Remote Attendance System

2019 KIP Award Winner for Best in Personalization, TribuCast™ is an easy-to-use, portable, pay-per-use system that helps reduce heartache and stress when planning a service. The TribuCast™ Remote Attendance System™ creates a private online environment that closely matches the in-person experience of attending a service, enabling loved ones to grieve effectively regardless of their location or circumstances.

MobileFH® Texting

MobileFH® Texting is the first and only text message solution that helps facilitate mobile communications for funeral homes. Developed in-house by ASD, MobileFH® Texting connects the funeral home's business line or any other funeral home number to the ASD Mobile app, allowing directors to send and receive text messages from anywhere using the funeral home's main business phone number as the sending number.
