## ***Miss Me***

Now I've come to the end of the road and the sun has set for me,  
I want no rites in a gloom filled room, why cry for a soul set free.  
Miss me a little, but not for long, and not with your head bowed low,  
Remember the love we once shared. Miss me, but let me go.

For this is a journey that we all must take,  
and each must take it alone,

It's part of the Master's plan, a step on the road to home.  
When you are lonely and sick of heart, go to the friends you know,  
And bury your sorrow in doing good deeds. Miss me - but let me go.
