

# Water meter connectivity

Our **manhole cover antennas** may look small but their performance and range are unsurpassed.

IP Rated Cables

T Bar Antenna

BSA Self Adhesive Long

## 'Changing the face of water monitoring'.

Here at Antenna and Cables, we design bespoke antennas and IP rated cable assemblies, for many underground utility sectors, such as:

- Water Meter Monitoring
- Smart Metering - Gas, Oil & Electricity
- Broadband Communications

*Some of our current customers include:*

Antenna and Cables  
PART OF THE BRIDGE GROUP OF COMPANIES
