TENDERS & WATER TOYS
SHOULD BE FUN

ALMOST EVERY SHIPYARD CEO

“Superyacht tenders and watertoys always cause problems.”

“which tender should we buy”

*“where can we go to for after sales or questions
regarding all those toys on board”*

WHAT are the challenges faced

OWNERS TEAM CHALLENGES

- Huge and chaotic market
- Too many products to choose from, what is the best product to fit our purpose?
- Many different parties for maintenance
- Multiple different contacts required leads to increased workload

SHIPYARD CHALLENGES

- Delivery issues
- Space/storage issues
- Garage room arrangement
- Coordination problems

WHAT

How do we deliver our promise?

- Assessment of client for preliminary selection
- Engineering support
- Build process management
- Quality control
- Package customization
- Handling of purchase, delivery and service via 1 person
- Transparent
- Competitive pricing
- Crew training
- International service & maintenance support

HOW

WHY choose us?

- Bridge building between superyacht and watersport industries (we have direct contact with over 360 tender & toys manufacturers)
- We funnel & summarize options catered to your needs
- Earlier involvement in yacht design
- Smooth selection process
- Perfect product purpose to fit
- Smooth building & operation process
- We remain up-to-date with all the latest information
- Testing and video reporting of pre-selection
- Crew training
- International service & maintenance support
