

PRESENTING THE HOTTEST LINEUP IN CBD OILS

DIAMOND CBD UNVEILS THE INDUSTRY'S LARGEST SELECTION OF CBD OILS AVAILABLE FOR VAPE AND SMOKE SHOPS TODAY.

The demand for CBD oil is growing. The palate of consumers is changing and they are demanding more variations of oil formulations and flavors for a variety of uses. Diamond CBD is on the forefront of the CBD industry developing and innovating new flavors and formulations to satisfy and fuel consumer demand. In fact, Diamond CBD is positioned to offer the widest variety of CBD

oils and strengths on the market today and consumers are taking notice. Diamond CBD now has a product offerings that span over 50 oils and that are a hallmark of the company's incredible growth. With over 300 flavors of oils that can be mixed for unlimited flavor profiles, Diamond CBD offers the fullest and most comprehensive offering of CBD oils in the industry.

THE CBD OIL STAR LINEUP

Designed to help vape and smoke shops expand their consumer base, Diamond CBD has greatly improved their oil line by including new formulations and consumer-friendly packaging. To stay on the cutting-edge of product development, Diamond CBD is introducing 5 innovative new varieties of oils in 10 different strengths. The demand for CBD is at an all-time high and with it comes a call for new flavors and formulations to excite the imaginations of CBD consumers and drive industry growth. Diamond CBD's new line of oils puts them at the forefront of this growth.

FULL SPECTRUM CBD OIL

Full Spectrum CBD Oil provides your customers with more than 80 phytocannabinoids and other beneficial plant compounds to support health. Great for vaping, as a topical oil, and added to food or drinks.

FULL SPECTRUM CBD WITH HEMP SEED OIL

This superior CBD oil formulation is made with Hemp Seed Oil. Hemp Seed Oil is rich in antioxidants and omega fatty acids, making it perfect for those health conscious consumers who want to live a balanced life.

FULL SPECTRUM CBD WITH MCT

Due to popular demand and national awareness for the benefits of MCT, Diamond CBD incorporated it into this innovative CBD oil. Consumers with a healthier outlook demand MCTs.

FULL SPECTRUM CBD WITH OLIVE OIL

A perfect complement to CBD, this formulation features pure virgin olive oil. Olive oil is rich in antioxidants and monounsaturated fats, and is sought out by consumers for its many benefits. It also makes a great oil for salad dressings.

FULL SPECTRUM CBD OIL WITH HONEY

Full Spectrum CBD Oil with Honey is a great product for consumers who want to experience the benefits of CBD but prefer to sweeten it with the taste and power of natural honey.

LOOKING FOR CBD ISOLATE OILS?

Check out our Blue CBD oil line offering a variety of strengths and flavors of superior quality CBD crystals isolates.

AN OIL FOR EVERY CUSTOMER

America loves CBD. Due to the incredible demand for new CBD oil products and flavors, Diamond CBD has taken measures to expand their line to meet the demand. Diamond CBD is introducing hot new product formulations including CBD with Vegetable Glycerin, Vegetable Glycerin and Honey, CBD with MCT, CBD Oil with Hemp Seed Oil and CBD with Olive Oil. This will stimulate the market's growth by meeting the growing consumer demands for new and innovative ways to consume CBD oil.

CHARTING THE CBD BOOM

Rolling Stone Magazine recently highlighted the boom in the Cannabis Industry in an article that noted: "For years, experts have predicted that if the cannabis industry expands at its current rate, the American market will reach \$20 billion by 2020. But it turns out that one market is spinning off into a mega-industry of its own: according to a new estimate from cannabis industry analysts the Brightfield Group, the hemp-CBD market alone could hit \$22 billion by 2022."

ABOUT DIAMOND CBD

Diamond CBD focuses on the research, development, and multinational marketing of premium hemp extracts that contain a broad range of cannabinoids and natural hemp derivatives. Diamond CBD's team consists of hemp industry pioneers, chemists, doctors and scientists, dedicated to producing the purest cannabidiol (CBD) products.
