Bio-Response Solutions

BOOTH# 1904

Our family-owned and -operated company helps businesses add alkaline hydrolysis (Aquamation) to the list of options they offer their families. We make solutions for pet and human loved ones. Where it is available, over 80% of families choose water over fire. We believe that people deserve to have this option available, and we have over 20 years of alkaline hydrolysis experience to share. We have a passion for helping funeral professionals understand how to speak with families about AH.

Stop by to get some example brochures for inquiring families!
