**January 22, 2026**

Please note that the interview schedules for PhD Admissions 2026 to FMS has now been posted at the FMS website. Kindly check your date and time slot for the interview and be present for the interview/presentation/ PI session on time. The shortlisted candidates will receive emails instructing them of the preparations they need to make for the interview/presentation/PI sessions and the documents they need to carry with them on the day of the interview.

The interview process shall consist of a PowerPoint/visual presentation followed by a personal interview. Take note of the following instructions carefully:

1. On the date of your interview, you must bring one (1) printed copy of your Statement of Purpose (SOP) (approximately 250 words) and one (1) printed copy of your Research Proposal. The *Research Proposal* should be a detailed document (approximately 1500 words) strictly adhering to the following subheadings:

- Rationale & Research/ Evidence Gap - cite relevant literature
- Key Research Questions
- Research Objectives
- Proposed research design and methodology
- Expected Contribution

2. You must bring the following original documents along with their photocopies for verification at the time of the interview:

- Class 10th and 12th certificates and mark sheets.
- Graduation degree certificate and mark sheets.
- Postgraduate degree certificate and mark sheets. If CGPA is mentioned, then the conversion formula issued by the concerned University/institution must be presented.
- Original score card of NET/JRF/CAT or equivalent examination (indicating the total marks obtained in the examination)
- JRF or any other scholarship certificate
- Reservation Category / Eligibility Certificate (if applicable)
- NOC certificate from the current employer (if applicable)

**Failure to bring the above-mentioned documents may result in you not being allowed to appear for the presentation/PI process.**

The interview will broadly consist of:

- Discussion on the Statement of Purpose and the Research Proposal
- Presentation of Research Proposal followed by Q&A
- Discussion on the prior research experience, among other topics.

You are required to

- Prepare a PowerPoint/visual presentation, preferably in 5 slides (but not exceeding 10 slides), outlining the problem statement, research/evidence gap, key research questions, objectives, proposed research design, and methodology.
- Bring the presentation (PDF version) on a pen drive to be loaded into the laptop during the verification process.
- Bring one hard copy of the Research Proposal
- Bring any other documentary evidence of prior research (research papers/conference proceedings, etc)
