A.M. Best's rating of no less than A:VII and authorized to do business in the State of California, or otherwise

allowed to place insurance through surplus line brokers under applicable provisions of the California Insurance Code or any federal law. Any other rating must be approved in writing in accordance with the City.

(j) Claims Made Policies

If coverage is written on a claims-made basis, the retroactive date on such insurance and all subsequent insurance shall coincide or precede the effective date of the initial Consultant's Agreement with the City and continuous coverage shall be maintained or an extended reporting period shall be exercised for a period of at least five (5) years from termination or expiration of this Agreement.

(k) Insurance for Subcontractors

Consultant shall be responsible for causing Subcontractors/ Subconsultants to purchase the same types and limits of insurance in compliance with the terms of this Agreement, including adding the City as an Additional Insured, providing Primary and Non-Contributory coverage and Waiver of Subrogation to the Subcontractors'/Subconsultant's policies. The Commercial General Liability Additional Insured Endorsement shall be on a form at least as board as CG 20 38 04 13.

11. INDEPENDENT CONTRACTOR

(a) Consultant is and shall at all times remain as to the City a wholly independent contractor. The personnel performing the services under this Agreement on behalf of Consultant shall at all times be under Consultant's exclusive direction and control and shall not be construed to be employees of City for any purpose, including eligibility under Public Employees Retirement Law. Neither City nor any of its officers, employees, or agents shall have control over the conduct of Consultant or any of Consultant's officers, employees, or agents, except as set forth in this Agreement. Consultant shall not at any time or in any manner represent that it or any of its officers, employees, or agents are in any manner officers, employees, or agents of the City. Consultant shall not incur or have the power to incur any debt, obligation, or liability whatever against City, or bind City in any manner. Consultant shall be solely responsible and hold the City harmless for all matters relating to the payment of Consultant's employees, including compliance with Social Security withholdings and all other regulations governing such matters.

(b) No employee benefits shall be available to Consultant in connection with the performance of this Agreement. Except for the fees paid to Consultant as provided in the Agreement City shall not pay salaries, wages, or other compensation to Consultant for performing services hereunder for City. City shall not be liable for compensation or indemnification to Consultant for injury or sickness arising out of performing services hereunder.

12. LEGAL RESPONSIBILITIES

The Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its services pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. The City, and its officers and employees, shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this Section.

13. UNDUE INFLUENCE

Consultant declares and warrants that no undue influence or pressure is used against or in concert with any officer or employee of the City of Loma Linda in connection with the award, terms or implementation of this Agreement, including any method of coercion, confidential financial arrangement, or financial inducement. No officer or employee of the City of Loma Linda will receive compensation, directly or indirectly, from Consultant, or from any officer, employee or agent of Consultant, in connection with the award of this Agreement or any work to be conducted as a result of this Agreement. Violation of this Section shall be a material breach of this Agreement entitling the City to any and all remedies at law or in equity.

14. NO BENEFIT TO ARISE TO LOCAL EMPLOYEES

No member, officer, or employee of City, or their designees or agents, and no public official who exercises authority over or responsibilities with respect to the Project during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any agreement or sub-agreement, or the proceeds thereof, for work to be performed in connection with the project performed under this Agreement.

15. RELEASE OF INFORMATION/CONFLICTS OF INTEREST

(a) All information gained by Consultant in performance of this Agreement shall be considered confidential and shall not be released by Consultant without City's prior written authorization. Consultant, its officers, employees, agents, or subconsultants, shall not without written authorization from the City Manager or unless requested by the City Attorney, voluntarily provide declarations, letters of support, testimony at depositions, responses to interrogatories, or other information concerning the work performed under this Agreement or relating to any project or property located within the City. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant gives City notice of such court order or subpoena.

(b) Consultant shall promptly notify City should Consultant, its officers, employees, agents or subconsultants be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, requests for admissions, or other discovery request, court order, or subpoena from any person or party regarding this Agreement and the work performed thereunder or with respect to any project or property located within the City. City retains the right, but has no obligation, to represent Consultant and/or be present at any deposition, hearing, or similar proceeding. Consultant agrees to cooperate fully with City and to provide the opportunity to review any response to discovery requests provided by Consultant. However, City's right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

(c) Consultant shall comply with all applicable federal, state and local Conflict of Interest laws, including the Political Reform Act (California Government Code, Section 81000, *et. seq.*) and California Government Code, Section 1090, *et. seq.* Consultant covenants that neither he/she nor any officer or principal of their firm have any interest in, or shall acquire any interest, directly or indirectly, which will conflict in any manner or degree with the performance of their services hereunder. Consultant further covenants that in the performance of this Agreement, no person having such interest shall be employed by them as an officer, employee, agent or subconsultant. Consultant further covenants that Consultant has not contracted with nor is performing any services, directly or indirectly, with any developer(s) and/or property owner(s) and/or firm(s) and/or partnership(s) owning property in the City or the study area and further covenants and agrees that Consultant and/or its subconsultants shall provide no service or enter into any agreement or agreements with a/any developer(s) and/or property owner(s) and/or firm(s) and/or partnership(s) owning property in the City or the study area prior to the completion of the work under this Agreement. Further, Consultant covenants not to give or receive any compensation, monetary or otherwise, to or from the ultimate vendor(s) of services to the City as a result of the performance of this Agreement, or the services that may be procured by the City as a result of the recommendations made by the Consultant. The Consultant's covenant under this Section shall survive the termination of this Agreement.

16. NOTICES

Any notices which either party may desire to give to the other party under this Agreement must be in writing and may be given either by (i) personal service, (ii) delivery by a reputable document delivery service, such as but not limited to, Federal Express, which provides a receipt

showing date and time of delivery, or (iii) mailing in the United States Mail, certified mail, postage prepaid, return receipt requested, addressed to the address of the party as set forth below or at any other address as that party may later designate by notice:

To City: T. Jarb Thaipejr, City Manager
City of Loma Linda
25541 Barton Rd
Loma Linda, CA 92354

To Consultant: Steven H. Dukett, Managing Director
TKE Engineering, Inc.
2305 Chicago Avenue
Riverside, CA 92507
(951) 680-0440

17. ASSIGNMENT AND SUBCONTRACTING

The Consultant shall not assign any of its rights or delegate any of its duties under this Agreement, either in whole or in part, nor any monies due hereunder, without prior written consent of the City. The City's consent to an assignment of rights under this Agreement shall not release the Consultant from any of its obligations or alter any of its obligations to be performed under this Agreement. Any attempt at assignment or delegation by the Consultant in violation of this Section 17 shall be void and of no legal effect and shall constitute grounds to terminate this Agreement for cause. The Consultant shall not subcontract any performance required under this Agreement without the City's prior written consent.

18. LICENSES

At all times during the term of this Agreement, Consultant shall have in full force and effect, all licenses required of it by law for the performance of the services described in this Agreement, including a City of Loma Linda business license.

19. GOVERNING LAW

The City and Consultant understand and agree that the laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement and also govern the interpretation of this Agreement. Any litigation concerning this Agreement shall take place in the superior or federal district court with jurisdiction over the City of Loma Linda.

20. ENTIRE AGREEMENT

This Agreement contains the entire understanding between the parties relating to the obligations of the parties described in this Agreement. All prior or contemporaneous agreements, understandings, representations, and statements, oral or written, are merged into this Agreement and shall be of no further force or effect. Each party is entering into this Agreement based solely upon the representations set forth herein and upon each party's own independent investigation of any and all facts such party deems material.

21. RESERVED

22. CONFIDENTIALITY

Information and materials obtained by the Consultant from City during the performance of this Agreement shall be treated as strictly confidential and shall not be used by the Consultant for any purpose other than the performance of this Agreement. Consultant's covenant under this Section shall survive the expiration or termination of this Agreement.

23. DISCRIMINATION

The Consultant agrees that no person shall be excluded from employment in the performance of this Agreement on grounds of race, creed, color, sex, age, marital status, or place of national origin. In this connection, the Consultant agrees to comply with all County, State and Federal laws relating to equal employment opportunity rights.

24. EFFECT OF PARTIAL INVALIDITY

If any term or provision of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement and any application of the terms shall remain valid and enforceable under this Agreement or California law.

25. CLAIMS AGAINST CITY

Consultant must comply with the claim procedures set forth in Government Code sections 900, *et. seq*., and/or Loma Linda Municipal Code, Chapter 1.16, as applicable, prior to filing any lawsuit against the City. Such claims and any subsequent lawsuit based upon the claims shall be limited to those matters that remain unresolved after all procedures pertaining to extra work, disputed work, claims, and/or changed conditions have been followed by Contractor. If no such claim is submitted, or if any prerequisite contractual requirements are not otherwise satisfied as specified herein, Contractor shall be barred from bringing and maintaining a valid lawsuit against the City.

26. AUTHORITY TO EXECUTE THIS AGREEMENT

The person or persons executing this Agreement on behalf of Consultant warrants and represents that he/she has the authority to execute this Agreement on behalf of the Consultant and has the authority to bind Consultant to the performance of its obligations hereunder.

27. NO THIRD-PARTY BENEFICIARIES

This Agreement is made solely for the benefit of the Parties to this Agreement and their respective successors and assigns, and no other person or entity may have or acquire a right by virtue of this Agreement.

28. COST OF LITIGATION

If any legal action is necessary to enforce any provision of this Agreement or for damages by reason of an alleged breach of any provisions of this Agreement (whether in contract, tort or both), the prevailing Party shall be entitled to receive from the losing Party all attorneys' fees, costs and expenses in such amount as the courts may determine to be reasonable. In awarding the cost of litigation, the court shall not be bound by any court fee schedule, but shall, if it is in the interest of justice to do so, award the full amount of costs, expenses and attorneys' fees paid or incurred in good faith.

29. AUTHORITY TO EXECUTE THIS AGREEMENT

The person or persons executing this Agreement on behalf of Consultant warrants and represents that he/she has the authority to execute this Agreement on behalf of the Consultant and has the authority to bind Consultant to the performance of its obligations hereunder.

30. COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be the original, and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed the day and year first above written.

EXHIBIT A

SCOPE OF SERVICES

TKE's Development Services Division staff are highly skilled professionals able to handle a wide variety of assignments for which examples range from site-specific developer negotiations to community wide development strategies, grant projects and programs, entitlement processing, financial/funding advisement, bond continuing disclosure services, affordable housing programs and compliance monitoring (i.e., SB 341 reports affordability compliance analyses and reports), economic development strategic plans, third-party compliance management, implementation, comprehensive redevelopment agency wind-down services and Surplus Land Act ("SLA") compliance services. Steven H. Dukett, Managing Director, Kathleen Robles, Senior Project Manager, and Valerie Elliott, Project Manager, represent the key professional staff that provide services pursuant to this Agreement. Mr. Dukett will serve as the Managing Director in charge of this assignment. Other staff members may be used as necessary.

TKE's Development Services Division customizes its services to meet our clients' needs and range from macro scale matters relative to community-wide needs to micro scale matters related to site specific development needs. TKE's development services are offered on a "turn-key" or general basis (i.e., as an augmentation to staff) or on a selective basis (i.e., for specific project activities).

In addition, TKE is uniquely able to offer its development services in combination with its comprehensive array of development and engineering-related services. This unique combination of skill sets enables TKE to offer its clients an uncommon level of practical insights and solutions with respect to local government sponsored, initiated or assisted development and related activities.

The summaries provided below represent, without limitation, the types of services that are available to the City.

A. SUMMARY OF SLA PROJECT MANAGEMENT SERVICES

The following summarizes the types of SLA project management and development services that TKE may provide with respect to real property disposition. SLA project management services are typically provided on an on-call and as-needed basis. Additionally, many of the items included within the summary below require cooperation and/or approvals from third parties, which may or may not occur or occur in a timely manner. Further, the City may select portions, amend, delete or add SLA project management services items at its sole discretion. The numbering protocol used in the summary below is provided for convenience of reference only and does not reflect priority sequence.

1. Consistent with the SLA, as codified in California Government Code ("GC") §§ 54220 – 54234, and the April 2021 SLA Guidelines ("Guidelines") as promulgated by the California Department of Housing and Community Development ("HCD"), assist with respect to the preparation of the declaration, notice, managing inquiries from interested third parties, analyses of respondent's written statements of interest, and preparation of a SLA completion report of the results of the process to HCD for the City's issuance.
2. Coordinate any solicitation process for professional services that may be required with respect to the land disposition process as the City may require, which may include appraisers, brokers or other types of professional services.
3. Provide any other related service that staff may request.

B. SUMMARY OF DEVELOPMENT-RELATED SERVICES

Development related services are typically provided on a project, program and/or on-call and as-needed basis and are primarily real estate development oriented, transactional in nature and opportunity based. Additionally, many of the items included within the summary below require cooperation and/or approvals from third parties, which may or may not occur or occur in a timely manner. Further, the City may select portions, amend, delete or add development-related project management services items at its sole discretion. The numbering protocol used in the summary below is provided for convenience of reference only and does not reflect priority sequence.

1. Assist and advise staff with respect to planning, urban design, land-use, development strategies, fiscal feasibility, funding/financing strategies and deal structuring for potential development projects and/or programs.
2. Participate in formal and informal planning and project management discussions, negotiations and presentations with staff, developers, owners, architects, community officials, other local government agencies and others, as appropriate, with respect to development projects and/or programs specified by the City.
3. Assist in evaluating the physical and fiscal feasibility of any public assistance requests (i.e., pro forma analysis) that may be received by any prospective developer.
4. Assist in developing and implementing marketing and economic development strategies to retain, expand and attract businesses to increase employment opportunities and tax ratables.
5. Researching, preparing, reviewing evaluating and/or submitting reports, forms, spreadsheets and any other written documentation that may be required by the City.
6. Providing oral presentations that may be required by the City.
7. Perform any compliance and/or implementation related tasks and/or services that may be required by the City.
8. To the extent that public assistance is contemplated by any prospective developer, assist the City in developing clear and easy to understand options and devise options and goals that emphasize: i) tying direct public assistance to the tax-ratables generated by the project, be performance based and be tied to the concept of feasibility wherein both parties share in project financial benefits; ii) tying indirect public assistance to either regional or area benefiting public infrastructure; and iii) the use of alternative fiscal resources, e.g., a community facilities district for public infrastructure purposes.
9. Estimate the tax ratables and jobs that a projected development may generate (i.e., property taxes, tax increments, sales taxes, transient occupancy taxes, etc.).
10. Assist and advise staff with respect to low- to moderate-income housing strategies, projects and/or programs.
11. As necessary, prepare "Project Information Summary" reports as required by Government Code §§ 53083 or 52201 or any similar provisions of law.
12. Prepare development, economic development, property disposition, affordable housing, infrastructure and other types of strategies, reports or plans.
13. Consistent with the California Surplus Land Act ("SLA"), as codified in California Government Code ("GC") §§ 54220
    – 54234, and the April 2021 SLA Guidelines ("Guidelines") as promulgated by the California Department of Housing and Community Development ("HCD"), assist with respect to the preparation of the declaration, notice, managing inquiries from interested third parties, analyses of respondent's written statements of interest, and preparation of a SLA completion report of the results of the process to HCD for the City's issuance for any real property subject to the SLA.
14. Prepare continuing disclosure reports pursuant to the MSRB requirements.
15. Prepare SB 341 annual reports.
16. Provide any other related service that staff may request.

SCHEDULE OF PERFORMANCE

The services described above are opportunity-based and dependent on third party cooperation and actions. Therefore, it is not possible to provide a definitive overall schedule of performance. However, on a case- by-case basis, TKE will be pleased to negotiate a specific schedule of performance with respect to definitive aspects of the project or program.

EXHIBIT B

Professional Services Rates Schedule

Due to the vagaries associated with managing the variety of activities associated with the providing services identified in the Scope of Services, TKE will carry out the Scope of Services on an actual time and materials basis with the overall costs of such services being governed by the financial limits defined within the Agreement utilizing the following professional service rate schedule:

Professional Staff	Hourly Rates
Managing Director	$185.00
Senior Project Manager	$120.00
Project Manager	$100.00

These rates will remain constant through June 30, 2024 and are subject to change thereafter. Costs for telephone, e-mail and facsimile expenses, postage and incidental photocopying are included within the above noted Professional Service Rates Schedule.

City of Loma Linda

Regular City Council Staff Report

Approve Schedule "A" of the Law Enforcement Service Contract with the County of San Bernardino for Fiscal Year 2024-25 [City Manager]

Meeting	Agenda Group
Tuesday, May 14, 2024, 7:00 PM	Consent Calendar Item: 3I

To	From
City Council	T Jarb Thaipejr, City Manager

RECOMMENDATION:

It is recommended that the City Council approve Amendment No. 35 of the San Bernardino County Law Enforcement Service Contract No. 94-523, amending Schedule "A" for Fiscal Year 2024-25.

BACKGROUND:

The annual Sheriff's Law Enforcement contract covers all regular law enforcement services for the City. The contract includes personnel costs such as salary, benefits, personnel liability and bonding, and worker's compensation modifications; vehicle costs, including insurance; dispatch services; body-worn cameras; and administrative costs. The breakdown of the positions covered is listed in Schedule A under Attachment I. As in previous years, the contract includes (1) Deputy Sheriff, 24 hours per day, 7 days per week, for services directly for Loma Linda University Medical Center (LLUMC), which is a pass-through cost to LLUMC. Amounts not included in the contract are additional services, supplies, vehicle fuel, repair, maintenance, and personnel overtime. These costs will be billed separately on a quarterly basis. In previous years, the contract was approved at the same time the annual budget was presented to Council; however, this year, SBCSD is requesting all executed contracts be returned to the SBCSD Bureau of Administration by May 23, 2024.

ANALYSIS:

The annual contract for fiscal year 2023-2024 is $6,891,424. The proposed contract for fiscal year 2024-2025 is showing an increase of $189,472 or 2.7% to $7,080,896. The services will remain the same except for fiscal year 2024-2025, the San Bernardino County Sheriff Department has passed on the cost of the body worn cameras to all its contracted agencies. For the City of Loma Linda, that cost is $27,401.

ENVIRONMENTAL IMPACT:

N/A

FINANCIAL IMPACT:

Funding for Law Enforcement Services will be included in the fiscal year 2024-2025 budget under the Contractual Services agreement account 0012000-51830 and 0012060-51830 for the Parking control dispatch services portion. The Sheriff Service Specialist position and costs associated to that position are paid by the COPS grant which will be reflected as a transfer in to the general fund from the COPS grant.

Regular City Council Staff Report

Declare Items Surplus and Authorize Appropriate Disposal [Information Systems]

Meeting	Agenda Group
Tuesday, May 14, 2024, 7:00 PM	Consent Calendar Item: 3J

To	From
City Council	Andrew Sanchez, Customer Service Technician

Via
Kyle MacGavin, Information Systems Manager

RECOMMENDATION:

It is recommended that the City Council declare the attached list of equipment and miscellaneous items surplus and authorize the items be appropriately disposed.

BACKGROUND:

The attached list of equipment and miscellaneous items are outdated and are no longer used in the normal operations of the city. These items have become a maintenance liability rather than an asset due to the limited useful life and present worth of each item.

ANALYSIS:

Items will be appropriately disposed.

ENVIRONMENTAL IMPACT:

N/A

FINANCIAL IMPACT:

No income will be generated.

Report Update and Request for Direction Regarding the Fire Department Therapy Dog Program [Fire]

Meeting	Agenda Group
Tuesday, May 14, 2024, 7:00 PM	New Business Item: 5A

To	From
City Council	Dan Harker, Fire Chief

RECOMMENDATION:

It is recommended that the City Council provide direction on whether to proceed with the purchase and implementation of a Fire Department therapy dog.

BACKGROUND:

At the April 9, 2024, City Council meeting, the topic of a Fire Department therapy dog was discussed. After discussion, Fire Department staff was instructed to research this type of program and report back to the City Council with additional information at the May 14, 2024, City Council meeting.

A presentation will be made at the City Council meeting by the Committee established by the Fire Department to discuss the research regarding cost, implementation, and maintenance.

Council Bill #R-2024-16- A Resolution to Approve the Measure I 5-year CIP Project for Fiscal Year 2024/25 through Fiscal Year 2028/29 [Public Works]

Meeting	Agenda Group	
Tuesday, May 14, 2024, 7:00 PM	New Business	Item: 5B

To	From
City Council	T Jarb Thaipejr, City Manager

RECOMMENDATION:

It is recommended that the City Council adopt Council Bill #R-2024-16, approving the City's Measure I Five-Year Capital Improvement Plan.

BACKGROUND:

Cities in San Bernardino County are required to adopt a Five-Year Capital Improvement Plan (CIP) for Measure I projects. Measure I revenues are generated by the County-wide transportation ½ percent sales tax program which is administered by the San Bernardino County Transportation Authority (SBCTA).

ANALYSIS:

The City Council approved the 5-Year CIP incorporated in the annual budget for fiscal year 2024-25. The CIP list includes street maintenance/improvement projects. The proposed Measure I 5-Year CIP complies with the City's approved 5-Year CIP. City Council may change the Measure I Plan at any time to re-prioritize projects. Please refer to Attachment B, which lists proposed projects for the five years from FY 2024-2029. As noted in the attachment, the expenditure over the 5 years is estimated to be $4,000,000. The Measure I revenue estimate, as provided by SBCTA, is $3,471,466 over the same period. The difference of $528,534 will be funded from the previous year's carryover of Measure I and/or project adjustments, as needed.

ENVIRONMENTAL IMPACT:

N/A

FINANCIAL IMPACT:

There is no fiscal impact as projects are not required to be constructed, planning documents only.

CITY OF LOMA LINDA

MEASURE I CAPITAL IMPROVEMENT PLAN

EXPENDITURE STRATEGY
Fiscal Year 2024/2025 thru 2028/2029

The City of Loma Linda is intent upon efficiently maintaining our existing roadway system. The streets in Loma Linda are constructed of asphalt concrete (AC). These streets are in various stages of their life expectancy. A typical AC street improvement has a life expectancy of 15-20 years. Through proper pavement management, this can be extended by as much as 20 years. Our strategy is to utilize a combination of slurry seal method, grind and overlay the top 0.1' and pulverize existing AC for base and repave for rehabilitation. This pavement management program has shown to be effective in delaying the eventual complete reconstruction, including subgrade, of a roadway segment.

Measure I funding is critical to this effort. We have dedicated the majority of funding to maintenance activities as described above along with the adjacent sidewalk, curb and gutter and access ramp maintenance. A portion of funding is earmarked for addressing increased capacity demand along certain segments that have experienced growth. New roadway segments are considered and addressed through development planning. Development impact fees are utilized for expansion due to growth. The current carryover balance in the Measure I Local Street fund will be utilized first.

RESOLUTION NO. 2024-16

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOMA LINDA, STATE OF CALIFORNIA, ADOPTING THE MEASURE I FIVE-YEAR CAPITAL IMPROVEMENT PLAN FOR FY2024/2025 THROUGH FY2028/2029

WHEREAS, San Bernardino County voters approved passage of Measure I in November 2004, authorizing the San Bernardino County Transportation Authority to impose a one-half of one percent retail transactions and use tax applicable in the incorporated and unincorporated territory of the County of San Bernardino; and

WHEREAS, revenue from the tax can only be used for transportation improvement and traffic management programs authorized in the Expenditure Plans set forth in Ordinance No. 04-01 of the Authority; and

WHEREAS, the Strategic Plan requires each local jurisdiction applying for revenue from the Local Street Program to annually adopt and update a Five-Year Capital Improvement Plan; and

WHEREAS, California Public Utilities Code 190300 and Ordinance No. 04-01 require each local jurisdiction to maintain General Fund expenditures for transportation-related construction and maintenance activities at the required Maintenance of Effort base year level in each fiscal year of the adopted Five-Year Capital Improvement Plan, which for the City of Loma Linda is $184,626; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Loma Linda, State of California, that the Measure I Five-Year Capital Improvement Plan, attached to this resolution as Exhibit A, is hereby adopted.

PASSED AND ADOPTED at a meeting of the City Council of the City Loma Linda held on _____, 2024.
