Memories in the Heart

Feel no guilt in laughter; he knows how much you care
Feel no sorrow in a smile that he's not here to share
You cannot grieve forever; he would not want you to
He'd hope that you can carry on, the way you always do
So talk about the good times and the ways you showed you cared
The days you spent together, all the happiness you shared.

A word someone may say,
Will suddenly recapture a time, an hour, a day
That brings him back as clearly as though he was still here
And fills you with the feelings that he is always near
For if you keep these moments, you will never be apart
And he will live forever locked safe within your heart
