The family of Ria would like to thank you very much for the cards, flowers and kind expressions of sympathy shown following her sad passing.

**Hail Mary**

"Hail Mary, full of grace, the Lord is with thee; blessed art thou among women, and blessed is the fruit of thy womb, Jesus.

Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen."

**Our Father**

"Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. Amen."

# Live It Up Mental as Anything

How can you see looking through those tears?

Don't you know you're worth your weight in gold?

I can't believe that you're alone in here

Let me warm your hands against the cold

A close encounter with a hard hearted man

Who never gave half of what he got

Has made you wish that you'd never been born

That's a shame 'cause you got the lot

Hey, yeah you, with the sad face

Come up to my place and live it up

You, beside the dance floor

What do you cry for, let's live it up

If you smiled the walls would fall down

On all the people in this pickup joint

But if you laughed, you'd level this town

Hey, lonely girl, that's just the point

Hey, there you, with the sad face

Come up to my place and live it up

You, beside the dance floor

What do you cry for, let's live it up

Just answer me the question why

You stand alone, by the phone, in the corner and cry Hey, baby

How can you see looking through those tears? Don't you know you're worth your

weight in gold?

I can't believe that you're alone in

here

Let me warm your hands against the

cold

If you smiled the walls would fall

Come up to my place and live it up

You, beside the dance floor

What do you cry for, let's live it up

Let's live it up

Live it up

Mmm, live it up

Hey, there you

With the sad face

Come up to my place

Come up to my place, baby...

Hey, there you, with the sad face  
Come up to my place and live it up  
You, beside the dance floor  
What do you cry for, let's live it up

You, with the sad face  
Come up to my place and live it up  
You beside the dance floor  
What do you cry for, let's live it up
