1. Rightsholder (as identified above and defined below) hereby grants to Autodesk, its affiliates, resellers, distributors, successors and assigns (collectively, “Autodesk”), the non-exclusive, transferable, irrevocable, sublicensable, paid-up, and royalty-free right to use the Items listed on Exhibit A attached hereto or any derivative thereof, according to the Term and Uses identified above in connection with any or all of the Materials, including but not limited to the rights to advertise, promote, publicize, reproduce, perform, display, distribute, transmit, exhibit, make derivative works of, and otherwise use the Items, or any part thereof, alone or as part of the Materials, in all media and by all means (now known or in the future created or used)) as Autodesk may determine consistent with the above uses (collectively, the “Rights”). The Rights include the right to reformat, resize, crop, silhouette, color correct, set side by side, edit, or make other minor changes to the Items, but Autodesk otherwise will not make substantial changes to the Items without Rightsholder’s consent. “Rightsholder” means the holder of all Rights necessary to make the grant in this Section 1.

2. Autodesk shall have no obligation to return the Items to Rightsholder. Autodesk shall not be responsible for any loss of, or damage to, tangible copies of the Items. Autodesk will display the credit line indicated above (if specified) in connection with its uses of the Items wherever practicable. However, Rightsholder agrees that Rightsholder’s exclusive remedy (if any) for any failure to credit Rightsholder or any other claim arising out of this Form shall be limited to an action at law for damages. Rightsholder will not be entitled to any injunction or other equitable remedy. Rightsholder agrees not to assert any claims relating to moral, publicity and other rights provided that the Items are depicted in a lawful manner. Rightsholder releases and hold harmless Autodesk and its officers, directors, employees and agents from all claims of any nature, known or unknown, arising out of the lawful use of any Rights. Rightsholder understands that Rightsholder will not be entitled to any money or anything else for the Rights and that Autodesk may or may not put to use any Rights, in its sole discretion.

3. Rightsholder represents and warrants that: (a) the individual signing below has the full right and authority to sign for Rightsholder; (b) Rightsholder has the full right and authority, including all intellectual property rights, needed to grant the Rights, and no third party’s permission is required; and (c) putting to use any Rights will not infringe upon, violate or conflict with any legal or contractual rights of any third party; and, (d) all statements in the Items are true, not misleading and comply with all applicable laws and regulations. This Consent Form will be governed by California law, without regard to conflict-of-laws principles. This Consent Form binds Rightsholder and Rightsholder’s agents, heirs, executors, successors, and assigns.

RIGHTSHOLDER HAS READ AND UNDERSTANDS THIS FORM AND AGREES TO BE BOUND BY IT.
