

INDUSTRY INNOVATION

The following new and innovative products & services can help your smoke, head or vapor shop attract new customers and grow your business.

Nicky Drops Whiskey Tango Flan

MSRP
20ct - \$11.99 | 40ct - \$21.99

Nicky Drops was born out of the belief that life should be enjoyed everywhere – not just in designated areas. There are so many places where vaping (or smoking) is not an option: the plane, the game, the in-law's, the office, your favorite restaurant ... That is why we created Nicky Drops. Finally, **DELICIOUS NICOTINE LOZENGES** you can enjoy anywhere. Never worry about enjoying your nicotine again. Introducing Whiskey Tango Flan, a savory caramel that satisfies in every way.

Pachamama CBD

MSRP
\$35.00 / 250mg | \$50.00 / 500mg

The creators of Charlie's Chalk Dust and Pachamama E-Liquids are proud to announce their newest creation—Pachamama CBD. Pachamama CBD is the most desirable ingredients blended to an eclectic assortment of CBD products. The product we are highlighting, Pachamama Grape Berry, uses the highest quality of CBD isolate. Our CBD isolate is harvested from single origin, single-strain, organically grown Colorado hemp. We have a stringent extraction process that has allowed us to create a CBD isolate, in crystal form, to maximize the CBD effects as a plant based therapeutic phenomenon.
