PROFILE

Motivated IT professional with experience in technical support, website development, and mobile app development. Eager to learn and grow in a challenging environment.

WORK EXPERIENCE

Softechware

2020-2022

Mobile/Online Tech support

- Provided comprehensive tech support, excelling in hardware troubleshooting, network operations, and remote assistance using AnyDesk and TeamViewer.
- Enhanced client support systems, emphasizing strong problem-solving skills and computer literacy

University of Pretoria

2021-2022

Lab support technician

- At the University of Pretoria, I managed IT support tasks with a focus on computer maintenance and online support. Ensured smooth computer lab operations and provided reliable technical assistance, reinforcing computer operation proficiency.

Softechware

2022-2024

Flutter/Web Developer

- Specialized in creating robust mobile applications using Flutter, with a strong command over Dart. Developed cross-platform solutions with Firebase and integrated seamless UIs with Flutterflow, honing skills in Swift and Java/Kotlin for full-stack capability
- Focused on delivering tailored and visually appealing web applications for a diverse client base using WordPress, HTML5, CSS & React.

CERTIFICATIONS

- Microsoft Azure Fundamentals - AZ900
