

INDUSTRY INNOVATION

The following new and innovative products & services can help your smoke, head or vapor shop attract new customers and grow your business.

Mystica II

MSRP
\$24.99

The Mystica II is built for pre-filled cartridge convenience. Single button operation makes voltage changes a breeze, and the Mystica has options for 3.4V, 3.7V, and 4.0V. A magnetic connector keeps your tank secure while being quick and easy to remove. At only 2 inches tall this pocket sized vaporizer is perfect for the person always on the go.

Pachamama Salts Starfruit Grape

MSRP
\$17.99

Charles Chalk Dust recently launched Pachamama Salts- the most desirable fruits on Earth blended to an eclectic assortment of nic salts. After being so well received, we decided to give the people what they want and create two new flavors. Starfruit Grape and Honeydew Melon will be joining the family. Inspired by the tropical fruits of Southeast Asia, Starfruit Grape is a crisp, sweet, and unique grape flavor. Kick-back, relax, and escape the winter. Join us on a journey to the exotic beaches of Malaysia with Pachamama Salts.

25mg and 50mg available in 30mL bottles.

Gravity

MSRP
Dual 60 \$29.99
Dual 30 \$29.99

The Chain Vapez team has been through so much with Hurricane Michael devastating our facility and destroying our city. This recipe was made through long hours of trial and error, but was not brought to production until now! Gravity, a watermelon and grape infused bubble gum is our newest edition to our e-juice line and award winning flavors. We know you guys will love this flavor as much as we do!
