

INDUSTRY INNOVATION

The following new and innovative products & services can help your smoke, head or vapor shop attract new customers and grow your business.

XVape Vista Mini

MSRP
\$119.00

The XVape Vista Mini is here to take the concentrates game to a whole new level in 2019. With its sleek, worry-free, compact design; the world's first wireless-charging portable concentrate vaporizer offers you the enjoyment of a session while at home or on an outing with friends. Since it stands just under 5 inches you get the convenience of single hand operation from a powerful, rig-like vape with a detachable glass water bubbler that's easy to clean!

Pachamama Salts Apple Tobacco

MSRP
\$17.99

The wait is over. Charlie's Chalk Dust is proud to finally announce the release of their Pachamama Salts – the most desirable fruits on Earth blended to an eclectic assortment of nic salts. Introducing Pachamama Apple Tobacco Salt. Pachamama means Mother Earth in many native cultures and this Apple Tobacco is a mixture of freshly harvested tobacco and orchard-picked apples. Take a walk with us and bring your basket, because it's apple-pickin season all year long.

25mg and 50mg available in 30mL bottles.
