CASKET SELECTIONS

victoriaville & co

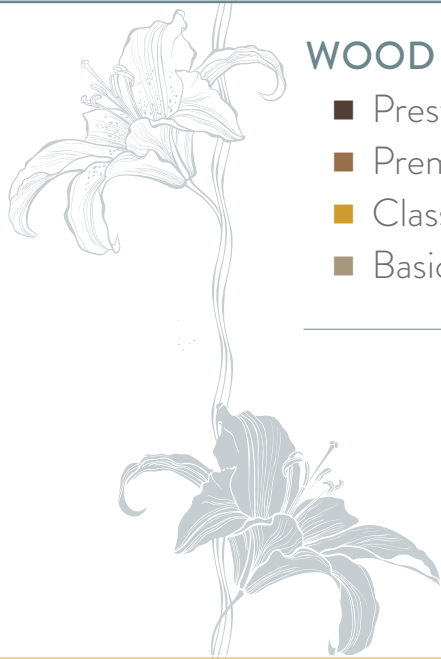

Victoriaville & Co is a leading North American provider of quality caskets and commemorative products. The company mission is to ensure that grieving families can choose and personalize a casket that can help honor the life of their loved one.

Three essential values are the foundation of the Victoriaville & Co philosophy—respect, integrity and responsibility. The company signature, “ingrained in tribute”, reflects these values in every aspect of our business. These values are not only at the heart and soul of our company, but in every single casket that we provide.

Every life, every family and every funeral is different. Each and every Victoriaville casket is made with the care and attention to detail that your family expects—“ingrained in tribute” is not only the Victoriaville & Co signature, but is also at the very heart and soul of our company.

Thank you for choosing a Victoriaville casket for your loved one.
