Our Services: We offer a comprehensive range of training services, including:

- Off the shelf training helping companies meet their compliance requirements
- Bespoke training design and delivery including inductions and development programmes
- Hands on practical based learning, from First Aid to Streetworks and utilities training
- Learning & Development (L&D) Consultancy
- Health & Safety Consultancy

Our Training Approach

We believe that effective training should be tailored to the specific needs of each learner. That's why we take a personalised approach to our training delivery. We work closely with our clients to understand their goals and objectives, and we design our courses to meet their specific needs.

We offer a variety of training options to suit your needs, courses available at our venue, virtually or at your premises.

- **In-House Training:** We can deliver courses at your location, tailored to your specific requirements.
- **Virtual Classroom Training:** Our online virtual classroom courses provide a flexible and convenient learning experience utilising purpose-built online software packages.
- **Training Centre Courses:** We have state-of-the-art training facilities equipped with the latest technology and resources. Our comfortable and well-equipped classrooms provide a conducive environment for learning. We have practical training areas and set ups to help aid training delivery and learner engagement.
- **E-Learning:** Over 50 available E-learning courses that cover multiple topics. All bite sized learning that cater to flexible learning when time and budget are a premium, but development is a priority.

Why Gold Tap Training?

Invest in your people's success with Gold Tap Training and see your business flourish.

Benefits of Gold Tap Training:

- **We help businesses become compliant:** Making sure your training needs are met to help pass audits and apply for tenders.
- **We strengthen cultures:** Our training and development programmes build strong health and safety cultures and strong workplace cultures, fostering an approach of learning, development and coaching.
- **Our teams are customer focused:** Our salespeople to our bookings team and our senior management teams to our trainers are focused on delivering what our clients need. We work with you to make training, learning and development suitable, for YOUR workplace.
- **Flexible consultancy:** We work with our clients to understand their needs and find a way to deliver what they require.
- **Our record:** We have worked with hundreds of clients, big and small and deliver training to thousands of people every year with exceptional feedback and returning clients.

E-Learning Courses

At Gold Tap Training we offer quick and affordable eLearning courses. Whether it's to enhance your skills, update your employee's training or improve your CV our collections are here to empower you.

Our video-based training courses are short, engaging, and take between 10 to 20 minutes to complete. You can take the courses whenever you want, meaning it is perfect for fitting into your busy schedule via mobile or desktop. All courses are certified by IOSH or CPD, ensuring you receive industry-recognised credentials.

Testimonials

“Training delivery was excellent. The course was packed full of information and was delivered in a fun and relaxed environment.”

Mohammed A, 18 Feb 2025

“An excellent, friendly tutor with clear occupational competence. Very impressed with her delivery style.”

Jonathan S, 22 Jan 2025

“Mark was amazing and made it easy for us to understand and answered all questions that was given to him.”

Liam T, 06 Feb 2025

“The group was engaged from the beginning as they were asking questions which you answered comfortably. You also encouraged the individuals to engage with the training session.”

EUSR Quality Auditor

“Great introduction to Valve Ops, a MUST for all new starters. Needs to be built into the probation for new starters. Thank you.”
